There shall be established within the board of registration in medicine a disciplinary unit which will be responsible for investigating complaints and prosecuting disciplinary actions against licensees, pursuant to this section. The executive director of the board shall hire such attorneys and investigators as are necessary to carry out the responsibilities of the disciplinary unit.

The board is hereby authorized and directed to develop and implement, without cost to the commonwealth, a plan for a remediation program designed to improve physicians' clinical and communication skills. The board shall promulgate rules and regulations for such remediation programs which shall include, but not be limited to, the following provisions:

(b) the board shall select providers of remediation and assessment services for physicians;

(c) the board shall make referrals of physicians to remediation and assessment providers, shall have the authority to approve individual remediation programs recommended by such providers and shall monitor the progress of each physician undertaking a remediation program;

(d) the board shall have the authority to determine successful completion of physician remediation programs and may make any further orders for probationary monitoring, disciplinary proceedings or other action as it deems appropriate;

(e) the board shall negotiate with insurance carriers, hospitals, health care providers, physicians and other affected parties to establish mechanisms for the funding of the remediation programs set forth in this

paragraph; provided, however, that said board shall establish terms and conditions under which the primary financial obligation for an individual remediation program shall be borne by the affected physician.

There shall also be established within the board of registration in medicine a risk management unit. Said risk management unit shall provide technical assistance and quality assurance programs designed to reduce or stabilize the frequency, amount and costs of claims against physicians and hospitals licensed or registered in the commonwealth. The board shall promulgate regulations requiring physicians to participate in risk management programs as a condition of licensure; provided that such regulations shall provide for an exemption from such requirements for physicians who are participating in pre-existing risk management programs that have been approved by the board.

There shall be established within the board of registration in medicine a data repository which will be responsible for the compilation of all data required under sections five A to five J, inclusive, and any other law or regulation which requires that information be reported to the board.

The board shall collect the following information to create individual profiles on licensees, in a format created by the board that shall be available for dissemination to the public:

(a) a description of any criminal convictions for felonies and serious misdemeanors as determined by the board, within the most recent ten years. For the purposes of this subsection, a person shall be deemed to be convicted of a crime if he pleaded guilty or if he was found or adjudged guilty by a court of competent jurisdiction;

Only cases which have occurred within the most recent ten years shall be disclosed by the board to the public;

Dispositions of paid claims shall be reported in a minimum of three graduated categories indicating the level of significance of the award or settlement. Information concerning paid medical malpractice claims shall be put in context by comparing an individual licensee's medical malpractice judgment awards and settlements to the experience of other physicians within the same specialty. Information concerning all settlements shall be accompanied by the following statement: "Settlement of a claim may occur for a variety of reasons which do not necessarily reflect negatively on the professional competence or conduct of the physician. A payment in settlement of a medical malpractice action or claim should not be construed as creating a presumption that medical malpractice has occurred." Nothing herein shall be construed to limit or prevent the board from providing further explanatory information regarding the significance of categories in which settlements are reported.

Pending malpractice claims shall not be disclosed by the board to the public. Nothing herein shall be construed to prevent the board from investigating and disciplining a licensee on the basis of medical malpractice claims that are pending.

(g) names of medical schools and dates of graduation;

(h) graduate medical education;

(i) specialty board certification;

(j) number of years in practice;

A physician may elect to have his profile omit certain information provided pursuant to clauses (l) to (n), inclusive, concerning academic appointments and teaching responsibilities, publication in peer-reviewed journals and professional and community service awards. (12) **Sections 374.202 to 374.207, RSMo, relating to the examination powers of the director of insurance.**

2. Any association which was licensed pursuant to the provisions of sections 383.010 to 383.040 on or before January 1, 1992, shall be allowed until December 31, 1995, to comply with the provisions of this section as they relate to investments, reserves and reinsurance.

3. Any association licensed pursuant to the provisions of sections 383.010 to 383.040 shall file with its annual statement a certification by a fellow or an associate of the Casualty Actuarial Society. Such certification shall conform to the National Association of Insurance Commissioners annual statement instructions unless otherwise provided by the director of the department of insurance.

4. The director of the department of insurance shall have authority in accordance with section 374.045, RSMo, to make all reasonable rules and regulations to accomplish the purpose of sections 383.010 to 383.040, including the extent to which insurance provided by an association may be extended to provide payment to a covered person resulting from a specific illness possessed by such covered person; except that no rule or regulation may place limitations or restrictions on the amount of premium an association may write or on the amount of insurance or limit of liability an association may provide.

5. Other than as provided in this section, no other insurance law of the state of Missouri shall apply to an association licensed pursuant to the provisions of this chapter, unless such law shall expressly state it is applicable to such associations.

6. If, after August 28, 1992, and after its second full calendar year of operation, any association licensed under the provisions of sections 383.010 to 383.040 shall file an annual statement which shows a surplus as regards policyholders of less than zero dollars, or if the director of the department of insurance has other conclusive and credible evidence more recent than the last annual statement indicating the surplus as regards policyholders of an association is less than zero dollars, the director of the department of insurance may order such association to submit, within ninety days following such order, a voluntary plan under which the association will restore its surplus as regards policyholders to at least zero dollars. The director of the department of insurance may monitor the performance of the association's plan and may order modifications thereto, including assessments or rate or premium increases, if the association fails to meet any targets proposed in such plan for three consecutive quarters.

7. If the director of the department of insurance issues an order in accordance with subsection 6 of this section, the association may, in accordance with chapter 536, RSMo, file a petition for review of such order. Any association subject to an order issued in accordance with subsection 6 of this section shall be allowed a period of three years, or such longer period as the director may allow, to accomplish its plan to restore its surplus as regards policyholders to at least zero dollars. If at the end of the authorized period of time the association has failed to restore its surplus to at least zero dollars, or if the director of the department of insurance has ordered modifications of the voluntary plan and the association's surplus has failed to increase within three consecutive quarters after such modification, the director of the department of insurance may allow an additional time for the implementation of the voluntary plan or may exercise his powers to take charge of the association as he would a mutual casualty company pursuant to sections 375.1150 to 375.1246, RSMo. Sections 375.1150 to 375.1246, RSMo, shall apply to associations licensed pursuant to sections 383.010 to 383.040 only after the conditions set forth in this section are met. When the surplus as regards policyholders of an association subject to subsection 6 of this section has been restored to at least zero dollars, the authority and jurisdiction of the director of the department of insurance under subsections 6 and 7 of this section shall terminate, but this subsection may again thereafter apply to such association if the conditions set forth in subsection 6 of this section for its application are again satisfied.

8. Any association licensed pursuant to the provisions of sections 383.010 to 383.040 shall place on file with the director of the department of insurance, except as to excess liability risks which by general custom are not written according to manual rates or rating plans, a copy of every manual of classifications, rules, underwriting rules and rates, every rating plan and every modification of the foregoing which it uses. Filing with the director of the department of insurance within ten days after such manuals, rating plans or modifications thereof are effective shall be sufficient compliance with this subsection. Any rates, rating plans, rules, classifications or systems in effect or in use by an association on August 28, 1992, may continue to be used by the association. Upon written application of a member of an association, stating his reasons therefor, filed with the association, a rate in excess of that provided by a filing otherwise applicable may be used by the association for that member.

383.400. 1. As used in sections 383.400 to 383.407, the term “insurer” or “insurers” means any insurance company, mutual insurance company, medical malpractice association, any entity created under this chapter, or other entity providing any insurance to any health care provider, as defined in section 538.205, RSMo, practicing medicine in the state of Missouri, against claims for malpractice or professional negligence.

2. Notwithstanding any other provision of law, no insurer shall, with regards to medical malpractice insurance, as defined in section 383.150:

(1) Charge an assessment or surcharge, or increase the premium charges, by more than one thousand dollars for such insurance without first providing written notice by United States mail to the insured at least sixty days prior to the effective date of such actions;

(2) Fail or refuse to renew the aforesaid insurance without first providing written notice by United States mail to the insured at least sixty days prior to the effective date of such actions, unless such failure or refusal to renew is based upon a failure to pay sums due or a termination or suspension of the health care provider's license to practice medicine in the state of Missouri; or

(3) Cease the issuance of such policies of insurance in the state of Missouri without first providing written notice by United States mail to the insured and to the Missouri department of insurance at least one hundred eighty days prior to the effective date of such actions.

383.401. The Missouri department of insurance shall, prior to May 30, 2005, establish between twelve and twenty risk-reporting categories for medical malpractice insurance premiums, as defined in section 383.150, and shall establish regulations for the reporting of all premiums charged by such categories.

383.402. All insurers shall, with regards to medical malpractice insurance as defined in section 383.150, provide to the Missouri department of insurance, beginning on June 1, 2005, and not less than annually

thereafter, an accurate report as to the actual rates charged by such company for such insurance, for each of the risk-reporting categories established in section 383.401.

383.403. Not later than December 31, 2006, and at least annually thereafter, the Missouri department of insurance shall, utilizing the information provided pursuant to section 383.402 establish and publish, a market rate reflecting the median of the actual rates charged for each of the aforesaid risk-reporting categories for the preceding year.

383.404. After January 1, 2007, insurance premium rates charged by any insurer, with regards to medical malpractice insurance as defined in section 383.150, which are no greater than twenty percent higher, or twenty percent lower than the market rate established pursuant to section 383.403, shall be presumed to be reasonable.

383.405. After January 1, 2007, insurance premium rates charged by any insurer, with regards to medical malpractice insurance as defined in section 383.150, which are greater than twenty percent higher, or twenty percent lower than the market rate established pursuant to section 383.403, shall be presumed to be unreasonable.

383.406. 1. As used in this section, "director" means the director of the department of insurance.

2. If any insurer proposes to increase or decrease the premium rates so that they are presumed to be unreasonable under section 383.405 for medical malpractice insurance as defined in section 383.150, the insurer shall notify the director in writing at least sixty days prior to the effective date of the proposed premium rate change. The notice shall include a detailed description of the proposed premium rate change, actuarial justification for the premium rate change, and such other information as the director may prescribe by rule.

3. Within ten days of receipt of the notice from the insurer, the director shall set a date for a hearing on the proposed premium rate change and shall publish notice of the hearing. The date set for the hearing shall be within thirty days after receipt of the notice from the insurer. The director shall provide a copy of any information filed by the insurer under subsection 2 of this section to any person making a written request for such information. The hearing may, at the director's discretion, be a public hearing.

4. At the hearing, the insurer may provide additional information in support of its proposed premium rate change, and any member of the public may provide information in support of or in opposition to the proposed premium rate change.

5. Within twenty days after the close of the hearing, the director shall review all of the information submitted and determine whether the proposed premium rate change is justified. No rate shall be considered justified that is excessive, inadequate, or unfairly discriminatory. If the director determines that the rate is justified, the director shall issue an order authorizing the insurer to use the premium rate as proposed. If the director determines that the rate is not justified, the director shall issue an order prohibiting the use of the premium rate as proposed. The insurer may appeal the order under chapter 536, RSMo.

383.407. 1. If the director finds that any insurer or filing organization has violated any provision of sections 383.400 to 383.406, the director may impose a penalty of not more than five hundred dollars for each violation, but if the director finds the violation to be willful, the director may impose a penalty of not more than five thousand dollars for each violation. Such penalties may be in addition to any other penalty provided by law.

2. The director may suspend the license of any rating organization or insurer that fails to comply with an order of the director relating to sections 383.400 to 383.406 within the time limited by such order, or any extension thereof which the director may grant. The director shall not suspend the license of any rating organization or insurer for failure to comply with an order until the time prescribed for an appeal therefrom has expired or if an appeal has been taken, until the order has been affirmed. The director may determine when a suspension of license shall become effective and it shall remain in effect for a period fixed by the director, unless the director modifies or rescinds such suspension or until the order upon which such suspension is based is modified, rescinded, or reversed.

3. No penalty shall be imposed or no license shall be suspended or revoked except upon a written order of the director, stating the director's findings, made after a hearing held upon not less than ten days' written notice to such person or organization specifying the alleged violation."'; and

JOURNAL OF THE HOUSE

Second Regular Session, 92nd GENERAL ASSEMBLY

FIFTIETH DAY, TUESDAY, APRIL 13, 2004

The House met pursuant to adjournment.

Speaker Hanaway in the Chair.

Prayer by Reverend Donald W. Lammers.

Holy Lord, our God, we praise and thank You for holidays, which give us extra time with our families, time to rest, and time to think.

Lord of Spring, working in our world, You call forth new life everywhere. Every one of us saw it as we traveled here today. You lead us into harmony with nature, bringing Spring into our lives, and new life into our Spring.

We have stepped out of the Spring weather into our place of work. Lord God, keep the vitality of Spring alive in us, as we move into this season of our work. Important issues are before us; significant decisions are to be made. Give us the virtue of listening to one another, the discipline to do the homework needed, the wisdom to discern the truth, and the courage to stand always for what is right.

We pray to You, our God, for ever and ever. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Vaneta Lee, Emily Cunningham, Trisha Counce, Daniela Daniels, Larisha Jones, Kristi Buchanan and Chad Day.

The Journal of the forty-ninth day was approved as printed.

JOURNAL OF THE HOUSE

Second Regular Session, 92nd GENERAL ASSEMBLY

FIFTY-FIRST DAY, WEDNESDAY, APRIL 14, 2004

The House met pursuant to adjournment.

Speaker Hanaway in the Chair.

Prayer by Reverend James Earl Jackson.

Heavenly Father, it is written, "A nation without God's guidance is a nation without order. Happy are those who keep God's law!" Stir up, in us, confidence in Your Word that we may indeed be guided by it and dwell in peace.

Even when answers are not immediately forthcoming, we rest in the hope that today is the day of divine wisdom, understanding, and insight.

Protect us from the hypnotic hum of activities that make the eyes of our heart grow heavy and uncaring. We receive from Your abundant and unlimited resources.

And now unto You be glory both now and forever....

In the name of Your Son we pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Drew Vines, Josh Baehr, Drew Glick, Mitchell Brems, Tanner McKay, Jerry Hudgens, Jr., Kasey Hudgens, Chris Becherer, Caroline Marshak, Steven Krost, Charity McMurray, Allison Dyer, Cassie Van Bebber, Bryan Moon, Sierra Simmons and Taylor Simmons.

The Journal of the fiftieth day was approved as printed.

SPECIAL RECOGNITION

Senate Amendment No. 2

AMEND Senate Substitute No. 2 for Senate Substitute for Senate Committee Substitute for House Substitute for House Committee Substitute for House Bill No. 1304, Page 1, In the Title, Line 6, by said title, by inserting immediately after the word "thereof" the following:

“, with an emergency clause for certain sections”; and

Further amend said bill and page, Section A, Line 7 of said page, by inserting immediately after said line the following:

“135.163. 1. For all tax years beginning on or after January 1, 2005, in order to encourage the retention of physicians and other health care providers in this state, an eligible taxpayer shall be allowed a credit not to exceed fifteen thousand dollars per eligible taxpayer against the tax otherwise due pursuant to chapter 143, RSMo, not including sections 143.191 to 143.265, RSMo, in an amount equal to fifteen percent of the increase in amount paid by an eligible taxpayer for medical malpractice insurance premiums in the aggregate from one policy period to the next immediate policy period. For purposes of this section, the base policy period for calculation of the credit shall be the medical malpractice insurance policy in effect on August 28, 2004.

2. The tax credit allowed by this section shall be claimed by the taxpayer at the time such taxpayer files a return. Any amount of tax credit which exceeds the tax due shall be carried over to any of the next five subsequent taxable years, but shall not be refunded and shall not be transferable.

3. The director of the department of insurance and the director of the department of revenue shall jointly administer the tax credit authorized by this section. The director of the department of insurance shall enact procedures to verify the amount of the allowable credit and shall issue a certificate to each eligible taxpayer that certifies the amount of the allowable credit. Both the director of the department of insurance and the director of the department of revenue are authorized to promulgate rules and regulations necessary to administer the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2004, shall be invalid and void.

4. The tax credits issued pursuant to this section shall not exceed a total for all tax credits issued of fifteen million dollars per fiscal year.”; and

Further amend said bill, Page 2, Section 355.176, Line 14 of said page, by inserting immediately after said line the following:

“379.316. 1. Section 379.017 and sections 379.316 to 379.361 apply to insurance companies incorporated pursuant to sections 379.035 to 379.355, section 379.080, sections 379.060 to 379.075, sections 379.085 to 379.095, sections 379.205 to 379.310, and to insurance companies of a similar type incorporated pursuant to the laws of any other state of the United States, and alien insurers licensed to do business in this state, which transact fire and allied lines, marine and inland marine insurance, to any and all combinations of the foregoing or parts thereof, and to the combination of fire insurance with other types of insurance within one policy form at a single premium, on risks or operations in this state, except:

- (1) Reinsurance, other than joint reinsurance to the extent stated in section 379.331;**
- (2) Insurance of vessels or craft, their cargoes, marine builders' risks, marine protection and indemnity, or other risks commonly insured pursuant to marine, as distinguished from inland marine, insurance policies;**
- (3) Insurance against loss or damage to aircraft;**
- (4) All forms of motor vehicle insurance; and**
- (5) All forms of life, accident and health, [and] workers' compensation insurance, and medical malpractice liability insurance.**

2. Inland marine insurance shall be deemed to include insurance now or hereafter defined by statute, or by interpretation thereof, or if not so defined or interpreted, by ruling of the director, or as established by general custom of the business, as inland marine insurance.

3. Commercial property and commercial casualty insurance policies are subject to rate and form filing requirements as provided in section 379.321.

383.112. Any insurer or self-insured health care provider that fails to timely report claims information as required by sections 383.100 to 383.125 shall be subject to the provisions of section 374.215, RSMo.

383.150. As used in sections 383.150 to 383.195, the following terms shall mean:

(1) “Association” [means], the joint underwriting association established pursuant to the provisions of sections 383.150 to 383.195;

(2) **“Competitive bidding process”, a process under which the director seeks, and insurers may submit, rates at which insurers guarantee to provide medical malpractice liability insurance to any health care provider unable to obtain such insurance in the voluntary market;**

(3) “Director” [means], the director of the department of insurance;

[(3)] (4) “Health care provider” includes physicians, dentists, clinical psychologists, pharmacists, optometrists, podiatrists, registered nurses, physicians' assistants, chiropractors, physical therapists, nurse anesthetists, anesthetists, emergency medical technicians, hospitals, nursing homes and extended care facilities; but shall not include any nursing service or nursing facility conducted by and for those who rely upon treatment by spiritual means alone in accordance with the creed or tenets of any well-recognized church or religious denomination;

[(4)] (5) “Medical malpractice insurance” [means], insurance coverage against the legal liability of the insured and against loss, damage, or expense incident to a claim arising out of the death or injury of any person as a result of the negligence or malpractice in rendering professional service by any health care provider;

[(5)] (6) “Net direct premiums” [means], gross direct premiums written on casualty insurance in the state of Missouri by companies authorized to write casualty insurance under chapter 379, RSMo 1969, in the state of Missouri, less return premiums thereon and dividends paid or credited to policyholders on such direct business.

383.151. When the department determines after a public hearing that medical malpractice liability insurance is not reasonably available for health care providers in the voluntary market, the director shall establish a method for providing such insurance to such health care providers. The director may:

(1) Establish a competitive bidding process under which insurers may submit rates at which they agree to insure such health care providers; or

(2) Establish any other method reasonably designed to provide insurance to such health care providers.

383.200. 1. As used in sections 383.200 to 383.225, the following terms mean:

(1) “Director”, the same meaning as such term is defined in section 383.100;

(2) “Health care provider”, the same meaning as such term is defined in section 383.100;

(3) “Insurer”, an insurance company licensed in this state to write liability insurance, as described in section 379.010, RSMo;

(4) “Medical malpractice insurance”, the same meaning as such term is defined in section 383.200.

2. The following standards and procedures shall apply to the making and use of rates pertaining to all classes of medical malpractice insurance:

(1) Rates shall not be excessive, inadequate, or unfairly discriminatory. A rate is excessive if it is unreasonably high for the insurance provided. A rate is inadequate if it is unreasonably low for the insurance provided and continued use of it would endanger the solvency of the company. A rate is unfairly discriminatory if it does not reflect equitably differences in reasonably expected losses and expenses;

(2) (a) Every insurer that desires to increase a rate by less than fifteen percent shall file such rate, along with data supporting the rate change as prescribed by the director, no later than thirty days after such rate becomes effective. Filings under this paragraph shall not be subject to approval or disapproval by the director.

(b) Every insurer that desires to increase a rate by fifteen percent or more shall submit a complete rate application to the director. A complete rate application shall include all data supporting the proposed rate and such other information as the director may require. The applicant shall have the burden of proving that the requested rate change is justified and meets the requirements of this act.

(c) Every insurer that has filed a rate increase under paragraph (a) of this subdivision for two consecutive years and in the third year desires to file a rate increase which in the aggregate over the three-year period will equal or exceed a total rate increase of forty percent or more shall be required to submit a complete rate application under paragraph (b) of this subdivision.

(d) Every insurer that has not filed or had a rate increase approved for three consecutive years may file a rate increase in the fourth year in an amount not to exceed a twenty-five percent increase without being required to submit a complete rate application under paragraph (b) of this subdivision;

(3) The director of insurance shall promulgate rules setting forth standards that insurers shall adhere to in calculating their rates. Such rules shall:

(a) Establish a range within which an expected rate of return shall be presumed reasonable;

(b) Establish a range within which categories of expenses shall be presumed reasonable;

(c) Establish a range for the number of years of experience an insurer may consider in determining an appropriate loss development factor;

(d) Establish a range for the number of years of experience an insurer may consider in determining an appropriate trend factor;

(e) Establish a range for the number of years of experience an insurer may consider in determining an appropriate increased limits factor;

(f) Establish the proper weights to be given to different years of experience;

(g) Establish the extent to which an insurer may apply its subjective judgment in projecting past cost data into the future;

(h) Establish any other standard deemed reasonable and appropriate by the director;

(4) The director shall require an insurer to submit with any rate change application:

(a) A comparison, in a form prescribed by the director, between the insurer's initial projected incurred losses and its ultimate incurred losses for the eight most recent policy years for which such data is available;

(b) A memorandum explaining the methodology the insurer has used to reflect the total investment income it reasonably expects to earn on all its assets during the period the proposed rate is to be in effect. The director shall disapprove any rate application that does not fully reflect all such income;

(5) The director shall notify the public of any application from an insurer seeking a rate increase of fifteen percent or more, and shall hold a hearing on such application within forty-five days of such notice. The application shall be deemed approved ninety days after such notice unless it is disapproved by the director after the hearing;

(6) If after a hearing the director finds any rate of an insurer to be excessive, the director may order that the insurer discontinue the use of the rate and that the insurer refund the excessive portion of the rate to any policyholder who has paid such rate. The director shall not be required to find that a reasonable degree of competition does not exist to find a rate excessive.

3. For insurers required to file pursuant to paragraph (b) of subdivision (2) of subsection 2 of this section, if there is insufficient experience within the state of Missouri upon which a rate can be based with respect to the classification to which such rate is applicable, the director may approve a rate increase that considers experiences within any other state or states which have a similar cost of claim and frequency of claim experience as this state. If there is insufficient experience within Missouri or any other states which have similar cost of claim and frequency of claim experience as Missouri, nationwide experience may be considered. The insurer in its rate increase filing shall expressly show the rate experience it is using.

4. All information provided to the director under this section shall be available for public inspection.

5. The remedies set forth in this chapter shall be in addition to any other remedies available under statutory or common law.

6. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2004, shall be invalid and void.

383.205. For all medical malpractice insurance policies written for insureds in the state of Missouri, the ratio between the base rate of the highest-rated specialty and the base rate of the lowest-rated specialty shall be no more than a ratio of six-to-one.

383.210. In determining the premium paid by any health care provider, a medical malpractice insurer shall apply a credit or debit based on the provider's loss experience, or shall establish an alternative method giving due consideration to the provider's loss experience. The insurer shall include a schedule of all such credits and debits, or a description of such alternative method in all filings it makes with the director of insurance. No medical malpractice insurer may use any rate or charge any premiums unless it has filed such schedule or alternative method with the director of insurance and the director has approved such schedule or alternative method. A debit shall be based only on those claims that have been paid on behalf of the provider.

383.215. On or before March first of each year, every insurer providing medical malpractice insurance to a health care provider shall file the following information with the director of insurance:

383.220. 1. On or before July 1, 2005, and after consultation with the medical malpractice insurance industry, the director shall establish an interactive Internet site which will enable any health care provider

licensed in this state to obtain a quote from each medical malpractice insurer licensed to write the type of coverage sought by the provider.

2. The Internet site shall enable health care providers to complete an online form that captures a comprehensive set of information sufficient to generate a quote for each insurer. The director shall develop transmission software components which allow such information to be formatted for delivery to each medical malpractice insurer based on the requirements of the computer system of the insurer.

3. The director shall integrate the rating criteria of each insurer into its online form after consultation with each insurer using one of the following methods:

- (1) Developing a customized interface with the insurer's own rating engine;
- (2) Accessing a third-party rating engine of the insurer's choice;
- (3) Loading the insurer's rating information into a rating engine operated by the director;
- (4) Any other method agreed on between the director and the insurer.

4. After a health care provider completes the online form, the provider will be presented with quotes from each medical malpractice insurer licensed to write the coverage requested by the provider.

5. Quotes provided on the Internet site shall at all times be accurate. When an insurer changes its rates, such rate changes shall be implemented at the Internet site by the director, in consultation with the insurer, as soon as practicable but in no event later than ten days after such changes take effect. During any period in which an insurer has changed its rates but the director has not yet implemented such changed rates on the Internet site, quotes for that insurer shall not be obtainable at the Internet site.

6. The director shall design the Internet site to incorporate user-friendly formats and self-help guideline materials, and shall develop a user-friendly Internet user-interface.

7. The Internet site shall also provide contact information, including address and telephone number, for each medical malpractice insurer for which a provider obtains a quote at the Internet site.

8. By December 31, 2005, the director shall submit a report to the general assembly on the development, implementation, and affects of the Internet site established by this section. The report shall be based on:

(1) The director's consultation with health care providers, medical malpractice insurers, and other interested parties; and

(2) The director's analysis of other information available to the director, including a description of the director's views concerning the extent to which the information provided through the Internet site has contributed to increasing the availability of medical malpractice insurance and the effect the Internet site has had on the cost of medical malpractice insurance.

383.225. Each insurer shall file with the director of insurance new manuals of classifications, rules, underwriting rules, rates, rate plans and modifications, policy forms and other forms to which such rates are applied, that reflect the savings, if any, attributable to each provision of this act.

383.230. Insurers writing medical malpractice insurance shall provide insured health care providers with written notice of any increase in renewal premium rates at least ninety days prior to the date of the renewal. At a minimum, the notice shall be sent by first class mail at least ninety days prior to the date of renewal and shall contain the insured's name, the policy number for the coverage being renewed, the total premium amount being charged for the current policy term, and the total premium amount being charged to renew the coverage.

- (3) "Company", the Missouri physicians mutual insurance company.

383.610. The "Missouri Physicians Mutual Insurance Company" is created as an independent public corporation for the purpose of insuring Missouri physicians and their employees and their business against liability for professional negligence and other casualty losses. The company shall be organized and operated as a domestic mutual insurance company and it shall not be a state agency. The company shall have the powers granted a general not-for-profit corporation pursuant to section 355.131, RSMo. The company shall be a member of the Missouri property and casualty guaranty association, sections 375.771 to 375.799, RSMo, and as such will be subject to assessments therefrom, and the members of such association shall bear responsibility in the event of the insolvency of the company. The company shall be established pursuant to the provisions of sections 383.600 to 383.655. "135.215. 1. Improvements made to "real property" as such term is defined in section 137.010, RSMo, which are made in an enterprise zone subsequent to the date such zone or expansion thereto was designated, may upon approval of an authorizing resolution by the governing authority having jurisdiction of the area in which the improvements are made, be exempt, in whole or in part, from assessment and payment of ad valorem taxes of one or more affected political subdivisions, provided that, except as to the exemption allowed under subsection 3 of this section, at least fifty new jobs that provide an average of at least thirty-five hours of employment per week per job are created and maintained at the new or expanded facility. A copy of the resolution shall be provided the director within thirty calendar days following adoption of the resolution by the governing authority.

JOURNAL OF THE HOUSE

Second Regular Session, 92nd GENERAL ASSEMBLY

FIFTY-SECOND DAY, THURSDAY, APRIL 15, 2004

The House met pursuant to adjournment.

Speaker Hanaway in the Chair.

Prayer by Representative Betty L. Thompson.

I thank God for another day, a day that you and I have never seen before. But a day that will make us a little bit better. We ask the Lord to bless each person gathered in this Assembly. Bless each of our legislators, families, and bless the people we serve. God, help us while we're here that we may effectively help the people we serve. As we vote on issues that affect all people, give us the courage, strength, hope, faith and good will to fight for those things that are right. I ask that You continue to shower Your many blessings upon the many people that have traveled across this state and beyond to help me celebrate Betty L. Thompson Day.

We are truly blessed to have with us this morning the son of the late Dr. Martin Luther King, Jr., Martin Luther King, III, the Vashon Basketball Champions and Coach Floyd Irons, Rev. Sterling Lands, III, of Austin, Texas, Captain Charles Alphin and attorney Michael Ross, of Atlanta, Georgia, and my Pastor and First Lady Rev. and Mrs. Harold Butler, my family, friends, and colleagues that I serve with in this House.

As my term rapidly comes to an end, and after 37 years of political and community service to people, I also ask that you continue to keep me in your prayers and also my fellow colleagues. Always remember God cares. If God cares for the little sparrow, you know He cares for you, so let's walk together children and don't get weary. There's a great day coming in the Promised Land. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Austin Reed, Ryan Shippy, Calla Marsh, Dima Zayets, Tom Dowell, Ashley Grindstaff, Maggie Hilliard, Nicole Lieb, Danielle Zaner, Taylor Burns, Andrea Sumpter, Dane Bonnarens, Laura Kirchoff, Austin Willingham, Lindsey Herberger, Lerena Nelson, Jordan Ripley, Sydney Heck, Kelsay Clement, Sidney Turner, Brady Miller, Ashley Fleil, Jonathan Robertson, Tyson Miller, Lindsey Hicks, Ben Hurst, Dallas Hurst, Taylor Hurst, Jessica Rolf, Ashley Kelly and Kyle Marcolla.

The Journal of the fifty-first day was approved as corrected.

JOURNAL OF THE HOUSE

Second Regular Session, 92nd GENERAL ASSEMBLY

FIFTY-THIRD DAY, MONDAY, APRIL 19, 2004

The House met pursuant to adjournment.

Representative Schlottach in the Chair.

Prayer by Reverend James Earl Jackson.

Heavenly Father, we are instructed this afternoon by Your Word, which says, "A man's pride will bring him low, but the humble in spirit will retain honor." Therefore, in response to Your Word, we humble ourselves under Your mighty hand, that at the proper time You may exalt us. We cast the whole of today's cares, worries, and anxieties upon You; forever thankful that You care for us.

We count on Your gifts of love, grace and mercy, and a sense of significance in life to draw us towards fulfillment of purpose. May we make each moment count. Help us to leap the hurdles of today's race that we may finish our course.

To You be the glory, both now and forever.

In the name of Your Son we pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the fifty-second day was approved as corrected.

JOURNAL OF THE HOUSE

Second Regular Session, 92nd GENERAL ASSEMBLY

FIFTY-FOURTH DAY, TUESDAY, APRIL 20, 2004

The House met pursuant to adjournment.

Speaker Hanaway in the Chair.

Prayer by Reverend Donald W. Lammers.

"To You our praise is due, O God.
You care for the earth, give it water.....
You drench its furrows,
You level it, soften it with showers,
You bless its growth." (*Psalms 65:1, 10 & 11*)

Lord our God, as You bless the land with gentle showers this morning, bless us with Your grace that we may honor You with the integrity of our work today.

We give thanks that we are able to work in a safe environment. With Your mantle of protection, preserve from harm those who work amid great danger, in war zones or other places where their life is on the line. We know the names of many; some are our loved ones.

We reach agreements and decisions by discussion, debate and voting. O God, wherever there is warfare, raise up leaders who are able to reach agreements through negotiation and without violence and killing.

We pray to You, our God, forever and ever. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Shelby Hobbs, Laura Hitchens, Adam Hitchens, Nathan Kuhl, Ryan Kuhl, Tim Dale, Nancy Mueller, Kara Reuther, Will Bruin, Jesse Taylor, Josh Taylor, Jacob Taylor, Maija Suzanne Steinberg, Ann Elizabeth Rothove, Elliott Danahy, Dillon Hutcherson, Lanie Hyatt, Chelsea Shepard, Andy Scheppers and Anthony Verslues.

JOURNAL OF THE HOUSE

Second Regular Session, 92nd GENERAL ASSEMBLY

FIFTY-FIFTH DAY, WEDNESDAY, APRIL 21, 2004

The House met pursuant to adjournment.

Speaker Hanaway in the Chair.

Prayer by Reverend James Earl Jackson.

Heavenly Father, it is written, "God keeps every promise He makes. He is like a shield for all who seek His protection." Be a shield for us today as we seek Your protection. Protect us from falsehood and pride. Protect us from extremism as well as apathy. Protect us from self-doubt as well as total self-reliance.

May we look to You in simple dependence upon Your grace: The grace to withstand criticism and the grace to withhold it.

May our hearts remain open to You as our emotions, intellect and will are harmonized to accomplish today's tasks.

And now unto You be glory both now and forever...

In the name of Your Son we pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Olga Constantinova, Sona Gabrielyan, Taissiya Petrucheny, Stephen Wedekind, Carly Kurka, Nathan Huckaby, Sarah Agee and Madeleine Sutherland.

JOURNAL OF THE HOUSE

Second Regular Session, 92nd GENERAL ASSEMBLY

FIFTY-SIXTH DAY, THURSDAY, APRIL 22, 2004

The House met pursuant to adjournment.

Speaker Hanaway in the Chair.

Prayer by Reverend Donald W. Lammers.

"The Lord is the earth and its fullness; the world and those who dwell in it." (*Psalms 24:1*)

Holy Lord, our God, on Earth Day we remember Your plan that we live in harmony with the earth, with nature and with all people as our neighbors.

We wish to show our respect for You, the Creator, by our care for creation. May Your Holy Spirit guide us in our personal lives and in our professional lives to do our part in the protection and the care of the earth.

O Lord, that seems easier than living in harmony with all other people on earth, making them our neighbors. May we never lose hope! Rather, by Your grace, may we and all other leaders make decisions that bring us closer and closer to living with all other people as neighbors.

We pray to You who are our God, forever and ever. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Bryan Page, Brittany Sanders, Eric Isringhaus, Elizabeth Dreyer, Daniel Pfeffer, Breana O'Brien, John Meyers, Nick Powell, Melissa Beutenmiller, Joseph Clark, Micah Marshall and Zane Coleman.

(d) Disregard regulations governing direction of movement or turning in specified directions;

JOURNAL OF THE HOUSE

Second Regular Session, 92nd GENERAL ASSEMBLY

FIFTY-SEVENTH DAY, MONDAY, APRIL 26, 2004

The House met pursuant to adjournment.

Speaker Hanaway in the Chair.

Prayer by Reverend James Earl Jackson.

Heavenly Father, Your Word instructs us to open our mouths with skillful and godly wisdom which gives way to the law of kindness which freely gives counsel and instruction. May our work today and throughout this week be counsel and instruction to future generations for years to come.

May Your strength and dignity clothe us today and may we keep our hand fixed to the plow of consistent service.

Help us to put aside, in this session, preconceived ideas, but allow us to proceed with great expectation of good things to come.

And now unto You be glory both now and forever.....

In the name of Your Son we pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Trenton Bainbridge.

The Journal of the fifty-sixth day was approved as corrected.

Prayer by Reverend Donald W. Lammers.

Lord our God, this Spring, people up and down the Missouri River are celebrating our blessings, blessings which reach back 200 years to the expedition of Lewis and Clark. We thank You for those blessings in the name of all the people of our State.

Within these Chambers we have reached the hard work of the last weeks of the 2004 Session of this body. We pray for ourselves.

Lord,
may everything we do
begin with Your inspiration
and continue with Your help,
so that all our prayers and works
may begin in You
and by You be happily ended.
Glory and praise to You,
forever and ever.
Amen.

AMEND House Substitute for House Bill No. 1339, Section 188.080, Page 7, Line 19 of said page, by inserting after all of said line the following:

“188.180. 1. The attending physician who is to perform or induce an abortion or a referring physician, or other qualified agent of either physician under the physician's supervision to whom the responsibility has been delegated by the physician, including but not limited to a nurse, physician assistant, or social worker, shall provide geographically indexed educational materials prepared pursuant to section 188.185 that are designed to inform the woman of alternatives to abortion agencies and alternatives to abortion services. The physician or the qualified agent of the physician actually providing such materials shall sign, and shall cause the patient to sign after receiving such materials, a written statement certifying that such materials have been delivered to and received by the patient. If the patient chooses to proceed with the abortion, all such executed statements shall be maintained as part of the patient's medical file, subject to the confidentiality laws and rules of this state.

2. The attending physician shall allow the patient twenty-four hours, prior to performing or inducing the abortion, for the patient to assimilate and consider the information regarding alternatives to abortion and to make a decision whether to proceed with the abortion or to carry her unborn child to term.

3. The physician shall be civilly liable to the patient and any other person sustaining loss, injury, or damages caused by the failure to comply with the provisions of this section. A court can enter any other appropriate relief, including injunctive relief, in order to prevent violations of this section. A physician who has been found to have violated the provisions of this section, whether or not damages are awarded, or who settles any claim or cause of action based upon the physician's violation of this section, shall be subject to discipline of the physician's license, certificate, or permit to practice medicine.

188.185. 1. The department shall develop geographically indexed educational materials, including but not limited to brochures and other media, about positive options during pregnancy and alternatives to abortion, including but not limited to the following:

(1) Alternatives to abortion agencies;

(2) Alternatives to abortion services and other services available to mothers of newborn children offered either directly by the state or its political subdivisions or by contractors with the state or its political subdivisions, or by private community-based programs, such services that include but are not limited to: prenatal care; medical and mental health care; parenting skills; drug and alcohol testing and treatment; child care; newborn or infant care; housing; utilities; educational services; food, clothing, and supplies relating to pregnancy, newborn care, and parenting; adoption assistance; job training and placement; establishing and promoting responsible paternity; domestic abuse protection; and transportation.

3. The materials shall include a comprehensive list of the agencies providing such alternatives to abortion services and other services, a description of the services offered by each agency, and the addresses and telephone numbers of each agency. The list shall not include any agency which performs, induces, or refers for abortion or which holds itself out as performing, inducing, or referring for abortions. The following statement shall be prominently placed within such materials: "There are many public and private agencies willing and able to help you to carry your child to term, and to assist you and your child after your child is born, whether you choose to keep your child or place him or her for adoption. The State of Missouri strongly urges you to contact these agencies before making a final decision about abortion. State law requires that your physician or his or her agent give you the opportunity to contact agencies like these before you undergo an abortion."

4. The department shall publicly solicit alternatives to abortion agencies and other public and private agencies providing alternatives to abortion services to provide information to the commission about the agency and the services rendered by the agency. The commission may utilize already existing lists of agencies providing alternatives to abortion services within the state in preparing the materials required by this section, including information collected pursuant to the adoption awareness law, section 191.975, RSMo.

5. The materials shall be distributed by the department to family planning clinics, abortion facilities, hospitals where abortions are performed or induced, and physicians who perform or induce abortions; provided, however, that if necessary to preserve the confidentiality of abortion facilities, hospitals where abortions are performed or induced, or physicians who perform or induce abortions, the department shall distribute such materials on behalf of the commission. Such materials shall also be available to the public through the commission's Internet web site."; and

MESSAGE FROM THE SENATE

Madam Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted **HCS SB 1080, as amended**, and has taken up and passed **HCS SB 1080, as amended**.

MESSAGE FROM THE GOVERNOR

April 27, 2004

TO THE CHIEF CLERK OF THE
HOUSE OF REPRESENTATIVES
SECOND REGULAR SESSION
92nd GENERAL ASSEMBLY
STATE OF MISSOURI

Herewith I return to you Conference Committee Substitute for Senate Substitute No. 2 for Senate Substitute for Senate Committee Substitute for House Substitute for House Committee Substitute for House Bill No. 1304 entitled:

AN ACT

To repeal sections 355.176, 408.040, 508.010, 508.040, 508.070, 508.120, 510.263, 516.105, 537.035, 537.067, 538.205, 538.210, 538.220, and 538.225, RSMo, and to enact in lieu thereof sixteen new sections relating to claims for damages and the payment thereof.

I disapprove of Conference Committee Substitute for Senate Substitute No. 2 for Senate Substitute for Senate Committee Substitute for House Substitute for House Committee Substitute for House Bill No. 1304. As I stated last year in my veto of SB 280, if HB 1304 were signed into law, it would represent a fundamental shift of civil procedural burdens from the tortfeasor to the injured party. While HB 1304 does address some legitimate medical malpractice concerns such as reversing the *Scott* decision, it fails to sufficiently and fairly balance the interests of injured parties and defendants in all other types of personal injury cases. The majority of its provisions would create inappropriately high barriers for legitimate claims of injury. My reasons for disapproval are as follows:

I. HB 1304 does not include medical liability insurance reform.

I have repeatedly called on the General Assembly to address medical liability insurance reform in a meaningful manner. HB 1304 fails to do that. Real insurance reform would include at a minimum: (a) adoption of the California system, ensuring the public can examine and comment upon large malpractice rate increases and that the state can block them; (b) easing the current hardships that physicians face in obtaining coverage by allowing them to electronically apply for insurance policies with every writer in the state at no cost; and (c) requiring insurers to give physicians and other healthcare providers reasonable notice about rate increases and nonrenewals so that they can make arrangements for alternative coverage.

II. HB 1304 goes far beyond addressing the rising costs of medical liability premiums.

I have stated from the beginning of this debate that I will only consider a bill that is limited to medical malpractice liability reform. The General Assembly presents HB 1304 as a solution to the rising costs of medical malpractice insurance premiums, but its heart and soul are five provisions that would unfairly benefit all tortfeasors, not merely health care providers. The provisions of the bill concerning joint and several liability, collateral source, venue, pre- and post-judgment interest, and punitive damages combine to impose draconian restrictions on the legal rights of legitimate plaintiffs. The principal beneficiaries of these restrictions would not be doctors, but large corporate interests seeking to protect their bottom line at the expense of injured plaintiffs.

To cite but one example of the excesses of this bill, HB 1304 would make Missouri's venue law the most one-sided in the nation. Historically, it has been viewed as the right of the injured party to choose the venue within prescribed rules. Defendants then have the ability to make limited challenges to the site of venue. Under HB 1304, for injuries occurring within the State of Missouri venue would be limited to the judicial circuit where the injury occurred. This choice for venue is extraordinary in that the location of the injury may have no connection to the convenience of either the plaintiff or defendant. For example, a Kirksville resident injured

in Joplin would be required to litigate the claim in Joplin, even if the tortfeasor were also a Kirksville resident. To further confuse the issue, venue for out-of-state injuries under this bill would be determined based on residency. By treating in-state and out-of-state injuries differently, the General Assembly has created a substantial constitutional question as to equal protection.

III. HB 1304 would increase lawsuits against health care providers.

The likely result of this bill, if it became law, is perverse: more doctors becoming defendants in more lawsuits. HB 1304 limits recovery of non-economic damages to four hundred thousand dollars, regardless of the number of defendants. While I support limiting non-economic damages, HB 1304 foolishly applies the caps to any other party that is a defendant in a lawsuit brought against a healthcare provider or that is a defendant in any lawsuit that arises out of the rendering of or failure to render healthcare services. This provision clearly encourages corporate defendants to bring third-party lawsuits against health care providers. When a non-medical defendant is sued, it is in the best interest of that defendant, if at all possible, to bring a cross claim against a health care provider. By drawing a healthcare provider into a suit, the limitation caps would apply to the non-health care provider as well. An example of this would be if a semi-tractor trailer were involved in an accident with an auto. If the auto driver is injured and is given medical attention at a nearby hospital, it is in the best interest of the trucking company to claim that at least part of the driver's injuries were caused by negligent health care at the hospital. By drawing the health care provider in the suit through a cross claim, the trucking company can potentially enjoy the cap limitations.

IV. Missouri needs to take more meaningful steps to solve the medical insurance crisis.

The legislature has failed to act on insurance reform or real medical liability reform for over a year, and continues that failure with this bill. My administration has been taking extraordinary steps to help physicians obtain necessary coverage at the most affordable rates available and we will continue to do so.

The Missouri Department of Insurance (MDI) is expediting the licensing of qualified new insurers. Missouri has licensed nine new insurers to write coverage for physicians and surgeons - an unusual influx of insurers into this market, which has serious difficulties attracting investment and expanding nationwide.

Today, ten companies officially report to MDI that they are actively writing new Missouri physicians who apply, up from five in January 2003. Another large hospital chain's "captive" insurer is just beginning to write private doctors who are "on staff" at its facilities, but not directly employed.

MDI has determined that physicians in some specialties cannot obtain coverage without grave difficulties, and state insurance Director Scott Lakin activated the Missouri Medical Malpractice Joint Underwriting Association to begin writing policies. The JUA expects to make that coverage available for any physician in the June 2004 renewal cycle.

I also established a 15-member Commission on Patient Safety, which is to report its recommendations by July 1 on how to reduce the rate of bad outcomes and medical errors in the state.

Finally, much of physicians' consternation about medical malpractice rates involves the squeeze on doctors between rising insurance costs and flat or declining income, particularly because they have agreed to steep insurance company discounts to their services. Many HMOs and other insurers have failed to make timely payments to physicians. I signed into law in 2002 a "prompt pay" law, and MDI began fining violators up to \$100,000 each in 2003. Another eight such exams are almost completed. Such fines and ongoing exams have sent a warning signal to other insurers and HMOs that the state will act unless they pay physicians promptly, as required by Missouri law.

While these measures are important, they should not obscure the central fact: this legislature has consistently failed to pass real medical liability reform and meaningful insurance reform. Instead, they have passed a politically-motivated gift to corporate interests that is more likely to harm the health care community than provide any relief.

For all of the above-stated reasons for disapproval, I am returning Conference Committee Substitute for Senate Substitute No. 2 for Senate Substitute for Senate Committee Substitute for House Substitute for House Committee Substitute for House Bill No. 1304 without my approval.

Respectfully submitted,
/s/ Bob Holden
Governor

JOURNAL OF THE HOUSE

Second Regular Session, 92nd GENERAL ASSEMBLY

SIXTIETH DAY, THURSDAY, APRIL 29, 2004

The House met pursuant to adjournment.

Speaker Hanaway in the Chair.

Prayer by Reverend Donald W. Lammers.

Holy God, You are the Creator of all; You created mankind in Your image and likeness, and gave mankind dominion over all else that You created.

O Lord, our work is a work of dominion, of caring for our State and its people. In these last weeks of this 2004 Session, give us the ability to do what is best for our State. In decision-making, show us how to protect the basic human rights of all the people: food, clothing, shelter, education, access to healthcare.

By Your grace may we share the reverence and respect You have for every human life and for every person. As we go about our work, give us the ability to plan and negotiate until we provide help for those who are truly unable to provide for themselves.

Give us the wisdom to be effective in calling those who are able to responsibly provide for their own families and of assisting their neighbors in need, through taxation and in direct care.

We pray to You who are our God forever and ever. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Adam Stenshoel, Justin Rychlewski, Lucas Miederhoff, Samantha Rosner, Hunter Shantz, Ben Koch, Brooke Evans, Gunnar Knudtson, Lacey Morrison, Morgan Morrison, Tanner Cornelius Chrisler, Rebecca Pfleger Dowd, Emily Laur Beck, Caleb Charles Parker, Paige Catherine Allen, Jackson Spencer Andre, Erik John Morr, Anna Christina Yates, Ryan Keller, Taylor Davis, Kassidie Lawrence, Quentin Nichols, Kainan Deprow, Christopher Scott, Jennifer Scott, Kenneth Roller, Whitney Roller, Wendy Swaringin, Cearra Williams, Lauren Law, Chris Smith, Ashley Freeman, Megan Henry and Matt Tille.

Madam Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted:

SENATE SUBSTITUTE FOR SENATE CONCURRENT RESOLUTION NO. 47

WHEREAS, Missouri has a long tradition of providing funding for multimodal transportation services; and

WHEREAS, multimodal transportation services are a tool for economic development, mobility and congestion relief; and

WHEREAS, Missouri citizens directly benefit from multimodal transportation services; and

WHEREAS, recent state budget woes have forced personnel cuts, the elimination of promotional funds, and the implementation of a \$5 ticket surcharge to supplement insufficient state appropriations for passenger rail services; and

WHEREAS, other multimodal transportation services, such as MetroLink and OATS, face financial shortfalls during tight budgetary times; and

WHEREAS, mass transit systems are looking into fare increases in order to balance their budgets; and

WHEREAS, total state multimodal program funding for aviation, passenger rail, waterways, and transit has decreased from approximately \$25 million in fiscal year 2000 to \$16 million in fiscal year 2004; and

WHEREAS, there is a strong desire to stabilize and improve multimodal transportation services in Missouri in order to alleviate and enhance the mobility of people, goods, and freight; and

WHEREAS, according to the U.S. Department of Transportation, a multimodal transportation approach offers the promise of:

1. Lowering overall transportation costs by allowing each mode to be used for the portion of the trip to which it is best suited;
2. Increasing economic productivity and efficiency, thereby enhancing the nation's global competitiveness;
3. Reducing congestion and the burden on overstressed infrastructure components;
4. Generating higher returns from public and private infrastructure investments;
5. Improving mobility for the elderly, disabled, isolated, and economically disadvantaged; and
6. Reducing energy consumption and contributing to improved air quality and environmental conditions.

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-Second General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby establish the "Joint Interim Committee on Multimodal Transportation Services"; and

BE IT FURTHER RESOLVED that the joint interim committee herein established shall consist of five members of the Senate appointed by the President Pro Tem of the Senate, of which at least two shall be members of the minority party; and five members of the House of Representatives, appointed by the Speaker of the House of Representatives, of which at least two shall be members of the minority party; and

BE IT FURTHER RESOLVED that the Committee shall make a comprehensive analysis of Missouri's multimodal transportation services and shall:

- (1) Create a long-term vision for state supported multimodal transportation services in Missouri;
- (2) Formulate multimodal transportation policies and strategies that will place Missouri in a proactive position with regard to Missouri's future transportation challenges and opportunities;
- (3) Explore how Missouri can better regulate and connect the various modes of transportation into a united system;
- (4) Provide recommendations of how to reduce dependence on state general revenue support by increasing efficiencies, exploring dedicated funding sources, and by establishing local community support requirements;
- (5) Provide recommendations of how to establish public/private partnerships with railroads to complete infrastructure improvements that will reduce track congestion and improve on-time performance of trains;
- (6) Provide recommendations of how to increase utilization of multimodal services through the stabilization of services, increased promotional efforts, and service improvements; and
- (7) Review and explore any other issues the Committee deems relevant to the issue of improving multimodal transportation services; and

BE IT FURTHER RESOLVED that the Committee be authorized to hold hearings as it deems advisable, and may solicit any input or information necessary to fulfill its obligations; and

BE IT FURTHER RESOLVED that the staffs of House Research, Senate Research, and the Joint Committee on Legislative Research shall provide such legal, research, clerical, technical, and bill drafting services as the Committee may require in the performance of its duties; and

BE IT FURTHER RESOLVED that the Committee, its members, and any staff personnel assigned to the Committee shall receive reimbursement for their actual and necessary expenses incurred in attending meetings of the Committee or any subcommittee thereof; and

BE IT FURTHER RESOLVED that the appointed members of the joint interim committee be appointed by June 1, 2004; and

JOURNAL OF THE HOUSE

Second Regular Session, 92nd GENERAL ASSEMBLY

SIXTY-FIRST DAY, MONDAY, MAY 3, 2004

The House met pursuant to adjournment.

Representative Nieves in the Chair.

Prayer by Reverend James Earl Jackson.

Heavenly Father, this question is asked in Your Word, "Why do the nations rage? Why do the people waste their time with futile plans?" May this not be true with us. May our plans be devised wisely and bear fruit rather than be hastily devised and ineffective.

Guide us through the remaining days of this Session into careful planning that we might have sufficiency in the coming years. Continue to direct us from the stagnant pool of past ideas to the watercourse of inspired thought.

May our work today be concise and productive: a joy to behold.

And now may Your grace rest and abide with us all....

In the name of Your Son we pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the sixtieth day was approved as corrected.

THIRD READING OF SENATE BILL

SB 932, relating to employment, was taken up by Representative Wilson (130).

Representative Wilson (130) offered **HS SB 932**.

Representative Hunter offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Substitute for Senate Bill No. 932, Page 55, Section 287.957, Line 25 of said page, by inserting after all of said line the following:

"288.050. 1. Notwithstanding the other provisions of this law, a claimant shall be disqualified for waiting week credit or benefits until after the claimant has earned wages for work insured pursuant to the unemployment compensation laws of any state equal to ten times the claimant's weekly benefit amount if the deputy finds:

(1) That the claimant has left work voluntarily without good cause attributable to such work or to the claimant's employer; except that the claimant shall not be disqualified:

(a) If the deputy finds the claimant quit such work for the purpose of accepting a more remunerative job which the claimant did accept and earn some wages therein;

(b) If the claimant quit temporary work to return to such claimant's regular employer; or

(c) If the deputy finds the individual quit work, which would have been determined not suitable in accordance with paragraphs (a) and (b) of subdivision (3) of this subsection, within twenty-eight calendar days of the first day worked; or

(d) As to initial claims filed after December 31, 1988, if the claimant presents evidence supported by competent medical proof that she was forced to leave her work because of pregnancy, notified her employer of such necessity as soon as practical under the circumstances, and returned to that employer and offered her services to that employer as soon as she was physically able to return to work, as certified by a licensed and practicing physician, but in no event later than ninety days after the termination of the pregnancy. An employee shall have been employed for at least one year with the same employer before she may be provided benefits pursuant to the provisions of this paragraph;

(2) That the claimant has retired pursuant to the terms of a labor agreement between the claimant's employer and a union duly elected by the employees as their official representative or in accordance with an established policy of the claimant's employer; or

(3) That the claimant failed without good cause either to apply for available suitable work when so directed by the deputy, or to accept suitable work when offered the claimant, either through the division or directly by an employer by whom the individual was formerly employed, or to return to the individual's customary self-employment, if any, when so directed by the deputy.

(a) In determining whether or not any work is suitable for an individual, the division shall consider, among other factors and in addition to those enumerated in paragraph (b) of this subdivision, the degree of risk involved to the individual's health, safety and morals, the individual's physical fitness and prior training, the individual's experience and prior earnings, the individual's length of unemployment, the individual's prospects for securing work in the individual's customary occupation, the distance of available work from the individual's residence and the individual's prospect of obtaining local work; except that, if an individual has moved from the locality in which the individual actually resided when such individual was last employed to a place where there is less probability of the individual's employment at such individual's usual type of work and which is more distant from or otherwise less accessible to the community in which the individual was last employed, work offered by the individual's most recent employer if similar to that which such individual performed in such individual's last employment and at wages, hours, and working conditions which are substantially similar to those prevailing for similar work in such community, or any work which the individual is capable of performing at the wages prevailing for such work in the locality to which the individual has moved, if not hazardous to such individual's health, safety or morals, shall be deemed suitable for the individual;

(b) Notwithstanding any other provisions of this law, no work shall be deemed suitable and benefits shall not be denied pursuant to this law to any otherwise eligible individual for refusing to accept new work under any of the following conditions:

a. If the position offered is vacant due directly to a strike, lockout, or other labor dispute;

b. If the wages, hours, or other conditions of the work offered are substantially less favorable to the individual than those prevailing for similar work in the locality;

c. If as a condition of being employed the individual would be required to join a company union or to resign from or refrain from joining any bona fide labor organization.

2. [Notwithstanding the other provisions of this law,] If a deputy finds that a claimant has been discharged for misconduct connected with the claimant's work, such claimant[, depending upon the seriousness of the misconduct as determined by the deputy according to the circumstances in each case,] shall be disqualified for waiting week credit or benefits [for not less than four nor more than sixteen weeks for which the claimant claims benefits and is otherwise eligible], **and no benefits shall be paid nor shall the cost of any benefits be charged against any employer for any**

period of employment within the base period until the claimant has earned wages for work insured under the unemployment laws of this state or any other state as prescribed in this section. In addition to the disqualification for benefits pursuant to this provision the division may in the more aggravated cases of misconduct, cancel all or any part of the individual's wage credits, which were established through the individual's employment by the employer who discharged such individual, according to the seriousness of the misconduct. A disqualification provided for pursuant to this subsection shall not apply to any week which occurs after the claimant has earned wages for work insured pursuant to the unemployment compensation laws of any state in an amount equal to eight times the claimant's weekly benefit amount. **Should a claimant be disqualified on a second or subsequent occasion within the base period or subsequent to the base period the claimant shall be required to earn wages in an amount equal to or in excess of eight times the claimant's weekly benefit amount for each disqualification, such additionally required wages shall run consecutively.**

3. [A pattern of] Absenteeism or tardiness may constitute misconduct regardless of whether the last incident alone [which results] **resulting** in the discharge constitutes misconduct.

4. Notwithstanding the provisions of subsection 1 of this section, a claimant may not be determined to be disqualified for benefits because the claimant is in training approved pursuant to section 236 of the Trade Act of 1974, as amended, (19 U.S.C.A. Sec. 2296, as amended), or because the claimant left work which was not "suitable employment" to enter such training. For the purposes of this subsection "suitable employment" means, with respect to a worker, work of a substantially equal or higher skill level than the worker's past adversely affected employment, and wages for such work at not less than eighty percent of the worker's average weekly wage as determined for the purposes of the Trade Act of 1974."; and

Further amend said title, enacting clause and intersectional references accordingly.

Representative Wilson (130) offered House Substitute Amendment No. 1 for House Amendment No. 1.

2. In conducting such an inspection or risk assessment, a representative of the department, or representative of a unit of local government or health department licensed by the department for this purpose, may remove samples necessary for laboratory analysis in the determination of the presence of a lead-bearing substance or lead hazard in the designated dwelling or child-occupied facility.

The director shall issue a written decision within thirty days of the date of the hearing. Any final decision of the director may be appealed to the administrative hearing commission as provided in chapter 621, RSMo. Any decision of the administrative hearing commission may be appealed as provided in sections 536.100 to 536.140, RSMo.

(3) “Director” [means], the director of the department of insurance;

[(3)] (4) “Health care provider” includes physicians, dentists, clinical psychologists, pharmacists, optometrists, podiatrists, registered nurses, physicians' assistants, chiropractors, physical therapists, nurse anesthetists, anesthetists, emergency medical technicians, hospitals, nursing homes and extended care facilities; but shall not include any nursing service or nursing facility conducted by and for those who rely upon treatment by spiritual means alone in accordance with the creed or tenets of any well-recognized church or religious denomination;

When the department determines after a public hearing that medical malpractice liability insurance is not reasonably available for health care providers in the voluntary market, the director shall establish a method for providing such insurance to such health care providers. The director may:

(1) Establish a competitive bidding process under which insurers may submit rates at which they agree to insure such health care providers; or

(2) Establish any other method reasonably designed to provide insurance to such health care providers.

383.200. 1. As used in sections 383.200 to 383.225, the following terms mean:

(1) “Director”, the same meaning as such term is defined in section 383.100;

(4) “Medical malpractice insurance”, the same meaning as such term is defined in section 383.200.

2. The following standards and procedures shall apply to the making and use of rates pertaining to all classes of medical malpractice insurance:

(1) Rates shall not be excessive, inadequate, or unfairly discriminatory. A rate is excessive if it is unreasonably high for the insurance provided. A rate is inadequate if it is unreasonably low for the insurance provided and continued use of it would endanger the solvency of the company. A rate is unfairly discriminatory if it does not reflect equitably differences in reasonably expected losses and expenses;

(2) (a) Every insurer that desires to increase a rate by less than fifteen percent shall file such rate, along with data supporting the rate change as prescribed by the director, no later than thirty days after such rate becomes effective. Filings under this paragraph shall not be subject to approval or disapproval by the director.

(b) Every insurer that desires to increase a rate by fifteen percent or more shall submit a complete rate application to the director. A complete rate application shall include all data supporting the proposed rate and such other information as the director may require. The applicant shall have the burden of proving that the requested rate change is justified and meets the requirements of this act. No insurer that is required to file an application pursuant to this paragraph shall increase the subject rate until a rate increase has been approved pursuant to subsection 2 or 3 of this section.

(c) Every insurer that has filed a rate increase under paragraph (a) of this subdivision for two consecutive years and in the third year desires to file a rate increase which in the aggregate over the three-year period will equal or exceed a total rate increase of forty percent or more shall be required to submit a complete rate application under paragraph (b) of this subdivision.

(d) Every insurer that has not filed or had a rate increase approved for three consecutive years may file a rate increase in the fourth year in an amount not to exceed a twenty-five percent increase without being required to submit a complete rate application under paragraph (b) of this subdivision;

(3) The director of insurance shall promulgate rules setting forth standards that insurers shall adhere to in calculating their rates. Such rules shall:

- (a) Establish a range within which an expected rate of return shall be presumed reasonable;
- (b) Establish a range within which categories of expenses shall be presumed reasonable;
- (c) Establish a range for the number of years of experience an insurer may consider in determining an appropriate loss development factor;
- (d) Establish a range for the number of years of experience an insurer may consider in determining an appropriate trend factor;
- (e) Establish a range for the number of years of experience an insurer may consider in determining an appropriate increased limits factor;
- (f) Establish the proper weights to be given to different years of experience;
- (g) Establish the extent to which an insurer may apply its subjective judgment in projecting past cost data into the future;

(h) Establish any other standard deemed reasonable and appropriate by the director;

(4) The director shall require an insurer to submit with any rate change application:

(a) A comparison, in a form prescribed by the director, between the insurer's initial projected incurred losses and its ultimate incurred losses for the eight most recent policy years for which such data is available;

(b) A memorandum explaining the methodology the insurer has used to reflect the total investment income it reasonably expects to earn on all its assets during the period the proposed rate is to be in effect. The director shall disapprove any rate application that does not fully reflect all such income;

(5) The director shall notify the public of any application from an insurer seeking a rate increase of fifteen percent or more, and shall hold a hearing on such application within forty-five days of such notice. The application shall be deemed approved ninety days after such notice unless it is disapproved by the director after the hearing;

(6) If after a hearing the director finds any rate of an insurer to be excessive, the director may order that the insurer discontinue the use of the rate and that the insurer refund the excessive portion of the rate to any policyholder who has paid such rate. The director shall not be required to find that a reasonable degree of competition does not exist to find a rate excessive.

3. For insurers required to file pursuant to paragraph (b) of subdivision (2) of subsection 2 of this section, if there is insufficient experience within the state of Missouri upon which a rate can be based with respect to the classification to which such rate is applicable, the director may approve a rate increase that considers experiences within any other state or states which have a similar cost of claim and frequency of claim experience as this state. If there is insufficient experience within Missouri or any other states which have similar cost of claim and frequency of claim experience as Missouri, nationwide experience may be considered. The insurer in its rate increase filing shall expressly show the rate experience it is using.

4. All information provided to the director under this section shall be available for public inspection.

5. The remedies set forth in this chapter shall be in addition to any other remedies available under statutory or common law.

6. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2004, shall be invalid and void.

383.205. For all medical malpractice insurance policies written for insureds in the state of Missouri, the ratio between the base rate of the highest-rated specialty and the base rate of the lowest-rated specialty shall be no more than a ratio of six-to-one.

383.210. In determining the premium paid by any health care provider, a medical malpractice insurer shall apply a credit or debit based on the provider's loss experience, or shall establish an alternative method giving due consideration to the provider's loss experience. The insurer shall include a schedule of all such credits and debits, or a description of such alternative method in all filings it makes with the director of insurance. No

medical malpractice insurer may use any rate or charge any premiums unless it has filed such schedule or alternative method with the director of insurance and the director has approved such schedule or alternative method. A debit shall be based only on those claims that have been paid on behalf of the provider.

383.215. On or before March first of each year, every insurer providing medical malpractice insurance to a health care provider shall file the following information with the director of insurance:

(1) Information on closed claims:

The state legislature shall place such moneys in a special fund under the supervision of the Missouri state treasurer called the "Physicians Mutual Insurance Company Loan Fund" in the appropriations for the appropriate fiscal year. The board of the company shall make application to the treasurer for the loans, stating the amount to be loaned to the company. The loans shall be for a term of ten years and, at the time the application for such loans is approved by the director, shall bear interest at the annual rate based on the rate for linked deposit loans as calculated by the state treasurer pursuant to section 30.758, RSMo.

3. In order to provide funds for the creation, continued development, and operation of the company, the board is authorized to issue revenue bonds from time to time, in a principal amount outstanding not to exceed fifty million dollars at any given time, payable solely from premiums received from insurance policies and other revenues generated by the company.

7. The proceeds of the bonds and the earnings of those proceeds shall be used by the board for the development and operation of the Missouri Physicians Mutual Insurance Company, to pay expenses incurred in the preparation, issuance, and sale of the bonds and to pay any obligations relating to the bonds and the proceeds of the bonds under the United States Internal Revenue Code of 1986, as amended.

8. The bonds may be sold at a public sale or a private sale. If the bonds are sold at a public sale, the notice of sale and other procedures for the sale shall be determined by the administrator or the company.

9. This section is full authority for the issuance and sale of the bonds and the bonds shall not be invalid for any irregularity or defect in the proceedings for their issuance and sale and shall be incontestable in the hands of bona fide purchasers or holders of the bonds for value.

10. An amount of money from the sources specified in subsection 3 of this section sufficient to pay the principal of and any interest on the bonds as they become due each year shall be set aside and is hereby pledged for the payment of the principal and interest on the bonds.

11. The bonds shall be legal investment for any person or board charged with the investment of public funds and may be accepted as security for any deposit of public money, and the bonds and interest thereon are exempt from taxation by the state and any political subdivision or agency of the state.

3. The administrator shall annually submit to the board for its approval an estimated budget of the entire expense of administering the company for the succeeding calendar year having due regard to the business interests and contract obligations of the company.

4. The incurred loss experience and expense of the company shall be ascertained each year to include, but not be limited to, estimates of outstanding liabilities for claims reported to the company but not yet paid and liabilities for claims arising from injuries which have occurred but have not yet been reported to the company. If there is an excess of assets over liabilities, necessary reserves and a reasonable surplus for the catastrophe hazard, then a cash dividend may be declared or a credit allowed to an insured policyholder, who has been insured with the company in accordance with criteria approved by the board, which may account for insured's record and claims history.

5. The department of insurance shall conduct an examination for the company in the manner and under the conditions provided by the statutes of the insurance code for the examination of insurance carriers. The board shall pay the cost of the examination as an expense of the company. The company is subject to all provisions of the statutes which relate to private insurance carriers and to the jurisdiction of the department of insurance in the same manner as private insurance carriers, except as provided by the director.

6. For the purpose of ascertaining such information as the administrator may require in the proper administration of the company, the records of each policyholder and insured of the company shall be always open to inspection by the administrator or the administrator's duly authorized agent or representative.

7. Every person provided insurance coverage by the company, upon complying with the underwriting standards adopted by the company, and upon completing the application form prescribed by the company, shall be furnished with a policy showing the date on which the insurance becomes effective.”; and

Speaker Hanaway in the Chair.

Prayer by Reverend Donald W. Lammers.

O God, You are the Father of all who are willing to be Your sons and daughters. Thank You for inviting and calling us to live in family relationship with You.

We, one and all, thank You for our family at home. Our family is our most precious asset; You have willed it so. You have established the family as the basic cell of human society. Give us Your understanding of healthy family life. Give us Your understanding of marriage; You have made it the foundation for family life.

Help us to do our part in developing policies and laws that help families to stay together and that reward responsibility and sacrifice for children.

We pray for those who have traveled away from their families in the service of our country. Keep them safe and bring them home soon to their loved ones.

We pray to You who are our God forever and ever. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Patrick Whalen, Brent Stump, Miranda Waddell, Allison Ericson, Megan Ohroeke, Weston Wood, Glenn Petty, Taylor Huhmann, Eddie Humphries, Tanner Hansuld, Hannah Steele, Marcus Taylor, Stephanie Whelan, Brody Zink and Nicholas Argint.

The Journal of the sixty-first day was approved as corrected.

MESSAGE FROM THE SENATE

Madam Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **SS HS HCS HB 978**, entitled:

An act to repeal section 536.010, RSMo, and to enact in lieu thereof six new sections relating to small businesses.

With Senate Amendment No. 1 and Senate Amendment No. 2.

Senate Amendment No. 1

AMEND Senate Substitute for House Substitute for House Committee Substitute for House Bill No. 978, Page 10, Section 536.325, Line 8 of said page, by inserting after all of said line the following:

“Section 1. 1. Effective one hundred eighty days from the effective date of this act, every liquefied petroleum gas supplier registered to do business in Missouri in accordance with section 323.060, RSMo, and every broker or wholesale supplier of propane to a residential, commercial, or agricultural end-user shall demonstrate the ability to respond in damages for personal injury or property damages. The minimum amount of financial responsibility shall be in the amount of one million dollars per occurrence with an annual aggregate of one million dollars.

2. A liquefied petroleum gas supplier may use either of the following mechanisms to demonstrate financial responsibility required in subsection 1 of this section:

(1) A liquefied petroleum gas supplier may elect to provide a signed affidavit in accordance with regulations promulgated by the department of agriculture certifying that such company has and will maintain financial responsibility during the period of registration. The affidavit shall state clearly: “Any false affidavit is a crime under section 575.050 of Missouri law.”;

(2) A liquefied petroleum gas supplier may obtain liability insurance as an endorsement to an existing policy or as a separate policy from a qualified insurer or risk retention group. Each insurance policy shall be issued by an insurer or risk retention group that is licensed to transact the business of insurance or eligible to provide insurance as an excess or surplus lines insurer in one or more states. The supplier's certificate of insurance must be made available upon request by the department.

3. A liquefied petroleum gas supplier who is unable to demonstrate the level of financial responsibility required in subsections 1 or 2 of this section upon request of the department shall be prohibited from filling containers until such proof is provided and is acceptable to the department, except as hereby provided.

4. In the event a registered propane supplier is non-renewed by its insurance carrier, the supplier shall have a maximum of one hundred twenty days to secure suitable coverage in order to qualify to fill containers.

5. Propane suppliers registered in accordance with section 323.060, RSMo, and in compliance with the provisions of subsection 1 of this section shall not be held liable for damages in excess of the limits of this provision by any court action or jury decision rendered as long as this provision remains in effect.”; and

Further amend the title and enacting clause accordingly.

AMEND Senate Committee Substitute for House Committee Substitute for House Bill No. 1040 and House Committee Substitute for House Bill No. 1041, Page 45, Section 169.322, Line 71, by inserting immediately after said line the following:

“169.560. 1. Any person retired and currently receiving a retirement allowance pursuant to sections 169.010 to 169.141, other than for disability, may be employed in any capacity in a district included in the retirement system created by those sections on either a part-time or temporary-substitute basis not to exceed a total of five hundred fifty hours in any one school year, and through such employment may earn up to fifty percent of the annual compensation payable under the employing district's salary schedule for the position or positions filled by the retiree, given such person's level of experience and education, without a discontinuance of the person's retirement allowance. If the employing school district does not utilize a salary schedule, or if the position in question is not subject to the employing district's salary schedule, a retiree employed in accordance with the provisions of this [section] subsection may earn up to fifty percent of the annual compensation paid to the person or persons who last held such position or positions. If the position or positions did not previously exist, the compensation limit shall be determined in accordance with rules duly adopted by the board of trustees of the retirement system; provided that, it shall not exceed fifty percent of the annual

compensation payable for the position in the employing school district that is most comparable to the position filled by the retiree. In any case where a retiree fills more than one position during the school year, the fifty-percent limit on permitted earning shall be based solely on the annual compensation of the highest paid position occupied by the retiree for at least one-fifth of the total hours worked during the year. Such a person shall not contribute to the retirement system or to the nonteacher school employee retirement system established by sections 169.600 to 169.715 because of earnings during such period of employment. If such a person is employed in any capacity by such a district on a regular, full-time basis, the person shall not be eligible to receive the person's retirement allowance for any month during which the person is so employed and shall contribute to the retirement system.

2. Any person retired and currently receiving a retirement allowance pursuant to sections 169.010 to 169.141, other than for disability, may be employed in a district included in the retirement system created by those sections in a certified staff position paid on the regular teachers' salary schedule on either a part-time or temporary-substitute basis for more than five hundred fifty hours but not to exceed a total of eight hundred hours in any one school year, and through such employment may earn up to seventy-five percent of the annual compensation payable under the employing district's salary schedule for the position or positions filled by the retiree, given such person's level of experience and education, without a discontinuance of the person's retirement allowance. If the position or positions did not previously exist, the compensation limit shall be determined in accordance with rules duly adopted by the board of trustees of the retirement system; provided that, it shall not exceed seventy-five percent of the annual compensation payable for the position in the employing school district that is most comparable to the position filled by the retiree. In any case where a retiree fills more than one position during the school year, the seventy-five-percent limit on permitted earning shall be based solely on the annual compensation of the highest paid position occupied by the retiree for at least one-fifth of the total hours worked during the year. Such a person shall not contribute to the retirement system because of earnings during such period of employment, and the district shall contribute to the retirement system on the basis of such earnings at the percentage rate established pursuant to this chapter for full-time employees of the retirement system. Such a person shall not accrue service credit upon the basis of employment authorized pursuant to this subsection. If such a person is employed in any capacity by such a district on a regular, full-time basis, the person shall not be eligible to receive the person's retirement allowance for any month during which the person is so employed and shall contribute to the retirement system.”; and

Further amend the title and enacting clause accordingly.

Senate Amendment No. 3

“167.231. 1. Within all school districts except metropolitan districts the board of education shall provide transportation to and from school for all pupils living more than three and one-half miles from school and may provide transportation for all pupils. State aid for transportation shall be paid as provided in section 163.161, RSMo, only on the basis of the cost of pupil transportation for those pupils living one mile or more from school, including transportation provided to and from publicly operated university laboratory schools; **except that in districts which are no more than fifteen square miles in size, transportation costs for students who live less than one mile from their assigned school may be considered as reimbursable miles when the district can demonstrate that such students are required to cross a state highway, county arterial, or other major barrier that constitutes a safety problem.** The board of education may provide transportation for pupils living less than one mile from school **who do not face safety problems** at the expense of the district and may prescribe reasonable rules and regulations as to eligibility of pupils for transportation. If no increase in the tax levy of the school district is required to provide transportation for pupils living less than one mile from the school, the board may transport said pupils. If an increase in the tax levy of the school district is required to provide transportation for pupils living less than one mile from school, the board shall submit the question at a public election. If a two-thirds majority of the voters voting on the question at the election are in favor of providing the transportation, the board shall arrange and provide therefor.

2. The proposal and the ballots may be in substantially the following form:

Shall the board of education of the school district provide transportation at the expense of the district for pupils living less than one mile from school and be authorized to levy an additional tax of cents on the one hundred dollars assessed valuation to provide funds to pay for such transportation service?

☐ YES

☐ NO

(If you are in favor of the proposition (or question), place an X in the box opposite “YES”. If you are opposed to the proposition (or question), place an X in the box opposite “NO”.)

3. The board of education of any school district may provide transportation to and from school for any public school pupil not otherwise eligible for transportation under the provisions of state law, and may prescribe reasonable rules and regulations as to eligibility for transportation, if the parents or guardian of the pupil agree in writing to pay the actual cost of transporting the pupil. The minimum charge would be the actual cost of transporting the pupil for ninety school days, which actual cost is to be determined by the average per pupil cost of transporting children in the school district during the preceding school year. The full actual cost shall be paid by the parent or guardian of the pupil and shall not be paid out of any state school aid funds or out of any other revenues of the school district. The cost of transportation may be paid in installments, and the board of education shall establish the cost of the transportation and the time or times and method of payment.”; and

Further amend the title and enacting clause accordingly.

Senate Amendment No. 4

AMEND Senate Committee Substitute for House Committee Substitute for House Bill No. 1040 and House Committee Substitute for House Bill No. 1041, Page 4, Section 160.254, Line 42, by inserting immediately after said line the following:

“160.261. 1. The local board of education of each school district shall clearly establish a written policy of discipline, including the district's determination on the use of corporal punishment and the procedures in which punishment will be applied. A written copy of the district's discipline policy and corporal punishment procedures, if applicable, shall be provided to the pupil and parent or legal guardian of every pupil enrolled in the district at the beginning of each school year and also made available in the office of the superintendent of such district, during normal business hours, for public inspection. All employees of the district shall annually receive instruction related to the specific contents of the policy of discipline and any interpretations necessary to implement the provisions of the policy in the course of their duties, including but not limited to approved methods of dealing with acts of school violence, disciplining students with disabilities and instruction in the necessity and requirements for confidentiality.

2. The policy shall require school administrators to report acts of school violence to teachers and other school district employees with a need to know. For the purposes of this chapter or chapter 167, RSMo, “need to know” is defined as school personnel who are directly responsible for the student's education or who otherwise interact with the student on a professional basis while acting within the scope of their assigned duties. As used in this section, the phrase “act of school violence” or “violent behavior” means the exertion of physical force by a student with the intent to do serious physical injury as defined in subdivision (6) of section 565.002, RSMo, to another person while on school property, including a school bus in service on behalf of the district, or while involved in school activities. The policy shall at a minimum require school administrators to report, as soon as reasonably practical, to the appropriate law enforcement agency any of the following felonies, or any act which if committed by an adult would be one of the following felonies:

- (1) First degree murder under section 565.020, RSMo;
- (2) Second degree murder under section 565.021, RSMo;
- (3) Kidnapping under section 565.110, RSMo;
- (4) First degree assault under section 565.050, RSMo;
- (5) Forcible rape under section 566.030, RSMo;
- (6) Forcible sodomy under section 566.060, RSMo;
- (7) Burglary in the first degree under section 569.160, RSMo;
- (8) Burglary in the second degree under section 569.170, RSMo;
- (9) Robbery in the first degree under section 569.020, RSMo;

- (13) Voluntary manslaughter under section 565.023, RSMo;
- (14) Involuntary manslaughter under section 565.024, RSMo;
- (15) Second degree assault under section 565.060, RSMo;

- (16) Sexual assault under section 566.040, RSMo;
- (17) Felonious restraint under section 565.120, RSMo;
- (18) Property damage in the first degree under section 569.100, RSMo;
- (19) The possession of a weapon under chapter 571, RSMo;
- (20) Child molestation in the first degree pursuant to section 566.067, RSMo;
- (21) Deviate sexual assault pursuant to section 566.070, RSMo;
- (22) Sexual misconduct involving a child pursuant to section 566.083, RSMo; or
- (23) Sexual abuse pursuant to section 566.100, RSMo;

committed on school property, including but not limited to actions on any school bus in service on behalf of the district or while involved in school activities. The policy shall require that any portion of a student's individualized education program that is related to demonstrated or potentially violent behavior shall be provided to any teacher and other school district employees who are directly responsible for the student's education or who otherwise interact with the student on an educational basis while acting within the scope of their assigned duties. The policy shall also contain the consequences of failure to obey standards of conduct set by the local board of education, and the importance of the standards to the maintenance of an atmosphere where orderly learning is possible and encouraged.

3. The policy shall provide for a suspension for a period of not less than one year, or expulsion, for a student who is determined to have brought a weapon to school, including but not limited to the school playground or the school parking lot, brought a weapon on a school bus or brought a weapon to a school activity whether on or off of the school property in violation of district policy, except that:

- (1) The superintendent, or in a school district with no high school, the principal of the school which such child attends may modify such suspension on a case-by-case basis; and
- (2) This section shall not prevent the school district from providing educational services in an alternative setting to a student suspended under the provisions of this section.

4. For the purpose of this section, the term "weapon" shall mean a firearm as defined under 18 U.S.C. 921 and the following items, as defined in section 571.010, RSMo: a blackjack, a concealable firearm, an explosive weapon, a firearm, a firearm silencer, a gas gun, a knife, knuckles, a machine gun, a projectile weapon, a rifle, a shotgun, a spring gun or a switchblade knife; except that this section shall not be construed to prohibit a school board from adopting a policy to allow a Civil War reenactor to carry a Civil War era weapon on school property for educational purposes so long as the firearm is unloaded. The local board of education shall define weapon in the discipline policy. Such definition shall include the weapons defined in this subsection but may also include other weapons.

5. All school district personnel responsible for the care and supervision of students are authorized to hold every pupil strictly accountable for any disorderly conduct in school or on any property of the school, on any school bus going to or returning from school, during school-sponsored activities, or during intermission or recess periods.

6. Teachers and other authorized district personnel in public schools responsible for the care, supervision, and discipline of schoolchildren, including volunteers selected with reasonable care by the school district, shall not be civilly liable when acting in conformity with the established policy of discipline developed by each board under this section, or when reporting to his or her supervisor or other person as mandated by state law, acts of school violence or threatened acts of school violence, within the course and scope of the duties of the teacher, authorized district personnel or volunteer, when such individual is acting in conformity with the established policies developed by the board. Nothing in this section shall be construed to create a new cause of action against such school district, or to relieve the school district from liability for the negligent acts of such persons.

7. Each school board shall define in its discipline policy acts of violence and any other acts that constitute a serious violation of that policy. Acts of violence as defined by school boards shall include but not be limited to exertion of physical force by a student with the intent to do serious bodily harm to another person while on school property, including a school bus in service on behalf of the district, or while involved in school activities. School districts shall for each student enrolled in the school district compile and maintain records of any serious violation of the district's discipline policy. Such records shall be made available to teachers and other school district employees with a need to know while acting within the scope of their assigned duties, and shall be provided as required in section 167.020, RSMo, to any school district in which the student subsequently attempts to enroll.

8. Spanking, when administered by certificated personnel of a school district in a reasonable manner in accordance with the local board of education's written policy of discipline, is not abuse within the meaning of chapter 210, RSMo. The provisions of sections 210.110 to 210.165, RSMo, notwithstanding, the division of family services shall not have jurisdiction over or investigate any report of alleged child abuse arising out of or related to any spanking administered in a reasonable manner by any certificated school personnel pursuant to a written policy of discipline established by the board of education of the school district. Upon receipt of any reports of child abuse by the division

of family services pursuant to sections 210.110 to 210.165, RSMo, which allegedly involves personnel of a school district, the division of family services shall notify the superintendent of schools of the district or, if the person named in the alleged incident is the superintendent of schools, the president of the school board of the school district where the alleged incident occurred. If, after an initial investigation, the superintendent of schools or the president of the school board finds that the report involves an alleged incident of child abuse other than the administration of a spanking by certificated school personnel pursuant to a written policy of discipline or a report made for the sole purpose of harassing a public school employee, the superintendent of schools or the president of the school board shall immediately refer the matter back to the division of family services and take no further action. In all matters referred back to the division of family services, the division of family services shall treat the report in the same manner as other reports of alleged child abuse received by the division. If the report pertains to an alleged incident which arose out of or is related to a spanking administered by certificated personnel of a school district pursuant to a written policy of discipline or a report made for the sole purpose of harassing a public school employee, a notification of the reported child abuse shall be sent by the superintendent of schools or the president of the school board to the juvenile officer of the county in which the alleged incident occurred. The report shall be jointly investigated by the juvenile officer or a law enforcement officer designated by the juvenile officer and the superintendent of schools or, if the subject of the report is the superintendent of schools, by the juvenile officer or a law enforcement officer designated by the juvenile officer and the president of the school board or such president's designee. The investigation shall begin no later than forty-eight hours after notification from the division of family services is received, and shall consist of, but need not be limited to, interviewing and recording statements of the child and the child's parents or guardian within two working days after the start of the investigation, of the school district personnel allegedly involved in the report, and of any witnesses to the alleged incident. The juvenile officer or a law enforcement officer designated by the juvenile officer and the investigating school district personnel shall issue separate reports of their findings and recommendations after the conclusion of the investigation to the school board of the school district within seven days after receiving notice from the division of family services. The reports shall contain a statement of conclusion as to whether the report of alleged child abuse is substantiated or is unsubstantiated. The school board shall consider the separate reports and shall issue its findings and conclusions and the action to be taken, if any, within seven days after receiving the last of the two reports. The findings and conclusions shall be made in substantially the following form:

(1) The report of the alleged child abuse is unsubstantiated. The juvenile officer or a law enforcement officer designated by the juvenile officer and the investigating school board personnel agree that the evidence shows that no abuse occurred;

(2) The report of the alleged child abuse is substantiated. The juvenile officer or a law enforcement officer designated by the juvenile officer and the investigating school district personnel agree that the evidence is sufficient to support a finding that the alleged incident of child abuse did occur;

(3) The issue involved in the alleged incident of child abuse is unresolved. The juvenile officer or a law enforcement officer designated by the juvenile officer and the investigating school personnel are unable to agree on their findings and conclusions on the alleged incident.

9. The findings and conclusions of the school board shall be sent to the division of family services. If the findings and conclusions of the school board are that the report of the alleged child abuse is unsubstantiated, the investigation shall be terminated, the case closed, and no record shall be entered in the division of family services' central registry. If the findings and conclusions of the school board are that the report of the alleged child abuse is substantiated, the division of family services shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school district and shall include the information in the division's central registry. If the findings and conclusions of the school board are that the issue involved in the alleged incident of child abuse is unresolved, the division of family services shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school board, however, the incident and the names of the parties allegedly involved shall not be entered into the central registry of the division of family services unless and until the alleged child abuse is substantiated by a court of competent jurisdiction.

10. Any superintendent of schools, president of a school board or such person's designee or juvenile officer who knowingly falsifies any report of any matter pursuant to this section or who knowingly withholds any information relative to any investigation or report pursuant to this section is guilty of a class A misdemeanor.

11. In order to ensure the safety of all students, should a student be expelled for bringing a weapon to school, violent behavior, or for an act of school violence, that student shall not, for the purposes of the accreditation process of the Missouri school improvement plan, be considered a dropout or be included in the calculation of that district's educational persistence ratio.”; and

Further amend the title and enacting clause accordingly.

“unless the district has a shortage of superintendents, as determined by both the school district and the state board of education”.

Senate Amendment No. 7

AMEND Senate Committee Substitute for House Committee Substitute for House Bill No. 1040 and House Committee Substitute for House Bill No. 1041, Page 49, Section 209.321, Line 30, by inserting immediately after said line the following:

“210.145. 1. The division shall establish and maintain an information system operating at all times, capable of receiving and maintaining reports. This information system shall have the ability to receive reports over a single, statewide toll-free number. Such information system shall maintain the results of all investigations, family assessments and services, and other relevant information.

2. Upon receipt of a report, the division shall immediately communicate such report to its appropriate local office and any relevant information as may be contained in the information system. The local division staff shall determine, through the use of protocols developed by the division, whether an investigation or the family assessment and services approach should be used to respond to the allegation. The protocols developed by the division shall give priority to ensuring the well-being and safety of the child.

3. The local office shall contact the appropriate law enforcement agency immediately upon receipt of a report which division personnel determine merits an investigation, or, which, if true, would constitute a suspected violation of any of the following: section 565.020, 565.021, 565.023, 565.024 or 565.050, RSMo, if the victim is a child less than eighteen years of age, section 566.030 or 566.060, RSMo, if the victim is a child less than eighteen years of age, or other crime under chapter 566, RSMo, if the victim is a child less than eighteen years of age and the perpetrator is twenty-one years of age or older, section 567.050, RSMo, if the victim is a child less than eighteen years of age, section 568.020, 568.030, 568.045, 568.050, 568.060, 568.080, or 568.090, RSMo, section 573.025, 573.037 or 573.045, RSMo, or an attempt to commit any such crimes. The local office shall provide such agency with a detailed description of the report received. In such cases the local division office shall request the assistance of the local law enforcement agency in all aspects of the investigation of the complaint. The appropriate law enforcement agency shall either assist the division in the investigation or provide the division, within twenty-four hours, an explanation in writing detailing the reasons why it is unable to assist.

4. The local office of the division shall cause an investigation or family assessment and services approach to be initiated immediately or no later than within twenty-four hours of receipt of the report from the division, except in cases where the sole basis for the report is educational neglect. If the report indicates that educational neglect is the only complaint and there is no suspicion of other neglect or abuse, the investigation shall be initiated within seventy-two hours of receipt of the report. If the report indicates the child is in danger of serious physical harm or threat to life, an investigation shall include direct observation of the subject child within twenty-four hours of the receipt of the report. Local law enforcement shall take all necessary steps to facilitate such direct observation. If the parents of the child are not the alleged abusers, a parent of the child must be notified prior to the child being interviewed by the division. The division shall not meet with the child [at the child's school or child-care facility] **in any school building or child care facility building where abuse of such child is alleged to have occurred**. When the child is reported absent from the residence, the location and the well-being of the child shall be verified.

5. The director of the division shall name at least one chief investigator for each local division office, who shall direct the division response on any case involving a second or subsequent incident regarding the same subject child or perpetrator. The duties of a chief investigator shall include verification of direct observation of the subject child by the division and shall ensure information regarding the status of an investigation is provided to the public school district liaison. The public school district liaison shall develop protocol in conjunction with the chief investigator to ensure information regarding an investigation is shared with appropriate school personnel. The superintendent of each school district shall designate a specific person or persons to act as the public school district liaison. Should the subject child

attend a nonpublic school the chief investigator shall notify the school principal of the investigation. Upon notification of an investigation, all information received by the public school district liaison or the school shall be subject to the provisions of the federal Family Educational Rights and Privacy Act (FERPA), 20 U.S.C., Section 1232g, and federal rule 34 C.F.R., Part 99.

6. The investigation shall include but not be limited to the nature, extent, and cause of the abuse or neglect; the identity and age of the person responsible for the abuse or neglect; the names and conditions of other children in the home, if any; the home environment and the relationship of the subject child to the parents or other persons responsible for the child's care; any indication of incidents of physical violence against any other household or family member; and other pertinent data.

7. When a report has been made by a person required to report under section 210.115, the division shall contact the person who made such report within forty-eight hours of the receipt of the report in order to ensure that full information has been received and to obtain any additional information or medical records, or both, that may be pertinent.

8. Upon completion of the investigation, if the division suspects that the report was made maliciously or for the purpose of harassment, the division shall refer the report and any evidence of malice or harassment to the local prosecuting or circuit attorney.

9. Multidisciplinary teams shall be used whenever conducting the investigation as determined by the division in conjunction with local law enforcement. Multidisciplinary teams shall be used in providing protective or preventive social services, including the services of law enforcement, a liaison of the local public school, the juvenile officer, the juvenile court, and other agencies, both public and private.

10. If the appropriate local division personnel determine after an investigation has begun that completing an investigation is not appropriate, the division shall conduct a family assessment and services approach. The division shall provide written notification to local law enforcement prior to terminating any investigative process. The reason for the termination of the investigative process shall be documented in the record of the division and the written notification submitted to local law enforcement. Such notification shall not preclude nor prevent any investigation by law enforcement.

11. If the appropriate local division personnel determines to use a family assessment and services approach, the division shall:

(1) Assess any service needs of the family. The assessment of risk and service needs shall be based on information gathered from the family and other sources;

(2) Provide services which are voluntary and time-limited unless it is determined by the division based on the assessment of risk that there will be a high risk of abuse or neglect if the family refuses to accept the services. The division shall identify services for families where it is determined that the child is at high risk of future abuse or neglect. The division shall thoroughly document in the record its attempt to provide voluntary services and the reasons these services are important to reduce the risk of future abuse or neglect to the child. If the family continues to refuse voluntary services or the child needs to be protected, the division may commence an investigation;

(3) Commence an immediate investigation if at any time during the family assessment and services approach the division determines that an investigation, as delineated in sections 210.109 to 210.183, is required. The division staff who have conducted the assessment may remain involved in the provision of services to the child and family;

(4) Document at the time the case is closed, the outcome of the family assessment and services approach, any service provided and the removal of risk to the child, if it existed.

12. Within thirty days of an oral report of abuse or neglect, the local office shall update the information in the information system. The information system shall contain, at a minimum, the determination made by the division as a result of the investigation, identifying information on the subjects of the report, those responsible for the care of the subject child and other relevant dispositional information. The division shall complete all investigations within thirty days, unless good cause for the failure to complete the investigation is documented in the information system. If the investigation is not completed within thirty days, the information system shall be updated at regular intervals and upon the completion of the investigation. The information in the information system shall be updated to reflect any subsequent findings, including any changes to the findings based on an administrative or judicial hearing on the matter.

13. A person required to report under section 210.115 to the division shall be informed by the division of his right to obtain information concerning the disposition of his or her report. Such person shall receive, from the local office, if requested, information on the general disposition of his or her report. A person required to report to the division pursuant to section 210.115 may receive, if requested, findings and information concerning the case. Such release of information shall be at the discretion of the director based upon a review of the mandated reporter's ability to assist in protecting the child or the potential harm to the child or other children within the family. The local office shall respond

to the request within forty-five days. The findings shall be made available to the mandated reporter within five days of the outcome of the investigation.

14. In any judicial proceeding involving the custody of a child the fact that a report may have been made pursuant to sections 210.109 to 210.183 shall not be admissible. However, nothing in this subsection shall prohibit the introduction of evidence from independent sources to support the allegations that may have caused a report to have been made.

15. In any judicial proceeding involving the custody of a child where the court determines that the child is in need of services pursuant to subdivision (d) of subsection 1 of section 211.031, RSMo, and has taken jurisdiction, the child's parent, guardian or custodian shall not be entered into the registry.

16. The division of family services is hereby granted the authority to promulgate rules and regulations pursuant to the provisions of section 207.021, RSMo, and chapter 536, RSMo, to carry out the provisions of sections 210.109 to 210.183.

17. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2000, shall be invalid and void.”; and

Further amend said bill, Page 53, Section B, Line 2, by striking the second “and”; and

Further amend said line by inserting after “168.515” the following “**and 210.145**”; and

Further amend the title and enacting clause accordingly.

Senate Amendment No. 10

AMEND Senate Committee Substitute for House Committee Substitute for House Bill No. 1040 and House Committee Substitute for House Bill No. 1041, Page 53, Section 2, Line 5, by inserting immediately after said line the following:

(1) A current version of that district's policy manual and all related documents; and

(2) A current version of that district's handbook, or, if the district has more than one handbook, handbooks.”; and

Further amend the title and enacting clause accordingly.

JOURNAL OF THE HOUSE

Second Regular Session, 92nd GENERAL ASSEMBLY

SIXTY-THIRD DAY, WEDNESDAY, MAY 5, 2004

The House met pursuant to adjournment.

Speaker Hanaway in the Chair.

Prayer by Reverend James Earl Jackson.

You, O Lord, are always our shield from danger; You give us victory and restore our courage. We sleep and wake up refreshed because You, Lord, protect us. So we approach this day with renewed vigor, clear thought and uncanny perspective.

Be gracious to us and hear our prayer. Grant us Your blessed favor and wisdom. Encompass our actions today with common sense and assurances that what we do here help make life a little enjoyable for those we serve.

May we experience the joy of selfless service.

To You be the glory, both now and forever.

In the name of Your Son we pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: John Charles Edward Gaskin III, Andrew Baxley, Samantha Gravitt, Sara Murphy, Sean Kaelble, Jordan Sontheimer, Sadie Wilhite, Henry Winn and Letitia Grogg.

House Amendment No. 5

AMEND House Substitute for Senate Bill No. 932, Section 288.060, Page 58, Line 18, by inserting after said line the following:

"288.190. 1. The director shall designate an impartial referee or referees to hear and decide disputed determinations, claims referred pursuant to subsection 2 of section 288.070, and petitions for reassessment. No employee of the division shall participate on behalf of the division in any case in which the division employee is an interested party.

2. The manner in which disputed determinations, referred claims, and petitions for reassessment shall be presented and the conduct of hearings shall be in accordance with regulations prescribed by the division for determining the rights of the parties, whether or not such regulations conform to common law or statutory rules of evidence and other technical rules of procedure. When the same or substantially similar evidence is relevant and material to the matters in issue in claims by more than one individual or in claims by a single individual in respect to two or more weeks of unemployment, the same time and place for considering each such claim or claims may be fixed, hearings thereon jointly conducted, a single record of the proceedings made, and evidence introduced with respect to one proceeding considered as introduced in the others, if in the judgment of the appeals tribunal or the commission having jurisdiction of the proceeding such consolidation would not be prejudicial to any party. A full and complete record shall be kept of all proceedings in connection with a disputed determination, referred claim, or petition for reassessment. The appeals tribunal shall include in the record and consider as evidence all records of the division that are material to the issues. All testimony at any hearing shall be recorded but need not be transcribed unless the matter is further appealed.

3. Unless an appeal on a disputed determination or referred claim is withdrawn, an appeals tribunal, after affording the parties reasonable opportunity for fair hearing, shall affirm, modify, or reverse the determination of the deputy, or shall remand the matter to the deputy with directions. In addition, in any case wherein the appellant, after having been duly notified of the date, time, and place of the hearing, shall fail to appear at such hearing, the appeals tribunal may enter an order dismissing the appeal. The director may transfer to another appeals tribunal the proceedings

on an appeal determination before an appeals tribunal. The parties shall be duly notified of an appeals tribunal's decision or order, together with its reason therefor, which shall be deemed to be the final decision or order of the division unless, within thirty days after the date of notification or mailing of such decision, further appeal is initiated pursuant to section 288.200; except that, within thirty days of either notification or mailing of the appeals tribunal's decision or order, the appeals tribunal, on its own motion, may reconsider any decision or order when it appears that such reconsideration is essential to the accomplishment of the object and purpose of this law.

4. Unless a petition for reassessment is withdrawn or is allowed without a hearing, the petitioners shall be given a reasonable opportunity for a fair hearing before an appeals tribunal upon each such petition. The appeals tribunal shall promptly notify the interested parties of its decision upon such petition together with its reason therefor. In addition, in any case wherein the appellant, after having been duly notified of the date, time, and place of the hearing, shall fail to appear at such hearing, the appeals tribunal may enter an order dismissing the appeal. In the absence of the filing of an application for review of such decision, the decision, whether it results in a reassessment or otherwise, shall become final thirty days after the date of notification or mailing thereof; except that, within thirty days of either notification or mailing of the appeals tribunal's decision or order, the appeals tribunal, on its own motion, may reconsider any decision or order when it appears that such reconsideration is essential to the accomplishment of the object and purposes of this law.

5. Any party subject to any decision of an appeals tribunal pursuant to this chapter has a right to counsel **and the right to designate a representative, including but not limited to, a certified public accountant, or human resource professional to represent the party at any hearing** and shall be notified prior to a hearing conducted pursuant to this chapter that a decision of the appeals tribunal is presumptively conclusive for the purposes of this chapter as provided in section 288.200.”; and

The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any county or municipality for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such counties or municipalities. If any county or municipality abolishes the tax, the county or municipality shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal, and the director of revenue may order retention in the trust fund, for a period of one year, of two

percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such county or municipality, the director of revenue shall authorize the state treasurer to remit the balance in the account to the county or municipality and close the account of that county or municipality. The director of revenue shall notify each county or municipality of each instance of any amount refunded or any check redeemed from receipts due the county or municipality.

4. Except as modified in sections 144.757 to 144.761, all provisions of sections 32.085 and 32.087, RSMo, applicable to the local sales tax, except for subsection 12 of section 32.087, RSMo, and all provisions of sections 144.600 to 144.745 shall apply to the tax imposed pursuant to sections 144.757 to 144.761, and the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax.

The county government shall provide the trust staff. No more than five percent of the trust's annual budget shall be used for the trust's annual administrative expenses.

5. The trust is authorized to issue bonds, notes or other obligations for any proposal, and to refund such bonds, notes or obligations, as provided in subsection 3 of this section; and to receive and liquidate property, both real and personal, or money which has been granted, donated, devised or bequeathed to the district. The trust shall not have any power of eminent domain.

6. (1) Bonds issued pursuant to this section shall be issued pursuant to a resolution adopted by five-sevenths of the board which shall set out the estimated cost to the trust of the proposed improvements, and shall further set out the amount of the bonds to be issued, their purpose or purposes, their date or dates, denomination or denominations, rate or rates of interest, time or times of payment, both of principal and of interest, place or places of payment and all other details in connection with such bonds. Any such bonds may be subject to such provision for redemption prior to maturity, with or without premium, and at such times and upon such conditions as may be provided by the resolution.

(2) Notwithstanding the provisions of section 108.170, RSMo, such bonds shall bear interest at rate or rates determined by the trust, shall mature within a period not exceeding twenty years and may be sold at public or private sale for not less than ninety-five percent of the principal amount of such bonds. Bonds issued by the trust shall possess all of the qualities of negotiable instruments pursuant to the laws of this state.

(3) Such bonds may be payable to the bearer, may be registered or coupon bonds, and, if payable to bearer, may contain such registration provisions as to either principal and interest, or principal only, as may be provided in the resolution authorizing such bonds, which resolution may also provide for the exchange of registered and coupon bonds. Such bonds and any coupons attached thereto shall be signed in such manner and by such officers of the district as may be provided by the resolution authorizing the bonds. The trust may provide for the replacement of any bond which has become mutilated, destroyed or lost.

(4) Bonds issued by the trust shall be payable as to principal, interest and redemption premium, if any, out of all or any part of the trust fund, including revenues derived from use taxes. Neither the board members nor any person executing the bonds shall be personally liable on such bonds by reason of the issuance of such bonds. Bonds issued pursuant to this section shall not constitute a debt, liability or obligation of this state, or any political subdivision of this state, nor shall any such obligations be a pledge of the faith and credit of this state, but shall be payable solely from the revenues and assets held by the trust. The issuance of bonds pursuant to this section shall not directly, indirectly or contingently obligate this state or any political subdivision of this state to levy any form of taxation for such bonds or to make any appropriation for their payment. Each obligation or bond issued pursuant to this section shall contain on its face a statement to the effect that the trust shall not be obligated to pay such bond nor interest on such bond except from the revenues received by the trust or assets of the trust lawfully pledged for such trust, and that neither the faith or credit nor the taxing power of this state or of any political subdivision of this state is pledged to the payment of the principal of or the interest on such obligation or bond. The proceeds of such bonds shall be disbursed in such manner and pursuant to such restrictions as the trust may provide in the resolution authorizing the issuance of such bonds.

(5) The trust may issue negotiable refunding bonds for the purpose of refunding, extending or unifying the whole or any part of such bonds then outstanding, or any bonds, notes or other obligations issued by any other public agency, public body or political subdivision in connection with any facilities or land to be acquired, leased or subleased by the trust, which refunding bonds shall not exceed the amount necessary to refund the principal of the outstanding bonds to be refunded and the accrued interest on such bonds to the date of such refunding, together with any redemption premium, amounts necessary to establish reserve and escrow funds and all costs and expenses incurred in connection with the refunding. The board shall provide for the payment of interest and principal of such refunding bonds in the same manner as was provided for the payment of interest and principal of the bonds refunded.

(6) In the event that any of the members or officers of the trust whose names appear on any bonds or coupons shall cease to be on the board or cease to be an officer before the delivery of such bonds, such signatures shall remain valid and sufficient for all purposes, the same as if such board members or officers had remained in office until such delivery.

(7) The trust is hereby declared to be performing a public function and bonds of the trust are declared to be issued for an essential public and governmental purpose, and, accordingly, interest on such bonds and income from such bonds shall be exempt from income taxation by this state. All purchases in excess of ten thousand dollars shall be made pursuant to the lowest and best bid standard as provided in section 34.040, RSMo, or pursuant to the lowest and best proposal standard as provided in section 34.042, RSMo. The board of the trust shall have the same discretion, powers and duties as the commissioner of administration has in sections 34.040 and 34.042, RSMo.]

[67.487. 1. Within fourteen days of the first meeting of the first board appointed following the effective date of the ordinance, the board shall notify by mail the chief elected officials of all municipalities wholly within the county, the chief elected official of the county and all the members of the governing body of the county of the requirement to conduct a planning process and adopt a community comeback plan.

2. The board shall solicit full citizen, county and municipal involvement in developing the plan. The board shall conduct public hearings throughout the county to seek input regarding the plan, and may convene meetings with the appropriate staff of the county and municipalities in order to seek input and to coordinate the logistics of producing the plan. A copy of the plan shall be sent to the chief elected official of every municipality wholly within the county, the chief elected official of the county and each member of the governing body of the county.

3. The board and the governing body of the county shall annually revise and adopt a plan.

4. Each plan shall include a map of the county, as well as a text enumerating the efforts expected each year in the various subregions of the county. Each plan shall address the factors that are causing or are likely to cause one or more of the following:

- (1) Assessed values below the county average;
- (2) Median household incomes below the county median;

5. Each plan shall include an analysis of the condition of the housing stock in the various subregions of the county, a market analysis of the home-buying market with a focus on the impediments to attracting home buyers to those subregions and an analysis of the physical infrastructure needs that prevent economic growth.

6. The board may consider the following factors when determining the appropriate areas and strategies for investment:

- (1) Buildings that are unsafe or unhealthy for occupancy due to code violations, dilapidation, defective design, faulty utilities or any other negative conditions;
- (2) Factors that prevent or substantially hinder the economically viable use of buildings or lots, such as substandard design, inadequate size, lack of parking or any other conditions;
- (3) Incompatible uses that prevent economic development;
- (4) Subdivided lots of irregular form and shape and inadequate size for proper usefulness that have multiple ownership;
- (5) Depreciated or stagnant property values, including properties that contain hazardous wastes;
- (6) Abnormally high business vacancies, abnormally low lease rates, high turnover rates, abandoned buildings, or excessive vacant lots within an area developed for urban use and served by utilities;
- (7) The existence of conditions that are not conducive to public safety; and
- (8) The lack of necessary commercial facilities normally found in neighborhoods.

7. Each plan shall outline specific strategies to address the problems facing the various subregions and neighborhoods within the county. The plan shall also discuss the partnerships that can be made with federal, state and local governments, as well as businesses, labor organizations, nonprofit groups, religious and other groups and citizens to help implement the plan. These strategies shall include estimated costs and time lines for completion.

8. The board shall produce an annual report focusing on the accomplishments of the trust relative to the goals set forth in the plan, the goals for the next year and the challenges facing the trust. The annual report shall be given to the chief elected officials of all the municipalities wholly within the county, the chief elected official of the county, the

members of the governing board of the county and the public libraries within the county, and shall be posted on the county Internet web site.

9. Every year, the board shall commission an independent financial audit, the report of which shall be distributed in the same manner as the annual report pursuant to subsection 8 of this section.

10. Every five years, the board shall commission an independent management audit. The management audit shall include a comprehensive analysis of development trends, factors and practices along with specific recommendations to improve the trust's ability to achieve its mission. The management audit shall be reviewed by the advisory committee which may offer constructive advice on enhancing practices in order to achieve the goals of the program. The management audit shall be distributed in the same manner as the annual report pursuant to subsection 8 of this section. The board is authorized to take any necessary and proper steps to address the issues and recommendations contained within the management audit.

11. (1) The board shall establish an eleven-member advisory committee that shall meet four times each year and shall advise petitioners, staff and the board. The advisory committee members shall be appointed by the county executive. At least six of the advisory committee's members shall be nominated by the municipal league within the county and at least three shall be nominated by the members of the governing body of the county. No advisory committee member shall receive compensation for performance of duties as a committee member.

(2) At least one of the advisory committee members shall be a university professor well-versed in regional development issues. At least two of the advisory committee members shall be municipal officials from communities that have undertaken redevelopment programs as part of larger planning efforts. At least one of the advisory committee members shall be an attorney with experience in redevelopment activities. At least two of the advisory committee members shall be residents of priority comeback communities who have been active in advocating effective redevelopment policies. At least one of the advisory committee members shall be a private professional familiar with the factors influencing business location decisions. At least one of the advisory committee members shall be an individual familiar with education and training practices and workforce needs, with an understanding of how labor availability impacts business location decisions. At least one of the advisory committee members shall be a planner from the private sector knowledgeable in the area of strategic planning and the principles of multiyear rolling plans.

(3) The advisory committee shall promptly notify the county executive of the pending expiration of any member's term or any vacancy on the advisory committee. A member whose term has expired shall continue to serve until his or her successor is appointed and qualified.

(4) The board shall establish the advisory committee by resolution at the board's first meeting. The board shall, within ten days of the passage of the resolution establishing the advisory committee, send by United States mail written notice of the passage of the resolution to the county's municipal league and the members of the governing body of the county. The municipal league and the members of the governing board of the county shall, within forty-five days of the passage of the resolution establishing the advisory committee or within fourteen days of being notified of a vacancy by the county executive, submit its list of nominees to the county executive. The county executive shall appoint members within sixty days of the passage of the resolution or within thirty days of being notified by the committee of a vacancy on the advisory committee. If a list of nominees is not submitted by the time specified, the county executive shall appoint the members using the criteria set forth in this section before the sixtieth day from the passage of the resolution or before the thirtieth day from being notified of a vacancy on the existing advisory committee.

(5) At the advisory committee's first meeting, the members shall choose by lot the length of their terms. Two shall serve for one year, three for two years, three for three years and three for four years. All succeeding committee members shall serve for four years. Terms shall end on December thirty-first of the respective year.

(6) The committee members shall be subject to the regulation of conflicts of interest as defined in sections 105.450 to 105.498, RSMo, and to the requirements for open meetings and records pursuant to chapter 610, RSMo.]

[67.490. 1. The board shall in a timely manner adopt rules setting forth basic guidelines for acceptance and evaluation of petitions, including a common understandable format, as well as appropriate supporting material, maps, plans and data. The board shall begin to accept petitions one month after the adoption of the plan by the governing body of the county pursuant to section 67.487. The board shall review all petitions submitted by any petitioner. Review shall begin no later than thirty days after submission of the petition to the commission. In order to qualify as a proposal, a petition shall address the criteria set forth in subsection 4 of this section. For the purposes of this subsection, the term "pending" means any proposal submitted to the board which has not yet been approved by the board.

2. When practical, a petition shall be initially submitted to the advisory committee for constructive review and comment in a manner likely to result in a proposal that addresses a strategy outlined in the plan.

3. The board shall hold a public hearing concerning the petition, which may be on the same day as a scheduled meeting of the board.

4. (1) In reviewing any petition for funding, the board shall first determine if funds are sought for eligible expenses for a neighborhood reinvestment project. If the petition seeks such funds, the board shall certify such petition as a proposal subject to further review unless the board finds that the petition seeks funds for expenses that do not qualify as eligible expenses, or seeks funds for an endeavor other than a neighborhood reinvestment project. If the board finds that funds are sought for ineligible expenses or for an ineligible endeavor, the board need not take any further action and shall notify the petitioner in writing of all deficiencies that prevent the petition from being a proposal. If the board determines that there is a minor error or discrepancy in a petition, the board, with the petitioner's concurrence, may make such changes to the petition as are necessary to rectify the error that prevents the petition from being certified as a proposal subject to further review. Within six months of certification of a petition as a proposal, the board shall issue a finding approving or disapproving such proposal. In disapproving any proposal, the board shall issue a document indicating the reasons that the proposal was disapproved.

(2) If the board determines that a proposal is a priority comeback project consistent with the strategies and priorities set forth in the community comeback plan and that the project is well-planned, realistic, creative, resourceful, benefits the local community and is cost-effective, then the board shall award funding. If the board determines that a proposal is a priority comeback project, but is inconsistent with the strategies and priorities in the community comeback plan, the board may award funding if it finds that the project is well-planned, realistic, creative, resourceful, benefits the local community, is cost-effective and addresses the reinvestment needs of neighborhoods by one or more of the following:

- (a) Reducing or removing impediments to attracting home buyers;
- (b) Providing the necessary physical infrastructure needed to promote significant job growth;
- (c) Reducing or removing any such factor or factors that constitute an economic or social liability or a menace to the public health, safety, morals, or welfare in its present condition and use.

(3) If the board determines that a proposal, which is not a priority comeback project, is consistent with the strategies and priorities set forth in the community comeback plan and is well-planned, realistic, creative, resourceful, benefits the local community and is cost-effective, the board may award funding if the board adds such proposal to the plan. If the board determines that a proposal, which is not a priority comeback project, is inconsistent with the strategies and priorities in the community comeback plan, the board may award funding if it finds that the project is well-planned, realistic, creative, resourceful, benefits the local community, is cost-effective and addresses the reinvestment needs of neighborhoods by one or more of the following:

- (a) Reducing or removing impediments to attracting home buyers;
- (b) Providing the necessary physical infrastructure needed to promote significant job growth;
- (c) Reducing or removing any such factor or factors that constitute an economic or social liability or a menace to the public health, safety, morals or welfare in its present condition and use.

(4) The board, the advisory committee and the staff of both may advise petitioners on issues related to petitions or proposals. The board may meet informally, subject to the requirements of chapter 610, RSMo, with representatives of potential petitioners with regard to future petitions and plans.

5. The board shall establish a select neighborhood action program. SNAP applicants shall provide a ten-percent cash or in-kind match to be eligible for a SNAP grant. Project categories eligible for SNAP grant funding shall be:

(1) Neighborhood beautification projects which enhance the appearance of the overall neighborhood. Such projects include, but are not limited to, tree and flower plantings, cleanups, entranceway landscaping, community gardens, public art and neighborhood identification signs/banners;

(2) Neighborhood organization or capacity projects which create or increase membership in a neighborhood organization promoting community betterment. Such projects include, but are not limited to, neighborhood newsletters, neighborhood marketing brochures, neighborhood meetings and special events, and technology such as web site development;

(3) Neighborhood-school partnership projects which benefit a school and the adjacent neighborhood. Involvement of both the school and the neighborhood in planning, implementation and maintenance must be substantiated. Partnership projects include, but are not limited to, youth and community programs that promote safety, culture or the environment and that are beneficial to both the school and the neighborhood;

(4) Capital purchase projects which include the acquisition of equipment or property. Such projects include, but are not limited to, land acquisition, playground equipment, bicycle racks and major supplies;

(5) Neighborhood improvement projects which benefit the local infrastructure in a neighborhood, and include construction of sidewalks or installation of streetlights.

6. Project categories ineligible for SNAP grant funding shall be:

- (1) Projects accomplished in more than twelve months;

- (2) Projects that duplicate existing private or public programs;
- (3) Projects that require ongoing services, or requests to support continual operating budgets; and
- (4) Projects that conflict with the community comeback plan.

7. When making SNAP grant funding decisions, the board shall consider the level of neighborhood participation including the percentage of residents who are involved in planning and implementing the idea, the diversity of parties involved or that will benefit, and the amount of neighborhood opposition; the community benefit of the project, including the number of people who will benefit from the project and the overall quality of the project.]

[67.493. Of the funds available to the trust, a minimum of five percent of the funds, not to exceed an unallocated balance of five hundred thousand dollars rolled over from the previous fiscal year, shall be set aside annually for the SNAP grant program. Of the remaining funds seventy- five percent calculated on a rolling three-year average shall be set aside for priority comeback projects. The balance of the funds shall be used to indirectly or directly benefit priority comeback communities or residents of those areas by utilizing such funds to:

(1) Promote job preparation and job creation in areas easily accessed by residents of priority comeback communities;

(2) Improve neighborhoods adjacent to priority comeback communities that are unlikely to be improved without such funding; and

(3) Abate through low-interest home improvement loan programs or similar mechanisms the functional or marketable obsolescence of any owner- occupied residential structure over twenty-five years old which is located within a census block group below one hundred ten percent of the median income level for the metropolitan statistical area for this state; provided that, there is a significant threat of economic decline within the area without intervention by the trust.]; and

“644.051. 1. It is unlawful for any person:

(1) To cause pollution of any waters of the state or to place or cause or permit to be placed any water contaminant in a location where it is reasonably certain to cause pollution of any waters of the state;

(2) To discharge any water contaminants into any waters of the state which reduce the quality of such waters below the water quality standards established by the commission;

(3) To violate any pretreatment and toxic material control regulations, or to discharge any water contaminants into any waters of the state which exceed effluent regulations or permit provisions as established by the commission or required by any federal water pollution control act;

(4) To discharge any radiological, chemical, or biological warfare agent or high-level radioactive waste into the waters of the state.

2. It shall be unlawful for any person to build, erect, alter, replace, operate, use or maintain any water contaminant or point source in this state that is subject to standards, rules or regulations promulgated pursuant to the provisions of sections 644.006 to 644.141 unless such person holds a permit from the commission, subject to such exceptions as the commission may prescribe by rule or regulation. However, no permit shall be required of any person for any emission into publicly owned treatment facilities or into publicly owned sewer systems tributary to publicly owned treatment works.

3. Every proposed water contaminant or point source which, when constructed or installed or established, will be subject to any federal water pollution control act or sections 644.006 to 644.141 or regulations promulgated pursuant to the provisions of such act shall make application to the director for a permit at least thirty days prior to the initiation of construction or installation or establishment. Every water contaminant or point source in existence when regulations or sections 644.006 to 644.141 become effective shall make application to the director for a permit within sixty days after the regulations or sections 644.006 to 644.141 become effective, whichever shall be earlier. The director shall promptly investigate each application, which investigation shall include such hearings and notice, and consideration of such comments and recommendations as required by sections 644.006 to 644.141 and any federal water pollution control act. **Notwithstanding the provisions of subsections 1 and 2 of this section to the contrary, notices of violation shall not be issued for an accidental or unintentional release of water contaminants where the water contaminants are entirely confined upon lands owned, leased, or otherwise controlled by a single person, or by two or more persons jointly or as tenants in common, and where the released water contaminants are removed, cleaned up, or remediated to the extent that any flow of water that leaves the property and enters the waters of the state does not exceed any of the standards, regulations, or limitations set forth in sections 644.006 to 644.141.** If the director determines that the source meets or will meet the requirements of sections 644.006 to 644.141 and the regulations promulgated pursuant thereto, the director shall issue a permit with such conditions as he or she deems necessary to ensure that the source will meet the requirements of sections 644.006 to 644.141 and any federal water pollution control act as it applies to sources in this state. If the director determines that the source does not meet or will not meet the requirements of either act and the regulations pursuant thereto, the director shall deny the permit pursuant to the applicable act and issue any notices required by sections 644.006 to 644.141 and any federal water pollution control act.

4. Before issuing a permit to build or enlarge a water contaminant or point source or reissuing any permit, the director shall issue such notices, conduct such hearings, and consider such factors, comments and recommendations as required by sections 644.006 to 644.141 or any federal water pollution control act. The director shall determine if any state or any provisions of any federal water pollution control act the state is required to enforce, any state or federal effluent limitations or regulations, water quality-related effluent limitations, national standards of performance, toxic and pretreatment standards, or water quality standards which apply to the source, or any such standards in the vicinity of the source, are being exceeded, and shall determine the impact on such water quality standards from the source. The director, in order to effectuate the purposes of sections 644.006 to 644.141, shall deny a permit if the source will violate any such acts, regulations, limitations or standards or will appreciably affect the water quality standards or the water quality standards are being substantially exceeded, unless the permit is issued with such conditions as to make the source comply with such requirements within an acceptable time schedule. Prior to the development or renewal of a general permit or

permit by rule, for aquaculture, the director shall convene a meeting or meetings of permit holders and applicants to evaluate the impacts of permits and to discuss any terms and conditions that may be necessary to protect waters of the state. Following the discussions, the director shall finalize a draft permit that considers the comments of the meeting participants and post the draft permit on notice for public comment. The director shall concurrently post with the draft permit an explanation of the draft permit and shall identify types of facilities which are subject to the permit conditions. Affected public or applicants for new general permits, renewed general permits or permits by rule may request a hearing with respect to the new requirements in accordance with this section. If a request for a hearing is received, the commission shall hold a hearing to receive comments on issues of significant technical merit and concerns related to the responsibilities of the Missouri clean water law. The commission shall conduct such hearings in accordance with this section. After consideration of such comments, a final action on the permit shall be rendered. The time between the date of the hearing request and the hearing itself shall not be counted as time elapsed pursuant to subdivision (1) of subsection 13 of this section.

5. The director shall grant or deny the permit within sixty days after all requirements of the Federal Water Pollution Control Act concerning issuance of permits have been satisfied unless the application does not require any permit pursuant to any federal water pollution control act. The director or the commission may require the applicant to provide and maintain such facilities or to conduct such tests and monitor effluents as necessary to determine the nature, extent, quantity or degree of water contaminant discharged or released from the source, establish and maintain records and make reports regarding such determination.

6. The director shall promptly notify the applicant in writing of his or her action and if the permit is denied state the reasons therefor. The applicant may appeal to the commission from the denial of a permit or from any condition in any permit by filing notice of appeal with the commission within thirty days of the notice of denial or issuance of the permit. The commission shall set the matter for hearing not less than thirty days after the notice of appeal is filed. In no event shall a permit constitute permission to violate the law or any standard, rule or regulation promulgated pursuant thereto.

7. In any hearing held pursuant to this section the burden of proof is on the applicant for a permit. Any decision of the commission made pursuant to a hearing held pursuant to this section is subject to judicial review as provided in section 644.071.

8. In any event, no permit issued pursuant to this section shall be issued if properly objected to by the federal government or any agency authorized to object pursuant to any federal water pollution control act unless the application does not require any permit pursuant to any federal water pollution control act.

9. Unless a site-specific permit is requested by the applicant, aquaculture facilities shall be governed by a general permit issued pursuant to this section with a fee not to exceed two hundred fifty dollars pursuant to subdivision (5) of subsection 6 of section 644.052. However, any aquaculture facility which materially violates the conditions and requirements of such permit may be required to obtain a site-specific permit.

10. No manufacturing or processing plant or operating location shall be required to pay more than one operating fee. Operating permits shall be issued for a period not to exceed five years after date of issuance, except that general permits shall be issued for a five-year period, and also except that neither a construction nor an annual permit shall be required for a single residence's waste treatment facilities. Applications for renewal of an operating permit shall be filed at least one hundred eighty days prior to the expiration of the existing permit.

11. Every permit issued to municipal or any publicly owned treatment works or facility shall require the permittee to provide the clean water commission with adequate notice of any substantial new introductions of water contaminants or pollutants into such works or facility from any source for which such notice is required by sections 644.006 to 644.141 or any federal water pollution control act. Such permit shall also require the permittee to notify the clean water commission of any substantial change in volume or character of water contaminants or pollutants being introduced into its treatment works or facility by a source which was introducing water contaminants or pollutants into its works at the time of issuance of the permit. Notice must describe the quality and quantity of effluent being introduced or to be introduced into such works or facility by a source which was introducing water contaminants or pollutants into its works at the time of issuance of the permit. Notice must describe the quality and quantity of effluent being introduced or to be introduced into such works or facility and the anticipated impact of such introduction on the quality or quantity of effluent to be released from such works or facility into waters of the state.

12. The director or the commission may require the filing or posting of a bond as a condition for the issuance of permits for construction of temporary or future water treatment facilities in an amount determined by the commission to be sufficient to ensure compliance with all provisions of sections 644.006 to 644.141, and any rules or regulations of the commission and any condition as to such construction in the permit. The bond shall be signed by the applicant as principal, and by a corporate surety licensed to do business in the state of Missouri and approved by the commission.

The bond shall remain in effect until the terms and conditions of the permit are met and the provisions of sections 644.006 to 644.141 and rules and regulations promulgated pursuant thereto are complied with.

13. (1) The department shall issue or deny applications for construction and site-specific operating permits received after January 1, 2001, within one hundred eighty days of the department's receipt of an application. For general construction and operating permit applications received after January 1, 2001, that do not require a public participation process, the department shall issue or deny the requested permits within sixty days of the department's receipt of an application.

(2) If the department fails to issue or deny with good cause a construction or operating permit application within the time frames established in subdivision (1) of this subsection, the department shall refund the full amount of the initial application fee within forty-five days of failure to meet the established time frame. If the department fails to refund the application fee within forty-five days, the refund amount shall accrue interest at a rate established pursuant to section 32.065, RSMo.

(3) Permit fee disputes may be appealed to the commission within thirty days of the date established in subdivision (2) of this subsection. If the applicant prevails in a permit fee dispute appealed to the commission, the commission may order the director to refund the applicant's permit fee plus interest and reasonable attorney's fees as provided in sections 536.085 and 536.087, RSMo. A refund of the initial application or annual fee does not waive the applicant's responsibility to pay any annual fees due each year following issuance of a permit.

(4) No later than December 31, 2001, the commission shall promulgate regulations defining shorter review time periods than the time frames established in subdivision (1) of this subsection, when appropriate, for different classes of construction and operating permits. In no case shall commission regulations adopt permit review times that exceed the time frames established in subdivision (1) of this subsection. The department's failure to comply with the commission's permit review time periods shall result in a refund of said permit fees as set forth in subdivision (2) of this subsection. On a semiannual basis, the department shall submit to the commission a report which describes the different classes of permits and reports on the number of days it took the department to issue each permit from the date of receipt of the application and show averages for each different class of permits.

(5) During the department's technical review of the application, the department may request the applicant submit supplemental or additional information necessary for adequate permit review. The department's technical review letter shall contain a sufficient description of the type of additional information needed to comply with the application requirements.

(6) Nothing in this subsection shall be interpreted to mean that inaction on a permit application shall be grounds to violate any provisions of sections 644.006 to 644.141 or any rules promulgated pursuant to sections 644.006 to 644.141.

14. The department shall respond to all requests for individual certification under Section 401 of the Federal Clean Water Act within the lesser of sixty days or the allowed response period established pursuant to applicable federal regulations without request for an extension period unless such extension is determined by the commission to be necessary to evaluate significant impacts on water quality standards and the commission establishes a timetable for completion of such evaluation in a period of no more than one hundred eighty days.

15. All permit fees generated pursuant to this chapter shall not be used for the development or expansion of total maximum daily loads studies on either the Missouri or Mississippi rivers.”; and

JOURNAL OF THE HOUSE

Second Regular Session, 92nd GENERAL ASSEMBLY

SIXTY-FOURTH DAY, THURSDAY, MAY 6, 2004

The House met pursuant to adjournment.

Speaker Hanaway in the Chair.

Prayer by Reverend Donald W. Lammers.

Today is the National Day of Prayer 2004; its theme is Let Freedom Ring. "Let Freedom Ring" is a familiar line from the patriotic song, MY COUNTRY, 'TIS OF THEE.

O God, let freedom ring everywhere in our land.
Let freedom be the patrimony of ALL the people
who make our country their homeland.

Help us in our work to be at the service of true freedom,
freedom that always honors You, our God,
and remains in harmony with Your truth.

(The last verse of MY COUNTRY, 'TIS OF THEE is a timely prayer.)

Our fathers' God, to Thee,
Author of liberty,
To Thee we sing.
Long may our land be bright,
With freedom's holy light;
Protect us by Thy might,
Great God, our King.

Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Erica Baur, Nina Bray, Ava Gardner, JoJo Carrillo, Terri Fagan, Ronnie Reynolds, Peter Forsee, Sarah Mayfield, Kelley Appelbaum, Evan Eberhard, Hannah Plowman, Emily Shanders, Austin Carey, Anna Lembke, Mitchell Lembke, Brett Surwillo and Isaac Wurth.

The Journal of the sixty-third day was approved as corrected.

SPECIAL RECOGNITION

Drew Richards was introduced by Representatives Dixon and Cunningham (145) and recognized as an Outstanding Missouri Student.

3. In addition, the budget shall set forth in detail the anticipated income and other means of financing the proposed expenditures.

4. All receipts of the county for operation and maintenance shall be credited to the general fund, and all expenditures for these purposes shall be charged to this fund; except, that receipts from the special tax levy for roads and bridges shall be kept in a special fund and expenditures for roads and bridges may be charged to the special fund.

5. All receipts from the sale of bonds for any purpose shall be credited to the bond fund created for the purpose, and all expenditures for this purpose shall be charged to the fund. All receipts for the retirement of any bond issue shall be credited to a retirement fund for the issue, and all payments to retire the issue shall be charged to the fund. All receipts for interest on outstanding bonds and all premiums and accrued interest on bonds sold shall be credited to the interest fund, and all payments of interest on the bonds shall be charged to the interest fund.

6. Subject to the provisions of section 50.565 the county commission may create a fund to be known as "The County Law Enforcement Restitution Fund".

7. The county commission may create other funds as are necessary from time to time.

50.565. 1. A county commission may establish by ordinance or order a fund whose proceeds may be expended only for the purposes provided for in subsection 3 of this section. The fund shall be designated as a county law enforcement restitution fund and shall be under the supervision of a board of trustees consisting of two citizens of the county appointed by the presiding commissioner of the county, two citizens of the county appointed by the sheriff of the county, and one citizen of the county appointed by the county coroner or medical examiner. The citizens so appointed shall not be current or former employees of the sheriff's department, the office of the prosecuting attorney for the county, or the county treasurer's office. If a county does not have a coroner or medical examiner, the county treasurer shall appoint one citizen to the board of trustees.

2. Money from the county law enforcement restitution fund shall only be expended upon the approval of a majority of the members of the county law enforcement restitution fund's board of trustees and only for the purposes provided for by subsection 3 of this section.

3. Money from the county law enforcement restitution fund shall only be expended for the following purposes:

- (1) Narcotics investigation, prevention, and intervention;**
- (2) Purchase of law enforcement related equipment and supplies for the sheriff's office;**
- (3) Matching funds for federal or state law enforcement grants;**
- (4) Funding for the reporting of all state and federal crime statistics or information; and**
- (5) Any law enforcement related expense, including those of the prosecuting attorney, approved by the board of trustees for the county law enforcement restitution fund that is reasonably related to investigation, charging, preparation, trial, and disposition of criminal cases before the courts of the state of Missouri.**

4. The county commission may not reduce any law enforcement agency's budget as a result of funds the law enforcement agency receives from the county law enforcement restitution fund. The restitution fund is to be used only as a supplement to the law enforcement agency's funding received from other county, state, or federal funds.

5. County law enforcement restitution funds shall be audited as are all other county funds.

6. No court may order the assessment and payment authorized by this section if the plea of guilty or the finding of guilt is to the charge of speeding, careless and imprudent driving, any charge of violating a traffic control signal or sign, or any charge which is a class C misdemeanor or an infraction. No assessment and payment ordered pursuant to this section may exceed three hundred dollars for any charged offense."; and

Further amend said bill, Page 2, Section 556.037, Line 2, by inserting after all of said line the following:

"558.019. 1. This section shall not be construed to affect the powers of the governor under article IV, section 7, of the Missouri Constitution. This statute shall not affect those provisions of section 565.020, RSMo, section 558.018 or section 571.015, RSMo, which set minimum terms of sentences, or the provisions of section 559.115, RSMo, relating to probation.

2. The provisions of subsections 2 to 5 of this section shall be applicable to all classes of felonies except those set forth in chapter 195, RSMo, and those otherwise excluded in subsection 1 of this section. For the purposes of this section, "prison commitment" means and is the receipt by the department of corrections of an offender after sentencing. For purposes of this section, prior prison commitments to the department of corrections shall not include commitment to a regimented discipline program established pursuant to section 217.378, RSMo. Other provisions of the law to the contrary notwithstanding, any offender who has pleaded guilty to or has been found guilty of a felony other than a

dangerous felony as defined in section 556.061, RSMo, and is committed to the department of corrections shall be required to serve the following minimum prison terms:

(1) If the offender has one previous prison commitment to the department of corrections for a felony offense, the minimum prison term which the offender must serve shall be forty percent of his or her sentence or until the offender attains seventy years of age, and has served at least thirty percent of the sentence imposed, whichever occurs first;

(2) If the offender has two previous prison commitments to the department of corrections for felonies unrelated to the present offense, the minimum prison term which the offender must serve shall be fifty percent of his or her sentence or until the offender attains seventy years of age, and has served at least forty percent of the sentence imposed, whichever occurs first;

(3) If the offender has three or more previous prison commitments to the department of corrections for felonies unrelated to the present offense, the minimum prison term which the offender must serve shall be eighty percent of his or her sentence or until the offender attains seventy years of age, and has served at least forty percent of the sentence imposed, whichever occurs first.

3. Other provisions of the law to the contrary notwithstanding, any offender who has pleaded guilty to or has been found guilty of a dangerous felony as defined in section 556.061, RSMo, and is committed to the department of corrections shall be required to serve a minimum prison term of eighty-five percent of the sentence imposed by the court or until the offender attains seventy years of age, and has served at least forty percent of the sentence imposed, whichever occurs first.

4. For the purpose of determining the minimum prison term to be served, the following calculations shall apply:

(1) A sentence of life shall be calculated to be thirty years;

(2) Any sentence either alone or in the aggregate with other consecutive sentences for crimes committed at or near the same time which is over seventy-five years shall be calculated to be seventy-five years.

5. For purposes of this section, the term "minimum prison term" shall mean time required to be served by the offender before he or she is eligible for parole, conditional release or other early release by the department of corrections. Except that the board of probation and parole, in the case of consecutive sentences imposed at the same time pursuant to a course of conduct constituting a common scheme or plan, shall be authorized to convert consecutive sentences to concurrent sentences, when the board finds, after hearing with notice to the prosecuting or circuit attorney, that the sum of the terms results in an unreasonably excessive total term, taking into consideration all factors related to the crime or crimes committed and the sentences received by others similarly situated.

6. (1) A sentencing advisory commission is hereby created to consist of eleven members. One member shall be appointed by the speaker of the house. One member shall be appointed by the president pro tem of the senate. One member shall be the director of the department of corrections. Six members shall be appointed by and serve at the pleasure of the governor from among the following: the public defender commission; private citizens; a private member of the Missouri Bar; the board of probation and parole; and a prosecutor. Two members shall be appointed by the supreme court, one from a metropolitan area and one from a rural area. All members shall be appointed to a four-year term. All members of the sentencing commission appointed prior to August 28, 1994, shall continue to serve on the sentencing advisory commission at the pleasure of the governor.

(2) The commission shall study sentencing practices in the circuit courts throughout the state for the purpose of determining whether and to what extent disparities exist among the various circuit courts with respect to the length of sentences imposed and the use of probation for offenders convicted of the same or similar crimes and with similar criminal histories. The commission shall also study and examine whether and to what extent sentencing disparity among economic and social classes exists in relation to the sentence of death and if so, the reasons therefor sentences are comparable to other states, if the length of the sentence is appropriate, and the rate of rehabilitation based on sentence. It shall compile statistics, examine cases, draw conclusions, and perform other duties relevant to the research and investigation of disparities in death penalty sentencing among economic and social classes.

(3) The commission shall establish a system of recommended sentences, within the statutory minimum and maximum sentences provided by law for each felony committed under the laws of this state. This system of recommended sentences shall be distributed to all sentencing courts within the state of Missouri. The recommended sentence for each crime shall take into account, but not be limited to, the following factors:

(a) The nature and severity of each offense;

(b) The record of prior offenses by the offender;

(c) The data gathered by the commission showing the duration and nature of sentences imposed for each crime;

and

(d) The resources of the department of corrections and other authorities to carry out the punishments that are imposed.

(4) The commission shall study alternative sentences, prison work programs, work release, home-based incarceration, probation and parole options, and any other programs and report the feasibility of these options in Missouri.

(5) The commission shall publish and distribute its recommendations on or before July 1, 2004. The commission shall study the implementation and use of the recommendations until July 1, 2005, and return a report to the governor, the speaker of the house of representatives, and the president pro tem of the senate. Following the July 1, 2005, report, the commission shall revise the recommended sentences every two years.

(6) The governor shall select a chairperson who shall call meetings of the commission as required or permitted pursuant to the purpose of the sentencing commission.

(7) The members of the commission shall not receive compensation for their duties on the commission, but shall be reimbursed for actual and necessary expenses incurred in the performance of these duties and for which they are not reimbursed by reason of their other paid positions.

(8) The circuit and associate circuit courts of this state, the office of the state courts administrator, the department of public safety, and the department of corrections shall cooperate with the commission by providing information or access to information needed by the commission. The office of the state courts administrator will provide needed staffing resources.

7. Courts shall retain discretion to lower or exceed the sentence recommended by the commission as otherwise allowable by law, and to order restorative justice methods, when applicable.

8. If the imposition or execution of a sentence is suspended, the court may order any or all of the following restorative justice methods, or any other method that the court finds just or appropriate:

(1) Restitution to any victim **or a statutorily created fund** for costs incurred as a result of the offender's actions;

(2) Offender treatment programs;

(3) Mandatory community service;

(4) Work release programs in local facilities; and

(5) Community-based residential and nonresidential programs.

9. The provisions of this section shall apply only to offenses occurring on or after August 28, 2003.

10. Pursuant to subdivision (1) of subsection 8 of this section, the court may order the assessment and payment of a designated amount of restitution to a county law enforcement restitution fund established by the county commission pursuant to section 50.565, RSMo. Such contribution shall not exceed two hundred seventy-five dollars for any charged offense. Any restitution moneys deposited into the county law enforcement restitution fund pursuant to this section shall only be expended pursuant to the provisions of section 50.565, RSMo.

11. A judge may order payment to a restitution fund only if such fund had been created by ordinance or resolution of a county of the state of Missouri prior to sentencing. A judge shall not have any direct supervisory authority or administrative control over any fund to which the judge is ordering a defendant to make payment.

12. A defendant who fails to make a payment to a county law enforcement restitution fund may not have his or her probation revoked solely for failing to make such payment unless the judge, after evidentiary hearing, makes a finding supported by a preponderance of the evidence that the defendant either willfully refused to make the payment or that the defendant willfully, intentionally, and purposefully failed to make sufficient bona fide efforts to acquire the resources to pay.

559.021. 1. The conditions of probation shall be such as the court in its discretion deems reasonably necessary to ensure that the defendant will not again violate the law. When a defendant is placed on probation he shall be given a certificate explicitly stating the conditions on which he is being released.

2. In addition to such other authority as exists to order conditions of probation, the court may order such conditions as the court believes will serve to compensate the victim, any dependent of the victim, **any statutorily created fund for costs incurred as a result of the offender's actions**, or society. Such conditions may include **restorative justice methods pursuant to section 217.777, RSMo, or any other method that the court finds just or appropriate including**, but [shall] not [be] limited to:

(1) Restitution to the victim or any dependent of the victim, **or statutorily created fund for costs incurred as a result of the offender's actions** in an amount to be determined by the judge; [and]

(2) The performance of a designated amount of free work for a public or charitable purpose, or purposes, as determined by the judge;

(3) **Offender treatment programs;**

(4) **Work release programs in local facilities; and**

(5) Community-based residential and nonresidential programs.

3. The defendant may refuse probation conditioned on the performance of free work. If he does so, the court shall decide the extent or duration of sentence or other disposition to be imposed and render judgment accordingly. Any county, city, person, organization, or agency, or employee of a county, city, organization or agency charged with the supervision of such free work or who benefits from its performance shall be immune from any suit by the defendant or any person deriving a cause of action from him if such cause of action arises from such supervision of performance, except for an intentional tort or gross negligence. The services performed by the defendant shall not be deemed employment within the meaning of the provisions of chapter 288, RSMo. A defendant performing services pursuant to this section shall not be deemed an employee within the meaning of the provisions of chapter 287, RSMo.

4. In addition to such other authority as exists to order conditions of probation, in the case of a plea of guilty or a finding of guilt, the court may order the assessment and payment of a designated amount of restitution to a county law enforcement restitution fund established by the county commission pursuant to section 50.565, RSMo. Such contribution shall not exceed two hundred seventy-five dollars for any charged offense. Any restitution moneys deposited into the county law enforcement restitution fund pursuant to this section shall only be expended pursuant to the provisions of section 50.565, RSMo.

5. A judge may order payment to a restitution fund only if such fund had been created by ordinance or resolution of a county of the state of Missouri prior to sentencing. A judge shall not have any direct supervisory authority or administrative control over any fund to which the judge is ordering a defendant to make payment.

6. A defendant who fails to make a payment to a county law enforcement restitution fund may not have his or her probation revoked solely for failing to make such payment unless the judge, after evidentiary hearing, makes a finding supported by a preponderance of the evidence that the defendant either willfully refused to make the payment or that the defendant willfully, intentionally, and purposefully failed to make sufficient bona fide efforts to acquire the resources to pay.

7. The court may modify or enlarge the conditions of probation at any time prior to the expiration or termination of the probation term.”; and

Further amend the title and enacting clause accordingly.

HOUSE CONCURRENT RESOLUTION

HCR 41, (5-06-04) - Phillips (32)

JOURNAL OF THE HOUSE

Second Regular Session, 92nd GENERAL ASSEMBLY

SIXTY-FIFTH DAY, FRIDAY, MAY 7, 2004

The House met pursuant to adjournment.

Speaker Hanaway in the Chair.

Prayer by Reverend Steve Drury, Director of Stewardship, United Pentecostal Church International, Hazelwood, MO.

We come before You today Lord, with a praise from our hearts. A praise for Your faithfulness. For who You are and how You bless and keep us. We thank You for the blessing of a brand new day with renewed strength as this great body of men and women make a difference in our great state of Missouri and ultimately our nation and world.

Today we ask for Your divine wisdom as each member voices their convictions through dealing and voting for the values and decisions as each member represents their home district constituents.

We also ask for Your blessings not only upon each House member, but their family as well, as they share them with the needs of our state.

We pray for our President and all of our nation's leaders as we face the crisis that we are in at this time. We ask Your blessings and protection upon our soldiers everywhere, but especially in Iraq.... and for their families.... especially for the families of those who have lost a loved one in this conflict. We humbly ask for Your grace and peace to be with each of these groups of people.

Finally, we pray for Governor Holden and his family today in their hour of sorrow. Give them the needed strength as they sorrow over the death of his mother.

Please accept not only our regards, but our praise for who You are and Your blessings today. We ask in Jesus' name. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Victoria Phillips, LaQuan Young, Fabian Cannon, Lili Castillo, Nicholas Kettler, Matt Barnett, Greg Anderson, Shelby Blanchard, Brooke Byland, Riley Schantz, Isabella Saffa, Samuel Saffa and Peter Saffa.

The Journal of the sixty-fourth day was approved as corrected.

JOURNAL OF THE HOUSE

Second Regular Session, 92nd GENERAL ASSEMBLY

SIXTY-SIXTH DAY, MONDAY, MAY 10, 2004

The House met pursuant to adjournment.

Speaker Hanaway in the Chair.

Prayer by Reverend James Earl Jackson.

Heavenly Father, our requests have gone before You, our prayers are answered. You have been our constant companion throughout this session and we are forever grateful.

Through the highs and the lows, laughter and sorrow, agreements and disagreements, You have not abandoned us. Your grace and mercy is to us a perpetual guide.

May our hearts and minds be in tune with Your plan for this week. We surrender our plans to Yours; our days are ordained of You. Our times are in Your hands.

We began a good and noble work this year, help us see it to completion and may we finish well.

May Your grace rest and abide with us all...

In the name of Your Son we pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the sixty-fifth day was approved as corrected.

HOUSE COMMITTEE SUBSTITUTE FOR SENATE SUBSTITUTE FOR SENATE CONCURRENT RESOLUTION NO. 26

Relating to the Forestry Utilization Committee.

WHEREAS, the forestry industry is a vital industry to Missouri, representing over fourteen million acres of Missouri timberland, which ranks our state seventh out of the twenty northeastern timber states, supports the bulk of Missouri recreation and tourism, directly provides thousands of jobs and supports tens of thousands of jobs where forest land and products are a vital component, directly generates three billion dollars of revenue, and indirectly supports the generation of many more billions of dollars in revenue; and

WHEREAS, the General Assembly wishes to maintain and enhance the positive economic contribution of this industry while making every attempt to minimize environmental harm and other negative aspects of the industry; and

WHEREAS, the industries' current practice of harvesting sixty percent of the tree, and its predominant production of low value-added products, limits the potential economic contribution to industry participants and to the state; and

WHEREAS, there exists a need for a study of the potential for increased industrial strength and rural economic gains to be realized by forestry adopting modern industrial business models and value-added techniques:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-Second General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby authorize the creation of a "Forestry Utilization Committee", which shall review and evaluate both the industrial and economic impact of forestry utilization and make recommendations on further action or legislative remedies, if any, to be taken as necessary; and

Each member of the committee shall serve until December 31, 2005. A chairman, vice-chairman, and secretary shall be elected by the membership of the committee to conduct the business of the committee; and

BE IT FURTHER RESOLVED that the committee may conduct its business by various means but shall meet no less than twice each year as a full committee; and

BE IT FURTHER RESOLVED that all state agencies shall cooperate with the committee in carrying out its duties, including allowing access to closed records, as permitted by law, provided that the committee shall not disclose any identifying information contained in such records closed pursuant to statute or general order, and any such information in the custody of the committee shall not be discoverable to the same extent as when in the custody of the parent agency; and

BE IT FURTHER RESOLVED that all members shall serve without compensation; and

BE IT FURTHER RESOLVED that the Office of Administration shall provide minimal funding, administrative support, and staff for the effective operation of the committee; and

BE IT FURTHER RESOLVED that the committee shall study problems and solutions, collect information, and provide recommendations in a report to the General Assembly before July 30, 2005; and

SIXTY-SEVENTH DAY, TUESDAY, MAY 11, 2004

The House met pursuant to adjournment.

Speaker Pro Tem Jetton in the Chair.

Prayer by Reverend Donald W. Lammers.

Save the people and bless your inheritance;
feed them and carry them forever!”

Give us the strength, O Lord, to complete the work of this last week of our 2004 session. Many topics will come before us; some important issues must be decided. By Your grace may we discern what is best for those most in need, what sustains the common good, what is demanded by Your truth.

We pray to You, who are our God, forever and ever. Amen.

“9. Notwithstanding the sovereign immunity of the state, an individual who is determined to be “actually innocent” of a crime may be paid restitution in accordance with this subsection. The individual may receive an amount of \$50.00 per day for each day of post-conviction incarceration for the crime for which the individual is determined to be actually innocent. The petition for the payment of said restitution shall be filed with the sentencing court within one year of the release from confinement after August 28, 2003. For the purposes of this subsection the term “actually innocent” shall mean:

- (a) The individual was convicted of a felony for which a final order of release was entered by the court;**

(c) The individual was not serving any term of a sentence for any other crime concurrently with the sentence for which they are determined to be actually innocent; and

(d) Testing ordered pursuant to section 547.035, RSMo demonstrates a person's innocence of the crime for which the person is in custody.

An individual who receives restitution pursuant to this subsection shall be prohibited from seeking any civil redress from the state, its departments and agencies, or any employee thereof, or any political subdivision or its employees. This subsection shall not be construed as a waiver of sovereign immunity for any purposes other than the restitution provided for herein. All restitution paid pursuant to this subsection shall be paid from moneys in the DNA profiling analysis fund. The department shall determine the aggregate amount of restitution owed during a fiscal year. If moneys remain in the fund on June 30th of each fiscal year, the remaining moneys shall be used to pay restitution to those individuals who have received an order awarding restitution under this subsection during the past fiscal year. If insufficient moneys remain in the fund on June 30th of each fiscal year to pay restitution to such persons, the department shall pay each individual who has received an order awarding restitution a pro rata share of the amount such person is owed. The remaining amounts owed to such individual shall be paid from the fund on June 30th of each subsequent fiscal year, provided moneys remain in the fund on June 30th, until such time as the restitution to the individual has been paid in full. No interest on unpaid restitution shall be awarded to the individual. If there are no moneys remaining in the DNA profiling analysis fund, then no payments shall be made under this subsection. No individual who has been determined by the court to be actually innocent shall be responsible for the costs of care under section 217.831, RSMo.

10. If the results of the DNA testing confirm the person's guilt, then the person filing for DNA testing under section 547.035, RSMo shall:

(a) Be liable for any reasonable costs incurred when conducting the DNA test, including but not limited to the cost of the test. Such costs shall be determined by the court and shall be included in the findings of fact and conclusions of law made by the court; and

(b) Be sanctioned under the provisions of section 217.262, RSMo.”; and

AMEND House Substitute for House Committee Substitute for Senate Committee Substitute for Senate Bill Nos. 1020, 889 & 869, Page 3, Section 493.050, Line 23 of said page, by inserting after all of said line the following:

"537.805. 1. Any person who:

- (1) Knowingly presents or causes to be presented, to an official or employee of the state, a false or fraudulent claim for payment or approval;**
- (2) Knowingly makes, uses, or causes to be made or used, a false record or statement to get a false or fraudulent claim paid or approved by the state;**
- (3) Knowingly delivers, or causes to be delivered, less property or money used, or to be used, by the state, than the amount for which the person receives a certificate or receipt;**
- (4) Knowingly delivers a document certifying receipt of property used, or to be used, by the state without completely knowing that the information on the receipt is true;**
- (5) Knowingly buys or receives as a pledge of an obligation or debt, public property from an official or employee of the state who lawfully may not sell or pledge the property;**
- (6) Knowingly makes, uses, or causes to be made or used, a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the state;**
- (7) Conspires to defraud the state by getting a false or fraudulent claim allowed or paid;**

is liable to the state for a penalty for each false claim of not less than five thousand dollars and not more than ten thousand dollars, plus three times the amount of actual damages which the state sustains because of the act of that person.

2. If the court finds that:

- (1) The person committing the violation of this section furnished officials of the state responsible for investigating false claims violations with all information known to such person about the violation within thirty days after the date on which the defendant first obtained the information;**
- (2) Such person fully cooperated with any state investigation of such violation; and**
- (3) At the time such person furnished the state with the information about the violation, no criminal prosecution, civil action, or administrative action had commenced with respect to such violation, and the person did not have actual knowledge of the existence of an investigation into such violation;**

the court may assess only the amount of damages which the state sustains because of the act of the person. The court may also grant immunity from criminal prosecution to such person for good cause at the request of the state. Any person violating subsection 1 of this section shall also be liable for the costs of any civil action brought to recover any such damages or penalties.

3. The state may dismiss the action, notwithstanding the objections of the person initiating the action if the person has been notified by the state of the filing of the motion and the court has provided the person with an opportunity for a hearing on the motion.

4. The state may settle the action with the defendant notwithstanding the objections of the person initiating the action if the court determines, after a hearing, that the proposed settlement is fair, adequate, and reasonable under all the circumstances. Upon a showing of good cause, such hearing may be held in camera.

5. As used in this section the following terms shall mean:

(1) "Claim", includes, but is not limited to, each request or demand, whether under a contract or otherwise, for money or property which is made to the state or to a contractor, grantee, or other recipient if the state provides any portion of the money or property which is requested or demanded, or if the state will reimburse such contractor, grantee, or other recipient for any portion of the money or property which is requested or demanded;

(2) "Knowing" and "Knowingly", a person:

(a) Has actual knowledge of the information;

(b) Acts in deliberate ignorance of the truth or falsity of the information; or

(c) Acts with specific intent to defraud.

537.810. 1. The attorney general shall investigate violations of section 537.805. The attorney general may bring a civil action in the name of the state if the attorney general finds that a person has violated or is violating section 537.805. But if any action involving the same violations has already been filed by a person under section 537.805, the state may only intervene in it as set forth in this section.

2. Any person may bring a civil action for a violation of section 537.805 in the name of the person and on behalf of the state. No such action shall be dismissed without the written consent of the attorney general after court approval.

3. The complaint shall be filed in camera, shall remain under seal for up to one hundred eighty days from the date of filing, and shall not be served on the defendant until the court so orders.

4. A copy of the petition filed by any person pursuant to sections 537.805 to 537.810 shall be served on the attorney general along with a disclosure statement describing the fraudulent acts or omissions and setting forth all evidence known to the person in support of the claims. The attorney general may proceed with the action by entering an appearance within one hundred eighty days of being served. The attorney general may, for good cause, extend such one hundred eighty day period upon request to the court, as necessary and may, for good cause shown, move the court for extensions of the time during which the complaint remains under seal pursuant to subsection 3 of this section. Any such motions may be supported by affidavits or other submissions in camera. The court may not grant extensions beyond one year from the date the action was filed. The defendant shall not be required to respond to any complaint filed pursuant to this section until thirty days after the complaint is unsealed and served upon the defendant. The person bringing the action may proceed with the action if the attorney general:

(1) By the end of the one hundred eighty day period or whatever extensions are granted by the court does not file a motion to intervene or obtain a continuance of the aforesaid time period; or

(2) Does not proceed with the action with reasonable diligence within six months after filing a motion to intervene, or within additional time the court allows after notice to the person bringing the action.

5. Except as provided in subsection 8 of this section, when a person brings an action pursuant to this section, no one else may bring a related action based on the facts underlying the pending action and only the attorney general may intervene pursuant to subsection 4 of this section.

6. If the attorney general initiates or intervenes in the action, it shall be conducted solely by the state, with notice of all proceedings to the person who filed the action as another party. The state is not bound by any act of the person bringing the action.

7. Unless the state proceeds with the action, the court shall dismiss an action brought by the person if the action is based on evidence or information known to the state when the action was brought.

8. If the false or fraudulent claim involves the attorney general's office, then the state auditor shall assume all powers, duties, and obligations that the attorney general has pursuant to section 537.805 and this section.

9. If the state proceeds with the action, the person bringing the action may receive an amount the court decides is reasonable. JOURNAL OF THE HOUSE

Second Regular Session, 92nd GENERAL ASSEMBLY

SIXTY-EIGHTH DAY, WEDNESDAY, MAY 12, 2004

The House met pursuant to adjournment.

Speaker Hanaway in the Chair.

Prayer by Reverend James Earl Jackson.

We cry out to You our God, "O Lord, there is none like You to help, between the mighty and the weak. Help us, O Lord our God, for we rely on You, and by Your grace we have championed the cause of the citizens of our districts. Yet we have much more to do."

Many say that You will never help us. Prove them wrong, O Lord, by letting the light of Your presence shine down upon us. By the liberality of Your wisdom showered upon us. By the strength of Your directive clearly communicated to us.

You have put gladness in our hearts. We are able to rest each night in peace, confident that our decisions are right for the people of this state.

And when our job is done, may we return to our families, our districts, our private lives, and future pursuits knowing that You alone make us dwell in safety.

Now may the grace of God be with us all.

In the name of Your Son we pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Flint Limberg, Katie Hale, Rachel Kohl, James Meenach, Joel Meenach, Jared West, Brittni Cambron, Spencer Powell, Ryan Merrifield, Hannah Wille, Anna Warren, Logan Lashley, Cameron Hackley, Miranda VanFossen, Taylor Mellon, Kallan Conger, Kierra Potter, Daniel Walker, Justin Howe, Elaina Sells, Mikaela Spires, Cody Agee, Tanner Lynn and Ronald Williams.

BILLS IN CONFERENCE

CCR SCS HCS HB 1305, as amended, relating to medical malpractice insurance, was taken up by Representative Byrd.

Representative Byrd moved that the House adopt **CCR SCS HCS HB 1305, as amended**.

Representative Crowell raised points of order that the substitute motion is not a true substitute motion; is a negative motion; and is deficient in that it fails to request that the Senate grant the House further conference.

The Chair ruled the points of order well taken.

Representative Byrd again moved that **CCR SCS HCS HB 1305, as amended**, be adopted.

"64.930. 1. The county sports complex authority shall consist of five commissioners who shall be qualified voters of the state of Missouri, and residents of such county. The commissioners of the county commission by a majority vote thereof shall submit a panel of nine names to the governor who shall select with the advice and consent of the senate five commissioners from such panel, no more than three of which shall be of any one political party, who shall constitute the members of such authority; provided, however, that no elective or appointed official of any political subdivision of the state of Missouri shall be a member of the county sports complex authority.

2. 3. Such sports complex commissioners shall serve in the following manner: One for two years, one for three years, one for four years, one for five years, and one for six years. Successors shall hold office for terms of five years, or for the unexpired terms of their predecessors. [Each sports complex commissioner shall hold office until his successor has been appointed and qualified.]

4. In the event a vacancy exists a new panel of three names shall be submitted by majority vote of the county commission to the governor for appointment. All such vacancies shall be filled within thirty days from the date thereof. **If the county commission has not submitted a panel of three names to the governor within thirty days of the expiration of a commissioner's term, the governor shall immediately make an appointment to the commission with the advice and consent of the senate. In the event the governor does not appoint a replacement, no commissioner shall continue to serve beyond the expiration of that commissioner's term.**

5. The compensation of the sports complex commissioners to be paid by the authority shall be determined by the sports complex commissioners, but in no event shall exceed the sum of three thousand dollars per annum. In addition, the sports complex commissioners shall be reimbursed by the authority for the actual and necessary expenses incurred in the performance of their duties. **No commissioner shall continue to serve beyond the expiration of that commissioner's term.**

64.940. 1. The authority shall have the following powers:

(1) To acquire by gift, bequest, purchase or lease from public or private sources and to plan, construct, operate and maintain, or to lease to others for construction, operation and maintenance a sports stadium, field house, indoor and outdoor recreational facilities, centers, playing fields, parking facilities and other suitable concessions, and all things incidental or necessary to a complex suitable for all types of sports and recreation, either professional or amateur, commercial or private, either upon, above or below the ground;

(2) To charge and collect fees and rents for use of the facilities owned or operated by it or leased from or to others;

(3) “Director”, the director of the department of revenue;

(4) “Domestic marijuana plant”, any cannabis plant at any level of growth which is harvested or tended, manicured, irrigated, fertilized, or where there is other evidence that it has been treated in any other way in an effort to enhance growth;

(5) “Marijuana”, any marijuana, whether real or counterfeit, as defined in section 149.011 which is held, possessed, transported, transferred, sold, or offered to be sold.

144.533. 1. There is hereby imposed a tax upon marijuana, domestic marijuana plants and controlled substances at the following rates:

(1) On each gram of marijuana, or each portion of a gram, three dollars and fifty cents;

(2) On each gram of a wet domestic marijuana plant, forty cents;

(3) On each gram of a dry domestic marijuana plant, ninety cents;

(4) On each gram of controlled substance, or portion of a gram, two hundred dollars; and

(5) On each fifty dosage units of a controlled substance that is not sold by weight, or portion thereof, two thousand dollars.

2. For the purpose of calculating such tax, an ounce of marijuana or other controlled substance is measured by the weight of the substance in the dealer's possession. The weight of the marijuana or controlled substance includes all material, mixture or preparation that is added to the marijuana or controlled substance.

144.536. 1. The director shall administer the collection of the tax imposed pursuant to section 144.533. All tax payments shall be made to the director, and shall be accompanied by a form devised and furnished by the director.

2. The director shall adopt a uniform system of providing, affixing and displaying official stamps, labels or other indicia for marijuana and controlled substances upon which a tax is imposed.

3. The director may promulgate rules and regulations necessary to administer and enforce the provisions of sections 144.530 to 144.563.

144.539. 1. No dealer may possess any marijuana, domestic marijuana plant, or controlled substance upon which a tax is imposed pursuant to section 144.533 unless the tax has been paid as evidenced by an official stamp or other indicia.

2. Official stamps, labels, or other indicia to be affixed to all marijuana, domestic marijuana plants, or controlled substances shall be purchased from the director. The purchaser shall pay one hundred percent of face value for each stamp, label, or other indicia at the time of purchase. Each such stamp, label, or other indicia shall only be valid for three months after its date of issuance. The director shall issue the stamps, labels, or other indicia in denominations in multiples of ten dollars. Any person may purchase any such stamp, label, or other indicia without disclosing such person's identity.

3. When a dealer purchases, acquires, transports, or imports into this state marijuana, domestic marijuana plants, or controlled substances on which a tax is imposed pursuant to section 144.533 and if the indicia evidencing the payment of the tax have not already been affixed, the dealer shall have them permanently affixed on the marijuana, domestic marijuana plant, or controlled substance immediately after receiving the substance. Each stamp or other official indicia may be used only once.

4. Taxes imposed upon marijuana, domestic marijuana plants, or controlled substances pursuant to the provisions of sections 144.530 to 144.563 are due and payable immediately upon acquisition or possession in this state by a dealer.

144.542. 1. At such time as the director shall determine that a dealer has not paid the tax as directed pursuant to section 144.539 the director may immediately assess a tax based on personal knowledge or information available to the director; mail to the taxpayer at the taxpayer's last known address or serve in person, a written notice of the amount of tax, penalties, and interest; and demand its immediate payment. If payment is not immediately made, because collection of every assessment made hereunder is presumed to be in jeopardy due

to the nature of the commodity being taxed, the director may immediately collect the tax, penalties, and interest in any manner pursuant to section 144.563.

2. The taxpayer may appeal the assessment within fifteen days from the date of mailing of the notice or the date of personal service of the notice given pursuant to subsection 1 of this section, by requesting in writing a hearing by the director on the correctness of the assessment. The hearing shall be conducted in accordance with the provisions of chapter 536, RSMo. An appeal of the assessment shall not stay the collection of the assessment but shall stay the sale of real or personal property seized pursuant to section 144.563 until the director rules on the correctness of the assessment.

3. The tax, penalties, and interest assessed by the director are presumed to be valid and correctly determined and assessed. The burden is upon the taxpayer to show their incorrectness or invalidity. Any statement filed by the director with the court or any other certificate by the director of the amount of tax, penalties, and interest determined or assessed is admissible in evidence and constitutes prima facie evidence of the facts it contains.

4. In making an assessment pursuant to subsection 1 of this section, the director may consider a plea agreement or judicial determination made in any criminal case.

5. All taxes not paid to the director of revenue by the person required to remit the same on the date when the same becomes due and payable to the director of revenue shall bear interest at the rate determined by section 32.065, RSMo, from and after such date until paid.

144.545. Neither the director nor a public employee may reveal facts contained in a report or return required by sections 144.530 to 144.563. No information contained in such a report or return may be used against the dealer in any criminal proceeding unless independently obtained, except in connection with a proceeding involving taxes due pursuant to the provisions of sections 144.530 to 144.563 from the taxpayer making the return.

144.548. For the purpose of determining the correctness of any return, determining the amount of tax that should have been paid, determining whether or not the dealer should have made a return or paid taxes, or collecting any taxes pursuant to the provisions of sections 144.530 to 144.563, the director may examine, or cause to be examined, any books, papers, records, or memoranda, that may be relevant to making such determinations, whether the books, papers, records, or memoranda, are the property of or in the possession of the dealer or another person. The director may require the attendance of any person having knowledge or information that may be relevant, compel the production of books, papers, records, or memoranda by persons required to attend, take testimony on matters material to the determination, and administer oaths or affirmations. Upon demand of the director or any examiner or investigator, the court shall issue a subpoena for the attendance of a witness or the production of books, papers, records, or memoranda. The director may also issue subpoenas. Disobedience of subpoenas issued pursuant to the provisions of sections 144.530 to 144.563 is punishable by the circuit court of the county or city not within a county in which the subpoena is issued, or, if the subpoena is issued by the director, by the circuit court of the county or city not within a county in which the party served with the subpoena is located, in the same manner as contempt of court.

144.551. Any dealer violating the provisions of sections 144.530 to 144.563 is subject to a penalty of one hundred percent of the tax in addition to the tax imposed pursuant to section 144.533.

144.554. Nothing in sections 144.530 to 144.563 shall in any manner provide immunity for a dealer from criminal prosecution.

144.557. The director shall submit annually fifty percent of all moneys received from the collection of taxes and from assessments of delinquent taxes and penalties imposed pursuant to the provisions of sections 144.530 to 144.563 to the state treasurer, who shall deposit one-half thereof in the MoSMART fund created pursuant to section 650.350, RSMo, and one-half thereof in the "controlled substances clean-up fund", created in section 640.040, RSMo, to be used to provide training and necessary supplies and equipment pursuant to law enforcement and fire department personnel and to assist in the clean-up and disposal of components of controlled substances and administration thereof. The director shall remit annually the remaining fifty percent of all moneys received from the collection of taxes and from assessments of delinquent taxes and penalties imposed pursuant to the provisions of sections 144.530 to 144.563 as follows:

(1) If the law enforcement agency which conducted the investigation is a county agency, the entire amount shall not be considered state funds and shall be deposited in the county treasury and credited to a special law enforcement trust fund for use solely for law enforcement and criminal prosecution purposes; or

(2) If the law enforcement agency which conducted the investigation is a city agency, the entire amount shall not be considered state funds and shall be deposited in the city treasury and credited to a special law enforcement trust fund for use solely for law enforcement and criminal prosecution purposes; or

(3) If the law enforcement agency which conducted the investigation is a state agency, the entire amount shall be deposited in the state general revenue fund to be appropriated to the state agency for use in law enforcement purposes; or

(4) If more than one law enforcement agency is substantially involved in the investigative process, the amount shall not be considered state funds and shall be distributed equally among the city, county and state law enforcement agencies involved and credited to the appropriate county and city special law enforcement trust funds and state law enforcement agency funds unless an alternate distribution is mutually agreed upon by the law enforcement agencies involved and submitted in writing to the director.

Funds received shall not be considered to be a source of revenue to meet normal operating expenses of law enforcement agencies.

144.563. 1. Whenever a taxpayer liable to pay any tax, penalty or interest assessed pursuant to section 144.542, refuses or neglects to immediately pay the amount due, the director may issue one or more warrants for the immediate collection of the amount due, directed to the chief law enforcement officer of any county or city not within a county commanding the chief law enforcement officer to seize and sell the real and personal property of the taxpayer found within the county or city not within a county to satisfy the amount specified on the warrant and the cost of executing the warrant. The director may also issue one or more warrants directed to any employee of the department of revenue commanding the employee to seize and sell the real and personal property of the taxpayer found anywhere within the state to satisfy the amount specified on the warrant and the cost of executing the warrant. A copy of the warrant shall also be mailed to the taxpayer at the taxpayer's last known address or served upon the taxpayer in person.

2. The chief law enforcement officer or department of revenue employee shall proceed to execute upon the warrant in the same manner as provided for distress warrants pursuant to sections 136.180 and 136.190, RSMo, except as otherwise provided in this section. In the execution of a warrant issued to a department of revenue employee, the employee shall have all of the powers conferred by law upon a chief law enforcement officer. Any law enforcement officer may assist in the execution of a warrant if requested to do so by a department of revenue employee.

3. No law exempting any goods and chattels, land and tenements from forced sale under execution shall apply to a seizure and sale under any warrant.

4. A third party holding funds or other personal property of the taxpayer shall immediately, or as soon thereafter as possible, after service of the warrant on such third party, deliver such funds or other personal property to the chief law enforcement officer or department of revenue employee, who shall then deliver such to the director or the director's designee for deposit toward the balance due on the taxpayer's assessment pursuant to section 136.110.

5. The chief law enforcement officer or department of revenue employee shall proceed to levy, collect, and sell such property in the manner pursuant to sections 136.200 to 136.230, RSMo.

6. The taxpayer shall have the right to redeem real property within a period of six months from the date of the sale.

7. The director shall have the right at any time to issue alias warrants until the full amount of the tax, penalty, and interest is collected.”; and

(1) Giving the director prior notice of the licensee's intention in such form as prescribed by the director;

(2) Paying a fee to be established by the director by administrative rule.

2. Upon receipt of the notice and fee required by subsection 1 of this section, the director shall issue a certificate for the additional office. The certificate shall be conspicuously displayed in the respective additional office.

443.849. A corporate surety bond in the principal sum of twenty thousand dollars shall accompany each application for a **mortgage broker** license. The bond shall be in a form satisfactory to the director and shall be issued by a bonding company or insurance company authorized to do business in this state, to secure the faithful performance of the obligations of the applicant and the agents and subagents of the applicant in connection with the activities of originating, servicing or acquiring mortgage loans. An applicant or licensee may, in lieu of filing the bond required pursuant to this section, provide the director with a twenty thousand dollar irrevocable letter of credit, as defined in section 400.5-103, RSMo, issued by any financial institution.

443.851. 1. At the end of the **mortgage broker** licensee's fiscal year, but in no case more than twelve months after the last audit conducted pursuant to this section and section 443.853, each **mortgage broker** licensee shall cause the **mortgage broker** licensee's books and accounts to be audited by a certified public accountant not connected with such **mortgage broker** licensee. The books and records of all **mortgage broker** licensees shall be maintained on an accrual basis. The audit shall be sufficiently comprehensive in scope to permit the expression of an opinion on the financial statements in the report and must be performed in accordance with generally accepted accounting principles and generally accepted auditing standards.

2. As used in this section and section 443.853, the term "expression of opinion" includes either:

- (1) An unqualified opinion;

4. The audit report shall be filed with the director within one hundred twenty days of the audit date. The report filed with the director shall be certified by the certified public accountant conducting the audit. The director may promulgate rules regarding late audit reports.

5. As an alternative to the audit requirements of subsections 1 to 4 of this section, a **mortgage broker** licensee may meet the requirements of this section without filing an audit report by posting and maintaining a corporate surety bond, in addition to that described in section 443.849, in the amount of one hundred thousand dollars. The bond shall be in form specified by and satisfactory to the director and payable to the director and shall be issued by a bonding company or insurance company authorized to do business in this state, to secure the faithful performance of the obligations of the **mortgage broker** licensee, its agents and subagents in connection with the activities of originating, servicing or acquiring mortgage loans. A **mortgage broker** licensee may, in lieu of this bond, provide the director with a one hundred thousand dollar irrevocable letter of credit, as defined in section 400.5-103, RSMo, issued by any financial institution.

443.855. In addition to such other rules the director may promulgate to effectuate sections 443.800 to 443.893, the director shall prescribe rules governing the advertising of mortgage loans, including, without limitation, the following requirements:

(1) Advertising for loans transacted pursuant to the requirements of sections 443.800 to 443.893 may not be false, misleading or deceptive. No person whose activities are regulated pursuant to the provisions of sections 443.800 to 443.893 may advertise in any manner so as to indicate or imply that the person's interest rates or charges for loans are in any way recommended, approved, set or established by the state or by the provisions of sections 443.800 to 443.893;

(2) All advertisements by a **mortgage broker** licensee shall contain the name and an office address of such entity, which shall conform to a name and address on record with the director.

443.857. Each **mortgage broker** licensee shall maintain, in the state of Missouri, at least one full-service office with staff reasonably adequate to efficiently handle all matters relating to any proposed or existing home mortgage with respect to which such licensee is performing services.

443.859. Effective [May 21, 1998] **January 1, 2005**, every **mortgage broker** licensee shall have and maintain a net worth of not less than [twenty-five] **fifty** thousand dollars. The director may promulgate rules with respect to net worth definitions and requirements for **mortgage broker** licensees as necessary to accomplish the purposes of sections 443.800 to 443.893. [In lieu of the net worth requirement established by this section, the director may accept evidence of conformance by the licensee with the net worth requirements of the United States Department of Housing and Urban Development.]

443.885. On or before March first of each year, each **mortgage broker** licensee, except those exempt entities provided for in subsection 8 of section 443.803, shall file a report with the director which shall disclose the following information with respect to the immediately preceding calendar year:

(1) A list of home mortgages granted, issued, originated or closed during the report period, with respect to which such licensee has had any connection. (3) If the director finds that another report that the licensee is required to compile is equivalent to the annual report of mortgage activity, then the director may accept such report as fulfilling the reporting requirements of this section;

(4) The director may also require by rule that licensees report such additional information as is necessary to assure strict compliance with the provisions of sections 443.800 to 443.893."; and

Such children's services providers and agencies under contract with the division shall be subject to all federal, state, and local laws and regulations relating to the provision of such services, and shall be subject to oversight and inspection by appropriate state agencies to assure compliance with standards which shall be consistent with the federal standards, but not less than the standards and policies used by the children's division as of January 1, 2004.

3. In entering into and implementing contracts under subsection 2 of this section, the division shall consider and direct their efforts towards geographic areas of the state, including Greene County, where eligible direct children's services providers and agencies are currently available and capable of providing a broad range of services, including case management services, family-centered services, foster and adoptive parent recruitment and retention, residential care, family preservation services, foster care services, adoption services, relative care case management, other planned living arrangements, and family reunification services consistent with federal guidelines. Nothing in this subsection shall prohibit the division from contracting on an as-needed basis for any individual child welfare service listed above.

4. The contracts entered into under this section shall assure that:

(1) Child welfare services shall be delivered to a child and the child's family by professionals who have substantial and relevant training, education, or competencies otherwise demonstrated in the area of children and family services;

(2) Children's services providers and agencies shall be evaluated by the division based on objective, consistent, and performance-based criteria;

(3) Any case management services provided shall be subject to a case management plan established under subsection 5 of this section which is consistent with all relevant federal guidelines. The case management plan shall focus on attaining permanency in children's living conditions to the greatest extent possible and shall include concurrent planning and independent living where appropriate in accordance with the best interests of each child served and considering relevant factors applicable to each individual case as provided by law, including:

(a) The interaction and interrelationship of a child with the child's foster parents, biological or adoptive parents, siblings, and any other person who may significantly affect the child's best interests;

(b) A child's adjustment to his or her foster home, school, and community;

(c) The mental and physical health of all individuals involved, including any history of abuse of or by any individuals involved; and

(d) The needs of the child for a continuing relationship with the child's biological or adoptive parents and the ability and willingness of the child's biological or adoptive parents to actively perform their functions as parents with regard to the needs of the child;

(4) The delivery system shall have sufficient flexibility to take into account children and families on a case-by-case basis;

(5) The delivery system shall provide a mechanism for the assessment of strategies to work with children and families immediately upon entry into the system to maximize permanency and successful outcome in the shortest time possible and shall include concurrent planning. Outcome measures for private and public agencies shall be equal for each program; and

(6) Payment to the children's services providers and agencies shall be made based on the reasonable costs of services, including responsibilities necessary to execute the contract. Contracts shall provide incentives in addition to the costs of services provided in recognition of accomplishment of the case goals and the corresponding cost savings to the state. The division shall promulgate rules to implement the provisions of this subdivision.

5. Contracts entered into under this section shall require that a case management plan consistent with all relevant federal guidelines shall be developed for each child at the earliest time after the initial investigation, but in no event longer than fourteen days after the initial investigation or referral to the contractor by the division. Such case management plan shall be presented to the court and be the foundation of service delivery to the child and family. The case management plan shall, at a minimum, include:

(1) An outcome target based on the child and family situation achieving permanency or independent living, where appropriate;

(2) Services authorized and necessary to facilitate the outcome target;

(3) Timeframes in which services will be delivered; and

(4) Necessary evaluations and reporting.

In addition to any visits and assessments required under case management, services to be provided by a public or private children's services provider under the specific case management plan may include family-centered services, foster and adoptive parent recruitment and retention, residential care, in-home services, foster care services, adoption services, relative care case services, planned permanent living services, and family reunification services. In all cases, an appropriate level of services shall be provided to the child and family after permanency is achieved to assure a continued successful outcome.

6. On or before July 15, 2006, and each July fifteenth thereafter that the project is in operation, the division shall submit a report to the general assembly which shall include:

(1) Details about the specifics of the contracts, including the number of children and families served, the cost to the state for contracting such services, the current status of the children and families served, an assessment of the quality of services provided and outcomes achieved, and an overall evaluation of the project; and

(2) Any recommendations regarding the continuation or possible statewide implementation of such project; and

(3) Any information or recommendations directly related to the provision of direct services for children and their families that any of the contracting children's services providers and agencies request to have included in the report.

7. The division shall accept as prima facie evidence of completion of the requirements for licensure under sections 210.481 to 210.511 proof that an agency is accredited by any of the following nationally recognized bodies: the Council on Accreditation of Services, Children and Families, Inc.; the Joint Commission on Accreditation of Hospitals; or the Commission on Accreditation of Rehabilitation Facilities. The division shall not require any further evidence of qualification for licensure if such proof of voluntary accreditation is submitted.

8. By February 1, 2005, the children's division shall promulgate and have in effect rules to implement the provisions of this section, and pursuant to this section, shall define implementation plans and dates. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after the effective date of this section shall be invalid and void.”; and

Further amend said title, enacting clause and intersectional references accordingly.

2. In the event a certified law enforcement officer has probable cause to believe that a student of a public or charter school in this state has concealed a deadly or dangerous weapon on the student’s person and is present on the property of the school, such officer may detain the student for the limited purpose of conducting a search and may conduct a strip search of such student as defined and limited in section 544.193, RSMo, and pursuant to the limitations and provisions of this subsection, only to the limited extent reasonably necessary to determine whether the student has possession of a deadly or dangerous weapon and to take possession of any such weapon if found on the person of the student. 5. Each driver who violates the provisions of subsection 2 or 3 of this section is guilty of an infraction for which a fine not to exceed [ten] **twenty-five** dollars may be imposed. SENATE CONCURRENT RESOLUTION NO. 49

WHEREAS, the General Assembly favors a sound dollar that reflects economic fundamentals, but not one that is so excessively strong as to be overvalued; and

WHEREAS, the value of the U.S. dollar against other major currencies has risen thirty percent since 1997 and has reached the highest level in sixteen years despite the fact that economic fundamentals have moved in the opposite direction; and

WHEREAS, this rise in the value of the dollar is imposing the equivalent of a thirty percent added tariff on U.S. exports and permits imports to be sold at artificially low prices in the United States—with the effect of severely hampering the exports of American manufactured goods, artificially increasing imports above what they otherwise would be, and distorting the earnings of U.S. affiliates overseas; and

WHEREAS, since August 2000, U.S. manufactured goods exports fell one hundred forty billion dollars, which accounted for nearly forty percent of the decline in U.S. manufacturing production and employment and for the loss of more than five hundred thousand factory jobs; and

WHEREAS, a broad range of U.S. industries have seen a sharp decline in their ability to compete against imports since the dollar began its climb in 1997, with commensurate additional losses of American jobs; and

WHEREAS, both small and large companies are being affected, and after rising steadily throughout the 1990s, the proportion of small- and medium-sized companies exporting at least twenty-five percent of their production has now declined to the lowest level since the National Association of Manufacturers began surveying; and

WHEREAS, the trade and job losses related to the excessive strength of the dollar are decreasing support for free trade policies and leading to increased pressures for protectionism; and

WHEREAS, the value of the dollar has failed to move in the direction of an equilibrium that would end trade distortions, principally because of market imperfections such as a belief that governments will intervene to keep currency relationships at their present levels:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-Second General Assembly, Second Regular Session, the House of Representatives concurring therein, urge the President of the United States of America and Congress to consider actions that can be taken to enable the dollar and other major currencies to move toward their equilibrium rates by correcting market imperfections, countering foreign country currency manipulations, and seeking cooperation among major countries in taking coordinated actions as appropriate; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the President of the United States and the members of the Missouri Congressional delegation.

In which the concurrence of the House is respectfully requested.

Madam Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted **HCS SB 1114** and has taken up and passed **HCS SB 1114**.

Madam Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **HB 869**.

giving wisdom to the simple."
(Psalm 19:8)

Holy Lord, may the work we have done this Spring on legislation for our state participate in the perfection of Your law. Much of our work has been for those in great need. May it bring refreshment to their souls. Much of our work has been on issues of justice. May it give wisdom to the simple.

As we continue our work today and conclude it tomorrow, sustain us in the commitment with which we began in January.

We pray to You, who are our God, forever and ever. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Matt Ilges, Kyra Goldman, Damien Burke, Elise Maletich, Eva White, Nadja Curt, Trey Brockmeier, Audrey Schickler, Jeff Doggendorf, Stephanie Ann McHenry, Micah Stewart, Taylor Green, Rachel Kohl, Hunter C. Senate Amendment No. 4

AMEND Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill Nos. 946, 1106 & 952, Page 12, Section 50.515, Line 12 of said page, by inserting after all of said line the following:

“137.115. 1. All other laws to the contrary notwithstanding, the assessor or the assessor's deputies in all counties of this state including the city of St. Louis shall annually make a list of all real and tangible personal property taxable in the assessor's city, county, town or district. Except as otherwise provided in subsection 3 of this section, the assessor shall annually assess all personal property at thirty-three and one-third percent of its true value in money as of January first of each calendar year. The assessor shall annually assess all real property, including any new construction and improvements to real property, and possessory interests in real property at the percent of its true value in money set in subsection 5 of this section. The assessor shall annually assess all real property in the following manner: new assessed values shall be determined as of January first of each odd-numbered year and shall be entered in the assessor's books; those same assessed values shall apply in the following even-numbered year, except for new construction and property improvements which shall be valued as though they had been completed as of January first of the preceding odd-numbered year. The assessor may call at the office, place of doing business, or residence of each person required by this chapter to list property, and require the person to make a correct statement of all taxable tangible personal property owned by the person or under his or her care, charge or management, taxable in the county. On or before January first of each even-numbered year, the assessor shall prepare and submit a two-year assessment maintenance plan to the county governing body and the state tax commission for their respective approval or modification. The county governing body shall approve and forward such plan or its alternative to the plan to the state tax commission by February first. If the county governing body fails to forward the plan or its alternative to the plan to the state tax commission by February first, the assessor's plan shall be considered approved by the county governing body. If the state tax commission fails to approve a plan and if the state tax commission and the assessor and the governing body of the county involved

are unable to resolve the differences, in order to receive state cost-share funds outlined in section 137.750, the county or the assessor shall petition the administrative hearing commission, by May first, to decide all matters in dispute regarding the assessment maintenance plan. Upon agreement of the parties, the matter may be stayed while the parties proceed with mediation or arbitration upon terms agreed to by the parties. The final decision of the administrative hearing commission shall be subject to judicial review in the circuit court of the county involved. In the event a valuation of subclass (1) real property within any county with a charter form of government, or within a city not within a county, is made by a computer, computer-assisted method or a computer program, the burden of proof, supported by clear, convincing and cogent evidence to sustain such valuation, shall be on the assessor at any hearing or appeal. In any such county, unless the assessor proves otherwise, there shall be a presumption that the assessment was made by a computer, computer-assisted method or a computer program. Such evidence shall include, but shall not be limited to, the following:

(1) The findings of the assessor based on an appraisal of the property by generally accepted appraisal techniques; and

(2) The purchase prices from sales of at least three comparable properties and the address or location thereof. As used in this paragraph, the word “comparable” means that:

(a) Such sale was closed at a date relevant to the property valuation; and
 (b) Such properties are not more than one mile from the site of the disputed property, except where no similar properties exist within one mile of the disputed property, the nearest comparable property shall be used. Such property shall be within five hundred square feet in size of the disputed property, and resemble the disputed property in age, floor plan, number of rooms, and other relevant characteristics.

2. Assessors in each county of this state and the city of St. Louis may send personal property assessment forms through the mail.

3. The following items of personal property shall each constitute separate subclasses of tangible personal property and shall be assessed and valued for the purposes of taxation at the following percents of their true value in money:

(1) Grain and other agricultural crops in an unmanufactured condition, one-half of one percent;
 (2) Livestock, twelve percent;
 (3) Farm machinery, twelve percent;
 (4) Motor vehicles which are eligible for registration as and are registered as historic motor vehicles pursuant to section 301.131, RSMo, **one-half of one percent; [and]**

(5) Aircraft which are at least twenty-five years old and which are used solely for noncommercial purposes and are operated less than fifty hours per year or aircraft that are home built from a kit, five percent;

~~[(5)]~~ (6) Poultry, twelve percent; and

~~[(6)]~~ (7) Tools and equipment used for pollution control and tools and equipment used in retooling for the purpose of introducing new product lines or used for making improvements to existing products by any company which is located in a state enterprise zone and which is identified by any standard industrial classification number cited in subdivision (6) of section 135.200, RSMo, twenty-five percent.

4. The person listing the property shall enter a true and correct statement of the property, in a printed blank prepared for that purpose. The statement, after being filled out, shall be signed and either affirmed or sworn to as provided in section 137.155. The list shall then be delivered to the assessor.

5. All subclasses of real property, as such subclasses are established in section 4(b) of article X of the Missouri Constitution and defined in section 137.016, shall be assessed at the following percentages of true value:

(1) For real property in subclass (1), nineteen percent;
 (2) For real property in subclass (2), twelve percent; and
 (3) For real property in subclass (3), thirty-two percent.

6. Manufactured homes, as defined in section 700.010, RSMo, which are actually used as dwelling units shall be assessed at the same percentage of true value as residential real property for the purpose of taxation. The percentage of assessment of true value for such manufactured homes shall be the same as for residential real property. If the county collector cannot identify or find the manufactured home when attempting to attach the manufactured home for payment of taxes owed by the manufactured home owner, the county collector may request the county commission to have the manufactured home removed from the tax books, and such request shall be granted within thirty days after the request is made; however, the removal from the tax books does not remove the tax lien on the manufactured home if it is later identified or found. A manufactured home located in a manufactured home rental park, rental community or on real estate not owned by the manufactured home owner shall be considered personal property. A manufactured home located on real estate owned by the manufactured home owner may be considered real property.

7. Each manufactured home assessed shall be considered a parcel for the purpose of reimbursement pursuant to section 137.750, unless the manufactured home has been converted to real property in compliance with section 700.111, RSMo, and assessed as a realty improvement to the existing real estate parcel.

8. Any amount of tax due and owing based on the assessment of a manufactured home shall be included on the personal property tax statement of the manufactured home owner unless the manufactured home has been converted to real property in compliance with section 700.111, RSMo, in which case the amount of tax due and owing on the assessment of the manufactured home as a realty improvement to the existing real estate parcel shall be included on the real property tax statement of the real estate owner.

9. The assessor of each county and each city not within a county shall use the trade-in value published in the October issue of the National Automobile Dealers' Association Official Used Car Guide, or its successor publication, as the recommended guide of information for determining the true value of motor vehicles described in such publication. In the absence of a listing for a particular motor vehicle in such publication, the assessor shall use such information or publications which in the assessor's judgment will fairly estimate the true value in money of the motor vehicle.

10. Before the assessor may increase the assessed valuation of any parcel of subclass (1) real property by more than fifteen percent since the last assessment, excluding increases due to new construction or improvements, the assessor shall conduct a physical inspection of such property.

11. If a physical inspection is required, pursuant to subsection 10 of this section, the assessor shall notify the property owner of that fact in writing and shall provide the owner clear written notice of the owner's rights relating to the physical inspection. If a physical inspection is required, the property owner may request that an interior inspection be performed during the physical inspection. The owner shall have no less than thirty days to notify the assessor of a request for an interior physical inspection.

12. A physical inspection, as required by subsection 10 of this section, shall include, but not be limited to, an on-site personal observation and review of all exterior portions of the land and any buildings and improvements to which the inspector has or may reasonably and lawfully gain external access, and shall include an observation and review of the interior of any buildings or improvements on the property upon the timely request of the owner pursuant to subsection 11 of this section. Mere observation of the property via a "drive-by inspection" or the like shall not be considered sufficient to constitute a physical inspection as required by this section.

13. The provisions of subsections 11 and 12 of this section shall only apply in any county with a charter form of government with more than one million inhabitants.

14. A county or city collector may accept credit cards as proper form of payment of outstanding property tax due. No county or city collector may charge surcharge for payment by credit card which exceeds the fee or surcharge charged by the credit card bank for its service.

15. The provisions of this section and sections 137.073, 138.060 and 138.100, RSMo, shall become effective January 1, 2003, for any taxing jurisdiction which has at least seventy-five percent of the land area of such jurisdiction within a county with a charter form of government with greater than one million inhabitants, and the provisions of this section and sections 137.073, 138.060 and 138.100, RSMo, shall become effective January 1, 2005, for all taxing jurisdictions in this state. Any county in this state may, by an affirmative vote of the governing body of such county, opt into the provisions of this act prior to January 1, 2005."; and

Further amend the title and enacting clause accordingly.

“301.196. 1. Beginning January 1, 2006, except as otherwise provided in this section, the transferor of an interest in a motor vehicle or trailer listed on the face of a Missouri title, excluding salvage titles and junking certificates, shall notify the department of revenue of the transfer within thirty days of the date of transfer. The notice shall be in a form determined by the department by rule and shall contain:

- (1) A description of the motor vehicle or trailer sufficient to identify it;**
- (2) The vehicle identification number of the motor vehicle or trailer;**
- (3) The name and address of the transferee;**

2. For purposes of giving notice under this section, if the transfer occurs by operation of law, the personal representative, receiver, trustee, sheriff, or other representative or successor in interest of the person whose interest is transferred shall be considered the transferor. Repossession by a creditor shall not be considered a transfer of ownership requiring such notice.

3. The requirements of this section shall not apply to transfers when there is no complete change of ownership interest or upon award of ownership of a motor vehicle or trailer made by court order, or transfers of ownership of a motor vehicle or trailer to or between vehicle dealers, or transfers of beneficial ownership of a motor vehicle owned by a trust.

4. Notification under this section is only required for transfers of ownership that would otherwise require registration and an application for certificate of title in this state under section 301.190, and is for informational purposes only and does not constitute an assignment or release of any interest in the vehicle.

5. Retail sales made by licensed dealers including sales of new vehicles shall be reported pursuant to the provisions of section 301.280.

301.197. 1. Beginning January 1, 2006, upon receipt of a notification of transfer described in section 301.196, the department shall make a notation on its records indicating that it has received notification that an interest in the motor vehicle or trailer has been transferred. The notation shall be made whether or not the form submitted to the department contains all the information required by section 301.196, so long as there is sufficient information to identify the motor vehicle or trailer and the name and address of the transferee. Thereafter, until a new title is issued, when the department is asked or is required by law to provide the name of the owner or lienholder of a motor vehicle or trailer as shown on its records, the department shall provide the name of the owner or lienholder recorded on the latest title or lien perfection of record and indicate that department records show a notification of transfer but do not show a title transfer. 2. If the department does not receive an application for title from the person named as transferee in a form submitted pursuant to section 301.196 within sixty days of the receipt of the form, the department shall notify the transferee to apply for title. Notification shall be made as soon after the sixtieth day after receipt of the form as is convenient for the department. The provisions of this subsection shall be in addition to the requirements of section 301.190.

Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2004, shall be invalid and void. Beginning January 1, 2006, a person commits the offense of knowingly submitting false information about transfer of a vehicle if the person submits a notice of transfer of an interest in a motor vehicle or trailer as described in section 301.196 to the department of revenue and the person knows that some or all of the information contained in the notice is false. The offense described in this section, knowingly submitting false information about transfer of a vehicle, is a class C misdemeanor.

2. Any person who fails to submit the required notice pursuant to section 301.196 shall be guilty of an infraction. If the failure to submit the required notice was done to assist the transferee to avoid applying for title, paying applicable registration fees or other fraudulent purposes, then the person shall be guilty of a class C misdemeanor.

301.280. 1. Every motor vehicle dealer and boat dealer shall make a monthly report to the department of revenue, on blanks to be prescribed by the department of revenue, giving the following information: Date of the sale of

The odometer reading is not required when reporting the sale of any motor vehicle that is ten years old or older, any motor vehicle having a gross vehicle weight rating of more than sixteen thousand pounds, new vehicles that are transferred on a manufacturer's statement of origin between one franchised motor vehicle dealer and another, or boats, all-terrain vehicles or trailers. The sale of all [twenty-day] **thirty-day** temporary permits, without exception, shall be recorded in the appropriate space on the dealer's monthly sales report by recording the complete permit number issued on the motor vehicle or trailer sale listed. The monthly sales report shall be completed in full and signed by an officer, partner, or owner of the dealership, and actually received by the department of revenue on or before the fifteenth day of the month succeeding the month for which the sales are being reported. If no sales occur in any given month, a report shall be submitted for that month indicating no sales. **Any vehicle dealer who fails to file a monthly report or who fails to file a timely report shall be subject to disciplinary action as prescribed in section 301.562 or a penalty assessed by the director not to exceed three hundred dollars per violation.** Every motor vehicle and boat dealer shall retain copies of the monthly sales report as part of the records to be maintained at the dealership location and shall hold them available for inspection by appropriate law enforcement officials and officials of the department of revenue. **Beginning January 1, 2006, the monthly sales report required by this subsection may be filed electronically. Beginning January 1, 2007, every vehicle dealer selling twenty or more vehicles a month shall file the monthly sales report with the department in an electronic format. Any dealer filing a monthly sales report in an electronic format shall be exempt from filing the notice of transfer required by section 301.196. For any dealer not filing electronically, the notice of transfer required by section 301.196 shall be submitted with the monthly sales report as prescribed by the director.**

2. Every dealer and every person operating a public garage shall keep a correct record of the vehicle identification number, odometer setting, manufacturer's name of all motor vehicles or trailers accepted by him for the purpose of sale, rental, storage, repair or repainting, together with the name and address of the person delivering such motor vehicle or trailer to the dealer or public garage keeper, and the person delivering such motor vehicle or trailer shall record such information in a file kept by the dealer or garage keeper. The record shall be kept for three years and be open for inspection by law enforcement officials and persons, agencies and officials designated by the director of revenue.

3. Every dealer and every person operating a public garage in which a motor vehicle remains unclaimed for a period of fifteen days shall, within five days after the expiration of that period, report the motor vehicle as unclaimed to the director of revenue. Such report shall be on a form prescribed by the director of revenue. A motor vehicle left by its owner whose name and address are known to the dealer or his employee or person operating a public garage or his employee is not considered unclaimed. Any dealer or person operating a public garage who fails to report a motor vehicle as unclaimed as herein required forfeits all claims and liens for its garaging, parking or storing.

4. The director of revenue shall maintain appropriately indexed cumulative records of unclaimed vehicles reported to the director. Such records shall be kept open to public inspection during reasonable business hours.

5. The alteration or obliteration of the vehicle identification number on any such motor vehicle shall be prima facie evidence of larceny, and the dealer or person operating such public garage shall upon the discovery of such obliteration or alteration immediately notify the highway patrol, sheriff, marshal, constable or chief of police of the municipality where the dealer or garage keeper has his place of business, and shall hold such motor vehicle or trailer for a period of forty-eight hours for the purpose of an investigation by the officer so notified.”; and

Further amend said bill, Page 144, Section 302.233, Line 2 of said page, by inserting after all of said line the following:

“304.154. 1. Beginning January 1, 2005, a towing company operating a tow truck pursuant to the authority granted in section 304.155 or 304.157 shall:

In the event the property creating a traffic hazard is a commercial motor vehicle, as defined in section 302.700, RSMo, the department's authority under this subsection shall be limited to authorizing a towing company to remove the commercial motor vehicle to a place of safety, except that the owner of the commercial motor vehicle or the owner's designated representative shall have a reasonable opportunity to contact a towing company of choice. The provisions of this subsection shall not apply to vehicles transporting any material which has been designated as hazardous under Section 5103(a) of Title 49, U.S.C.

The crime inquiry and inspection report shall be designed by the director of revenue and shall include the following:

12. Notwithstanding the provisions of section 301.227, RSMo, any towing company who has complied with the notification provisions in section 304.156, including notice that any property remaining unredeemed after thirty days may be sold as scrap property may then dispose of such property as provided in this subsection. Such sale shall only occur if at least thirty days has passed since the date of such notification, the abandoned property remains unredeemed with no satisfactory arrangements made with the towing company for continued storage, and the owner or holder of a security agreement has not requested a hearing as provided in section 304.156. The copy may be produced and sent by facsimile machine or other device which produces a near exact likeness of the print and signatures required, but only if the law enforcement agency receiving the report has the technological capability of receiving such copy and has registered the towing company for such purpose. The registration requirements shall not apply to law enforcement agencies located in counties of the third or fourth classification. The report shall be delivered within two hours if the tow was made from a signed location pursuant to subdivision (1) of subsection 4 of this section, otherwise the report shall be delivered within twenty-four hours.

In such case, the court has the authority to terminate the prosecution of the summons issued to the owner and issue a summons to the person identified in the affidavit as the operator. If the motor vehicle or trailer is alleged to have been stolen, the owner of the motor vehicle or trailer shall submit proof that a police report was filed in a timely manner indicating that the vehicle was stolen at the time of the alleged violation.**

3. Abandoning a motor vehicle **or trailer** is a class A misdemeanor.

4. **Any person convicted pursuant to this section shall be civilly liable for all reasonable towing, storage, and administrative costs associated with the abandonment of the motor vehicle or trailer. Any reasonable towing, storage, and administrative costs in excess of the value of the abandoned motor vehicle or trailer that exist at the time the motor vehicle is transferred pursuant to section 304.156, RSMo, shall remain the liability of the person convicted pursuant to this section so long as the towing company, as defined in chapter 304, RSMo, provided the title owner and lienholders, as ascertained by the department of revenue records, a notice within the timeframe and in the form as described in subsection 1 of section 304.156, RSMo.”; and**

HOUSE RESOLUTION

HR 2913, (5-12-04, Pages 1808-1809) - Dixon (140)

JOURNAL OF THE HOUSE

Second Regular Session, 92nd GENERAL ASSEMBLY

SEVENTIETH DAY, FRIDAY, MAY 14, 2004

The House met pursuant to adjournment.

Speaker Hanaway in the Chair.

Prayer by Reverend Donald W. Lammers.

God our Father, thank You for bringing us to this day, the last day of the 2004 Spring Session of the Missouri House of Representatives. We thank You for the important things we have been able to accomplish. We thank You for everything we have been able to do to advance the common good.

At 6:00 p.m. this evening, we will be able to say, "we have finished our work." We remember those serving in Iraq and other points East whose work is not finished. This evening, tomorrow and everyday, may Your Spirit guide us to pray for them.

We pray especially for those in greatest danger and those enduring the greatest privation. Turn all their efforts to good. Protect them from injury and death. Turn hearts away from violence so that killing stops and negotiation greatly increases.

We thank You for the support of our families and of those we represent throughout this 2004 Session.

We pray to You, our God forever and ever. Amen.

The Pledge of Allegiance to the flag was led by 1st Lt. Janet Wunderlich, United States Army Reserves.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Ali Watson, Gary Stilwell, Hunter C. Wilson, Cynthia Youmans, Ella Youmans and Cecelia Youmans.

The Journal of the sixty-ninth day was approved as corrected.

Speaker Pro Tem Jetton assumed the Chair.

I disapprove of **House Concurrent Resolution No. 5**. My reasons for disapproval are as follows:

House Concurrent Resolution No. 5 purports to permanently disapprove and suspend an amendment to 1 CSR 10-4.010, filed as an order of rulemaking. The rule amendment filed by the Office of Administration merely clarifies the state's ability to make vendor payroll deductions, including collecting fair share fees from state employees who are members of collective bargaining units and have authorized the deduction of such fees. HCR 5 purports to find the rule amendment in violation of the provisions of sections 536.014 (governing agency rulemaking authority) or 536.205 (governing fiscal notes associated with proposed rules), RSMo.

The rule amendment does not violate any provision of Missouri statute. Because the Office of Administration has rulemaking authority in this area, section 536.014 is satisfied. The Joint Committee has never taken issue with the Office of Administration's authority to promulgate rules including 1 CSR 10-4.010; instead it has only now acted to disapprove this narrow amendment. This action is logically and legally inconsistent: either the Office of Administration has authority to make rules concerning vendor payroll deduction, or it does not. Given the uncontroversial previous promulgation of CSR 10-4.010, as well as the provisions of Section 536.010, 536.023, 33.103, and 370.395 RSMo 2000 (as amended) the Office of Administration plainly has such authority.

Section 536.205, which requires a statement of expenses to be imposed by any rule which would cost private entities more than five hundred dollars, is also satisfied, because the rule amendment does not impose any private cost. The rule amendment only clarifies the ability of the Office of Administration to make certain vendor payroll deductions under specific circumstances. No actual fee is imposed on any private party by the rule amendment.

HCR 5 is misguided, both as a matter of procedure and as a matter of substance. Procedurally, HCR 5 reflects an inappropriate use of the Joint Committee on Administrative Rules, an entity established by executive order for the narrow purpose of reviewing agency rulemaking authority. The General Assembly has produced no

legitimate question as to the legal authority of the Office of Administration to promulgate the rule amendment. Members of the General Assembly simply object to collective bargaining by state government employees and thus seek to block the mechanisms that make such bargaining possible. The General Assembly ought not to use the procedural mechanism of a resolution of disapproval to block a rule that its members only dislike on philosophical grounds.

I disagree with those who oppose collective bargaining rights for state employees. My administration has fought and will continue to fight tirelessly for the right of all working Missourians to have their voice heard by their employers. All of society benefits when working people have a seat at the bargaining table. That is as true in the public sector as it is in the private sector.

Most Missouri state employees do not share the privileges and benefits accorded to their elected officials. Rather, the majority of our public servants do difficult and vital work, often for low pay and little recognition. As Governor, I have a responsibility to ensure that our hard-working state employees are treated fairly and equitably by their employer. An essential component of fair and equitable treatment is the right of workers to bargain collectively and negotiate on a level playing field. I am proud of our record in this area, and I will not tolerate efforts by the General Assembly or any other party to interfere with employees' right of representation. The fair allocation of the costs of such representation is a basic aspect of collective bargaining. The use of fair share fees, voluntarily agreed to by new state employees, is both appropriate and necessary to protect the right of self-representation.

For all of the above stated reasons for disapproval, I am returning **House Concurrent Resolution No. 5** without my approval.

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **Senate Committee Substitute for House Concurrent Resolution No. 21**.

I disapprove of **Senate Committee Substitute for House Concurrent Resolution No. 21**. My reasons for disapproval are as follows:

This resolution would reauthorize the currently-existing Poultry Industry Committee for an additional year, and would additionally create a Forestry Utilization Committee. Although I support reauthorization of the Poultry Industry Committee in its existing form, I am compelled to veto this resolution because of problems in the creation of the Forestry Utilization Committee.

The Forestry Utilization Committee which would be established by this resolution is poorly structured and unlikely to achieve its goals. Before establishing any new state board or commission, care must be taken to ensure that it has sufficient representation of all interested parties and groups, and that it does not have too many members to do its work effectively. I am concerned that this resolution (and its companion resolution from the Senate) do not meet either of these criteria. For example, as established by this resolution, the committee would have 23 members, a number that could be cumbersome if the structure of the committee has not received careful thought. Further, this number of members conflicts with the number provided in the companion resolution, strengthening my sense that more careful consideration of the composition of this committee is needed.

This resolution provides for the direct appointment of committee members by private, non-governmental organizations. This approach is undesirable. Members of state boards and commissions are frequently chosen to represent private sector interests, but the actual power to appoint should be reserved to the state.

This resolution also provides that funding for the committee would come out of the Office of Administration's budget. With agency budgets so closely scrutinized for appropriate spending, I find this approach misguided. The Departments of Conservation, Agriculture, and Natural Resources are the more appropriate agencies to oversee the committee budget and staffing needs.

In short, while the purpose of this resolution seems noble and worthwhile, I believe that practical considerations merit a rethinking of the proper approach. I look forward to working with interested parties to establish an appropriately-constituted Forestry Utilization Committee, and will be pleased to sign an Executive Order establishing the Committee once these issues are resolved.

I am disappointed that the Poultry Industry Committee reauthorization was included in this resolution, and that I am thus forced to veto it as well. While I note that the Poultry Industry Committee is subject to some of the same concerns identified above, I am not as concerned about its size because the committee has previously demonstrated its ability to function effectively. The Poultry Industry Committee is also assigned to the Office of Administration - a less than desirable assignment for the same reasons set forth above - but I am advised by the Office of Administration that the Committee's work has never required the expenditure of the Office's resources or any substantial amount of staff time. For these reasons, I will also be pleased to sign an Executive Order re-establishing the Poultry Industry Committee as presently constituted.

For all of the above stated reasons for disapproval, I am returning **Senate Committee Substitute for House Concurrent Resolution No. 21** without my approval.

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **House Committee Substitute for House Bill No. 1099**, entitled:

“AN ACT”

To repeal section 144.030, RSMo, and to enact in lieu thereof one new section relating to material recovery operations.

I disapprove of **House Committee Substitute for House Bill No. 1099**. My reasons for disapproval are as follows:

House Committee Substitute for House Bill No. 1099 has the potential to severely impact state revenue by creating a poorly-described tax exemption that goes well beyond the stated intent of the legislation. Specifically, Section 144.030.3 is overbroad: it expands a sales tax exemption to companies "involved in the manufacture or material recovery" of any of the products subject to sales and use tax listed in the chapter. The list of manufacturing related exemptions identified in this chapter is lengthy, going well beyond the limited material recovery efforts that are the focus of the remainder of the bill. The bill does not define "involvement" for purposes of this section, nor does it specify any limitations on the "involvement"-based tax exemption or "manufacture..... under this chapter". This language could thereby be interpreted to provide tax exemption to numerous industries, including those only remotely connected with the industries intended to be exempted by the statutory chapter.

The intent of the remainder of this legislation - to encourage and assist companies involved in the material recovery process - is laudable. However, the broad and ambiguous language contained in the final paragraph of the bill is too great a threat to the financial stability of Missouri, and would surely result, at minimum, in numerous new cases of tax litigation in Missouri courts. Therefore, a veto of this legislation is necessary.

In accordance with the above stated reasons for disapproval, I am returning **House Committee Substitute for House Bill No. 1099** without my approval.

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **Senate Committee Substitute for House Committee Substitute for House Bill No. 1177**, entitled:

“AN ACT”

To repeal sections 640.700, 640.710, 640.715, 640.725, 640.730, 640.735, 640.745, 640.750, 640.755, 644.016, and 644.051, RSMo, and to enact in lieu thereof eleven new sections relating to concentrated animal feeding operations.

I disapprove of **Senate Committee Substitute for House Committee Substitute for House Bill No. 1177**. My reasons for disapproval are as follows:

Senate Committee Substitute for House Committee Substitute for House Bill No. 1177 would alter Missouri's regulation of Animal Feeding Operations (AFOs) and Concentrated Animal Feeding Operations (CAFOs). Missouri regulates these entities pursuant to a delegation of authority under federal law. The changes in **Senate Committee Substitute for House Committee Substitute for House Bill No. 1177** jeopardize the state's ability to maintain delegation from the United States Environmental Protection Agency (EPA) to implement programs under the Federal Clean Water Act. Without such delegation, Missouri would risk substantial and undesirable federal interference with state environmental policy.

Specifically, this legislation would alter the definitions of "discharge" and "water contaminant source" thus narrowing their meaning and placing Missouri law out of compliance with the federal Clean Water Act. With Missouri law out of compliance, Missouri would risk a federal takeover of our clean water program, and a substantial loss of federal funds.

Section 644.051.3 of the bill prohibits enforcement activities where an accidental spill occurs and the discharge of effluent is wholly contained within the landowner's property. This language would prevent the Missouri Department of Natural Resources from issuing violation notices or even investigating these spills, severely limiting the agency's ability to monitor pollution in and around a CAFO.

The Missouri Attorney General has stated (in a letter dated June 14, 2004) that this legislation "significantly curtails the authority of the Missouri Clean Water Commission to protect waters of the state." The Attorney General also expressed serious reservations about the issues set forth above, noting that under this bill "the state has no lawful recourse no matter how devastating the discharge has been on the natural resources, fish, and wildlife lying within the affected property."

Similarly, the EPA has expressed concern about this legislation (in a letter dated April 13, 2004). The EPA states that the federal Clean Water Act does not provide limitations or exclusions relating to the cause or amount of discharge, nor does the federal act prevent enforcement when a discharge is confined to one person's property. Such a change in definition could jeopardize EPA approval of the state's National Pollution Discharge Elimination System (NPDES) program, thereby endangering Missouri's ability to receive significant federal funding for program implementation. I cannot and will not endorse legislation that seeks to reduce protection of Missouri's water resources and is inconsistent with federal law and regulations. While Missouri's livestock production sector is critical to rural communities, legislation modifying state implementation plans must meet basic criteria outlined by the EPA and Clean Water Act. Regulatory changes in this area must not come at the expense of Missouri's environment or the health of its citizens.

For all of the above stated reasons, I am returning **Senate Committee Substitute for House Committee Substitute for House Bill No. 1177** without my approval.

Respectfully submitted,

/s/ Bob Holden

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **House Committee Substitute for House Bill No. 1614** entitled:

“AN ACT”

To amend chapter 376, RSMo, by adding thereto one new section relating to the repeal of the expiration date for certain mental health insurance statutes.

I disapprove of said **House Committee Substitute for House Bill No. 1614**. My reasons for disapproval are as follows:

The signing of **House Committee Substitute for House Bill No. 1614** is in conflict with Senate Committee Substitute for House Committee Substitute for House Bill No. 855, which I signed on June 28, 2004. **House Committee Substitute for House Bill No. 1614** extends the sunset date on a section of law that is repealed by Senate Committee Substitute for House Committee Substitute for House Bill No. 855.

House Committee Substitute for House Bill No. 1614 extends the Mental Health and Chemical Dependency Act, which would expire on January 1, 2005 pursuant to current law. One provision of this act is section 376.840 RSMo. Senate Committee Substitute for House Committee Substitute for House Bill No. 855, which allows Missourians with group health insurance to access mental health coverage in the same manner as other health conditions, also extends the Mental Health and Chemical Dependency Act. However, because it is no longer necessary, Senate Committee Substitute for House Committee Substitute for House Bill No. 855 repeals section 376.840 RSMo. Because **House Committee Substitute for House Bill No. 1614** extends a provision of law that is repealed by Senate Committee Substitute for House Committee Substitute for House Bill No. 855, the signing of **House Committee Substitute for House Bill No. 1614** creates an unresolved statutory conflict.

This veto has no substantive effect. Senate Committee Substitute for House Committee Substitute for House Bill No. 855 extends the sunset date in the same fashion that **House Committee Substitute for House Bill No. 1614** would have. This veto will only prevent the unresolved statutory conflict.

For all of the above stated reasons for disapproval, I am returning **House Committee Substitute for House Bill No. 1614** without my approval.
